Nickel And Dimed:

Nickel and Dimed Barbara Ehrenreich, 2001-05-08 Our sharpest and most original social critic goes undercover as an unskilled worker to reveal the dark side of American prosperity Millions of Americans work full time year round for poverty level wages In 1998 Barbara Ehrenreich decided to join them She was inspired in part by the rhetoric surrounding welfare reform which promised that a job any job can be the ticket to a better life But how does anyone survive let alone prosper on 6 an hour To find out Ehrenreich left her home took the cheapest lodgings she could find and accepted whatever jobs she was offered Moving from Florida to Maine to Minnesota she worked as a waitress a hotel maid a cleaning woman a nursing home aide and a Wal Mart sales clerk She lived in trailer parks and crumbling residential motels Very quickly she discovered that no job is truly unskilled that even the lowliest occupations require exhausting mental and muscular effort She also learned that one job is not enough you need at least two if you int to live indoors Nickel and Dimed reveals low rent America in all its tenacity anxiety and surprising generosity a land of Big Boxes fast food and a thousand desperate stratagems for survival Read it for the smoldering clarity of Ehrenreich s perspective and for a rare view of how prosperity looks from the bottom You will never see anything from a motel bathroom to a restaurant meal in quite the same way again [Quicklet On Nickel And Dimed By Barbara Ehrenreich](#) Susan Milam, 2011-12-06 Quicklets Learn More Read Less Barbara Ehrenreich s Nickel and Dimed has sold more than 1 5 million copies since its publication in 2001 It is required reading in many high school and college classrooms The book has been translated into several languages It has recently become available as an ebook Nickel and Dimed received The 2001 Los Angeles Times Book Prize for Best Current Interest book Joan Holden wrote a play based on the characters found in Nickel and Dimed Richard Brick and Ira Deutchman are developing a movie based on Nickel and Dimed Mr Brick is best known as the co producer of several Woody Allen movies He also worked with the late Peter Jennings

BOOK EXCERPT FROM THE BARBARA EHRENREICH QUICKLET NICKEL AND DIMED Ms Ehrenreich had options She could stay at home and attempt to live on the equivalent of a 7 an hour job This scheme however wouldn t give her a true picture of the life lived by a menial worker According to The Preamble Center for Public Policy the odds were 97 to 1 against a recent welfare recipient finding a job that paid a living wage Barbara decided she had to personally battle those odds to understand how the working poor live In addition Ms Ehrenreich holds a doctorate in biology Her training dictated personal experimentation She wanted to find out if there were hidden economies in the world of the low wage worker Perhaps she thought there were unseen benefits to this type of life On the other hand the day to day drudgery of low paying work might exact hidden damages Barbara decided only first hand experience could tell the tale Rules were set for her journey into the world of unskilled labor Rule one There could be no use of her normal set of job skills to be continued Quicklets Learn More Read Less
