New English Christian Qabalah Etterian English Qabalah:

Christopher Etter, 2005-05-01 Dyothelemic Christianity is based in the Christian theology of Dyo thelism and advocates the importance of realigning the human will with divine will This is done in the image of the perfection of this universal principle as depicted by traditional Christian theology Jesus Christ is seen as the perfection of this universal principle and He is seen as a model of perfection that one should seek alignment with Along with the theory involved in this concept I am introducing an adapted Jewish mystical doctrine and system as a tool to help understand both the nature of this theology and human self Through Jewish internal meditational science I am introducing a comprehensive new approach to both Christianity and realignment with the divine as well as a four fold completion of Christian Theological doctrine that will help harmonize all the principles involved in this text Dyothelemic Christianity is based on the scientific theory that there exists a universal divine order and will and the through alignment of the human will with divine will the human self is united with the divine Self as a harmony of natures and wills Thus Christ means one person one hypostasis two harmonious non contrary natures and two harmonious non contrary wills **Qabalah Today** Marc Cohen, 2020-04-08 Qabalah Today is the first systematic exposition by a Hebrew scholar who by teaching the reader to think Qabalistically attempts to build thereon a self contained system of English Qabalah The latter part of the work seeks via the fusion of these great systems to re invigorate such timeless tools as the Tarot Astrology and the Angelic system of the Shem Ha Mephorash Qabalah Today is sure to ensconce English as a truly Magickal Language illuminating thus the 21st Century **The Mystical Qabalah** Dion Fortune, 1948
