Nicolae Left Behind Series Volume 3 Giant Print Edition:

The Rapture Exposed Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible's Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God's healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God's beloved community *The New Brothers Grimm and Their Left Behind Fairy Tales* David T. Morgan, 2006 The New Brother's Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B. Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil *Children's Books in Print, 2007*, 2006 *Nicolae* Tim LaHaye, Jerry B. Jenkins, 2011-03-16 It has been nearly two years since the day of the mass disappearances In one cataclysmic instant millions all over the globe simply vanished leaving everything but flesh and bone behind Global war has erupted and the Tribulation Force sets a suicidal course that places them in direct opposition to the rise of Antichrist A repackaged version of the third book in the New York Times best selling Left Behind series *The Publishers Weekly*, 1998 **Understanding Graffiti** Troy R. Lovata, Elizabeth Olton, 2016-06-16 This collection of original articles brings together for the first time the research on graffiti from a wide range of geographical and chronological contexts and shows how they are interpreted in various fields Examples range as widely as medieval European cliff carvings to tags on New York subway cars to messages left in library bathrooms In total the authors legitimize the study of graffiti as a multidisciplinary pursuit that can produce useful knowledge of individuals cultures and nations The chapters represent 20 authors from six countries offer perspectives of disciplines as diverse as archaeology history art history museum studies and sociology elicit common themes of authority and its subversion the identity work of subcultures and countercultures and presentation of privilege and status The Christian Science Monitor Index, 1991 The New York Times Index, 2003
