Akwa-Cross People of Nigeria Unwana Samuel Akpan,2023-11-15 *The Akwa Cross People of Nigeria History Heritage and Culture* is the first comprehensive book on Akwa Cross contemporary historical analysis and its historical reconstruction The Akwa Cross people are the second largest minority tribe in Nigeria whose tradition culture language and history are fast dying This edited volume is a timely effort in salvaging this information Previously historical facts about Akwa Cross people and their region were distorted misplaced and misquoted *Akwa Cross People of Nigeria History Heritage and Culture* edited by Unwana Samuel Akpan corrects historical facts about Akwa Cross peoples and cultures and provides a holistic and historic text on the history heritage and culture of the Akwa Cross people of Nigeria The contributors present a compelling collection of studies that build on the path breaking Akwa Cross scholarship and offer critical narratives and analysis on tradition culture economy religion sports and media of the people of Akwa Cross The themes treated in this historic book play a significant part in advancing public discourse on Akwa Cross and add to the Akwa Cross pedagogy **Global Dishes** Caryn E. Neumann,Lori L. Parks,Joel G. Parks,2023-06-30 Winner 2024 RUSA Outstanding Reference Award Through an interdisciplinary approach that shows how food can reflect a culture and time this book whets the appetite of students for further research into history anthropology geography sociology and literature Food is a great unifier It is used to mark milestones or rites of passage It is integral to the way we celebrate connecting a familial and cultural past to the present

through tradition It bolsters the ill and soothes those in mourning The dishes in this text are those that have come to be known within a part of the world and culture but also have moved beyond those borders and are accessible and enjoyed by many in our ever smaller and more interconnected world Featuring more than 100 recipes and detailed discussions of dishes from across the globe Global Dishes Favorite Meals from around the World explores the history and cultural context surrounding some of the best known and favorite foods The book covers national dishes from more than 100 countries including large nations like Mexico and small countries like Macao There is also coverage of foods beloved by Indigenous peoples such as the Sami of Scandinavia Traditional favorites are offered as well as newer dishes Modeling World Englishes Sandra C. Deshors,2018-09-13 At a time when globalization and the advent of the internet have accelerated the spread and diversification of English varieties worldwide this book provides a constructive assessment of the theoretical models that best account for the development and use of Englishes in the early 21st century In this endeavor the present book brings together cutting edge contributions by leading scholars who explore the notion of linguistic globalization based on a wide range of ESLs EFLs and ELF synchronic and diachronic data different methodological approaches corpus based sociolinguistic ethnographic and a variety of data resources social media multiplayer online games journalistic data GloWbE Corpus of Historical Singapore English thematic blogs Collectively these studies serve as a springboard for future research on the globalization of Englishes and they contribute to a timely and necessary scholarly conversation on what constitutes adequate theoretical models of World Englishes in the 21st century Food Cultures of the World Encyclopedia Ken Albala,2011-05-25 This comprehensive reference work introduces food culture from more than 150 countries and cultures around the world including some from remote and unexpected peoples and places From babka to baklava to the groundnut stew of Ghana food culture can tell us where we've been and maybe even where we're going Filled with succinct yet highly informative entries the four volume Food Cultures of the World Encyclopedia covers all of the planet's nation states as well as various tribes and marginalized peoples Thus in addition to coverage on countries as disparate as France Ethiopia and Tibet there are also entries on Roma Gypsies the Maori of New Zealand and the Saami of northern Europe There is even a section on food in outer space detailing how and what astronauts eat and how they prepare for space travel as far as diet and nutrition are concerned Each entry offers information about foodstuffs meals cooking methods recipes eating out holidays and celebrations and health and diet Vignettes help readers better understand other cultures while the inclusion of selected recipes lets them recreate dishes from other lands Unlike the Rest Chika Stacy Oriuwa,2024-10-01 In this personal story of becoming belonging and being seen a psychiatry resident pulls back the curtain on the journey to becoming a doctor From childhood Chika Oriuwa dreamed of being a doctor She knew that she was destined to wear the white coat one day no matter what it took The high of being accepted to the University of Toronto's Temerty Faculty of Medicine in 2016 came crashing down when Oriuwa discovered she was the only Black student in her incoming class of 259 students Oriuwa soon learned

that medical school and a medical career are not immune to the systemic discrimination that permeates the fabric of our world Interwoven with descriptions of on the ground medical training personal moments of doubt and success and reflections on mental health and family expectations Unlike the Rest is the moving and inspiring story of a young doctor s journey through medical school and residency where she found her calling in the science and in the patients but also felt alone and lonely and compelled to advocate for change not only for those in training but for those in care And while the risks in speaking up seemed great to simply endure was unacceptable If you ve ever doubted that you belong or struggled to find your voice Unlike the Rest will inspire you to stay true to yourself and fight for what you believe in *Four Careers* Charles H. Kraft,2019-10-23 While in high school Chuck felt God s call to be a field missionary in Africa expecting to spend his life there But God only allowed him three years in the bush He had other things in mind for him These years working cross culturally laid a solid foundation for his future accomplishments Through a series of unplanned events God made him a teacher of missionaries and a missiologist teaching and writing to improve missionary principles and practices In this book Kraft reflects on how he was shaped as a missiologist and why how he felt the need for writing his many books and articles Culture positive is the term he has coined for his approach It s an approach that honors a people s way of life and helps them to express their faith in Christ within that way of life without converting to another culture He taught that God loves and accepts them as they are plus faith and seeks to work with them to develop their own Christianity based on their own understanding of Scripture Chuck sees a missionary as a coach not as a director This approach has shown its effectiveness both among the people Chuck worked with the Kamwe of northern Nigeria and in the field ministries of his students **By the Waters of Babylon** Benjamin W. Farley,2014-07-22 The Psalms have long been the preferred prayer book of souls in quest of God s guidance and comfort It has been a hymnbook for the soul and a trove for canticles and verses of the heart The Psalms have served both Judaism and Christianity s religious communities as a favored source of rich and magnificent readings perfect for liturgical settings Most significantly they have nurtured the soul in its desperate times of brokenness and longing for God This is true of both religions and of their various branches across the years For that reason the Psalter ranks among the noblest of spiritual masterpieces cherished for its eloquent and poignant prayers that lift the heart to God even as they bring God down to mend the soul We need such times of private and communal withdrawal into the sphere where God alone reins Solitariness with God heals the heart s wounds individually and communally Alone with God God sees us as we are and allows us to acknowledge ourselves as we are at our best and worst in our joy and folly The Psalms remind us that God is inescapably present wherever we allow God in to renew inspire redeem and fulfill the highest hopes of our human capacity By the Waters of Babylon provides meditations on all 150 of the Psalter s hymns They are written to speak to the heart as well as to the mind and soul in search of grace and consolation
