Night Fighters Charlie Dont Live Here Anymore:

Charlie Don't Live Here Anymore David Sherman,1989 The Viet Cong holds the young son of a local South Vietnamese commander deep inside the A Shau Valley and it is up to the men of Tango Niner to rescue the boy Starfist: Force Recon: Backshot David Sherman,Dan Cragg,2005-07-26 An exciting new special ops adventure from the battle tested vets who created the popular Starfist series Jorge Lavager charismatic leader of the mysterious Union of Margelan ferociously guards an agricultural research facility on the planet Atlas What that facility conceals will prove whether Lavager is an idealist seeking to unify Atlas under a banner of freedom and prosperity or a tyrant aiming to control all of Human Space The Marines of Fourth Force Recon s second platoon are dispatched to Atlas to uncover the truth They will have to sneak past state of the art surveillance equipment barring unlawful entry to the planet and land in a desolate area miles from their target And if they discover lethal new weapons instead of legitimate research the thirty six Marines are to seize the compound guarded by merciless armed to the teeth soldiers and destroy it But what the recon team finds on Atlas sets off a chain of events that will force some hard decisions on the Marines and end in a deadly surprise Starfist: Wings of Hell David Sherman,Dan Cragg,2008-12-30 Planet Haulover has been invaded by Skinks Until now the aliens existence has been hushed up But Force Recon s shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction Meanwhile back home the Confederation s president is being denounced as a warmonger out to exterminate harmless aliens If she loses the upcoming elections the Confederation will have a lot more Skinks to worry about than the ones on Haulover Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns such as staying alive But what would be a suicide mission for most whether it s raiding a hidden Skinks base or destroying the enemy s most lethal weapons during a desperate firefight is just another job for the Thirty fourth FIST

Starfist: First to Fight David Sherman,Dan Cragg,1999-02-11 Hard to put down Any book written by Cragg and Sherman is bound to be addictive and this is the first in what promises to be a great adventure series First to Fight is rousing rugged and just plain fun Ralph Peters New York Times bestselling author of Red Army Marines we have just become a low tech deep recon patrol Stranded in a hellish alien desert stripped of their strategic systems quick reaction force and supporting arms and carrying only a day s water ration Marine Staff Sergeant Charlie Bass and his seven man team faced a grim future seventy five light years from home The only thing between his Marines and safety was eighty five miles of uncharted waterless terrain and two thousand bloodthirsty savages with state of the art weapons in their hands and murder on their minds But the enemy didn t reckon on the warrior cunning of Marines Marine Charlie Bass and the courage of the few good men who would follow him anywhere even to death **Starfist: Hangfire** David Sherman,Dan Cragg,2010-01-20 Six agents have died hideously trying to penetrate the crime families behind a vast empire of pleasure and debauchery Now it s up to the Marines to break the circle Most people will visit Havanagas only in their dreams for few can afford the

exclusive resort planet that recreates ancient worlds and caters to every taste Witches are burned at the stake in medieval towns while riotous hordes fill Rome's Coliseum to watch gladiators battle Even the basest of human lusts are satiated by deadly sex acts and a thriving slave trade The crime bosses control of Havanagas and its people is brutally effective Now three Marines from Co L's 3rd Platoon masquerading as discharged military buddies on holiday are going in to break the kingpins' bloody stranglehold From bordellos and rebellious enclaves to the very pit of the Coliseum filled with deadly beasts Corporal Pasquin and Lance Corporals Claypoole and Dean face certain death with only their wits and skills as weapons But they're Marines built to survive

Starfist: Lazarus Rising David Sherman, Dan Cragg, 2004-11-23 It's the 25th century but the Marines are still looking for a few good men In their fiercest combat yet the hard-charging Marines of 34th Fleet Initial Strike Team FIST have finally won their battle against a full-scale alien invasion of planet Kingdom But as citizens try to return to some semblance of normalcy the old government is replaced by a ruthless new regime Meanwhile in a cave in some forgotten Kingdom backwater several humans slowly regain consciousness Their minds have been probed repeatedly by whom and for what reason they cannot say for they've been stripped of all memories of themselves and their past lives These half-dead outcasts begin a journey into the unknown in search of civilization in search of themselves And one survivor's journey will take him to places of overwhelming danger where his identity will be revealed to the shock of all Non-stop action This is state-of-the-art military SF Publishers Weekly starred review

Starfist: Kingdom's Swords David Sherman, Dan Cragg, 2002-04-29 The Marines were told it was a simple peasant rebellion but the mission proved to be far deadlier Gunny Charlie Bass isn't the only Marine mystified by the order sending the entire 34th to put down a few seditious serfs on planet Kingdom Rumors swirl of a deadly alien invasion But few believe that such sentient beings exist Except Gunny Bass and the Marines of the 3rd platoon who once fought enemy aliens called Skinks fierce fanatical fighters with hideous weapons who attack for no other reason but to kill Then while slogging through Kingdom's fetid swamps the Marines are attacked by awesome unseen weapons that could destroy half a platoon with one shot Clearly they are facing no normal enemy And if their adversaries are Skinks one FIST isn't enough Third platoon's orders are to penetrate deeper into the bloody jungle hell and find out what happens when a few good men bite the bullet

Starfist: Kingdom's Fury David Sherman, Dan Cragg, 2003-01-01 A few good Marines beat the fierce fanatical aliens once before But that was a skirmish not a full-scale invasion The truth is out No longer are the Skinks just a horrible secret haunting the Marines of Company L Now the aliens are all too real invaders whose savage attacks have devastated planet Kingdom a world of squabbling religions where the men of the 34th FIST confront a desperate situation Cities that haven't already been reduced to rubble are under siege while starving refugees roam the land And still the Skinks come rising from stinking primordial swamps to slake their thirst for slaughter armed with an uncanny ability to locate the enemy and with weapons so deadly that a single blast can drop a warplane or decimate a squad It's painfully evident that 34th FIST is no match for these near invincible killers which is why

third platoon s been ordered to whip the citizens of Kingdom into fighting shape With their backs to the wall and time running out there s only one way the Marines can turn these timid quarrelsome men into warriors Take the battle to the enemy It s a brilliant strategy sure to succeed if it doesn t get them killed first Starfist: Blood Contact David Sherman,Dan Cragg,2002-01-08 Through three centuries of interstellar travel intelligent alien life forms had never been encountered until now When a scientific team exploring an obscure planet fails to make its regular communications check the Marines of third platoon are sent to investigate They prepare for a routine rescue operation but what they find on Society 437 is a horror beyond description Only a handful of ragtag pirates who were in the wrong place at the very worst time have survived and there is little trace of the scientists What happened to the scientists Why have the pirates been spared Gunnery Sergeant Bass and the men of third platoon are about to find out and the answer carries a terrifying implication for the Marines and the entire human race *Starfist: Firestorm* David Sherman,Dan Cragg,2008-04-29 Combat vets David Sherman and Dan Cragg know firsthand the courage sacrifice and hell of war and their experiences have made the popular Starfist novels thrill rides of the highest order Now the explosive action continues on the remote planet Ravenette where the Marines of the Confederation s 34th Fleet Initial Strike Team FIST find themselves up against a full fledged rebellion and a lethally loose cannon of a commanding officer Desperate to thwart unrelenting aliens and their quest to obliterate humankind The Confederation has beefed up its defenses But to the citizens on the outer edges of Human Space around Ravenette unaware that a deadly enemy even exists the government s move seems oppressive and ten planets have responded with a war of secession In touch and go battles with the seceding planets the 34th FIST has emerged battered but unbowed refusing to give up even while under the command of a fanatical general The enemy determined to strike a new mission must be carried out though the troops will likely return in body bags Should Ensign Charlie Bass and his Marines somehow survive the nightmarishly difficult amphibious landing they can expect to be outmanned outgunned and out armored in a fierce duel against fresh soldiers But like any Marine worth his salt Bass knows there s only one way to go when facing impossible odds on the offense with all guns firing There s no other choice because if life was easy there d be no need to send in the Marines
