Night Scents:

Night Scents Carla Neggers, 2004-02-01 Carla Neggers has a magic touch for weaving spine tingling suspense with romance so sensual it takes your breath away Here she is at her best in a delightful potpourri of dangerous intrigue enchanting wit and spellbinding desire This time Piper Macintosh's great aunt has really gone too far Eighty seven year old Hannah who fancies herself a witch has sold her historic Cape Cod house to a Tennessean whom she claims is the man for her niece Piper doesn't think they're a likely match particularly not after she meets the reclusive tycoon while trespassing in his garden Clate Jackson has come to the windswept Cape to forget not to get involved with the woman who's digging up valerian root for her great aunt's crazy potions But when Hannah reveals an old family secret and warns of danger on the horizon Clate reluctantly works with Piper to solve a long ago murder Unraveling the secrets of Clate's past however will take what only Piper can supply her healing love and her own boldly passionate heart *The End of Night* Paul Bogard, 2025-05-01 A deeply panoramic tour of the night from its brightest spots to the darkest skies we have left A starry night is one of nature's most magical wonders Yet in our artificially lit world three quarters of Americans eyes never switch to night vision and most of us no longer experience true darkness In *The End of Night* Paul Bogard restores our awareness of the spectacularly primal wildly dark night sky and how it has influenced the human experience across everything from science to art From Las Vegas Luxor Beam the brightest single spot on this planet to nights so starlit the sky looks like snow Bogard blends personal narrative natural history science and history to shed light on the importance of darkness what we've lost what we still have and what we might regain and the simple ways we can reduce the brightness of our nights tonight

Scents & Sensibility Catherine Maxwell, 2017 Explores Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature's relation with the senses A selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity personality or sensibility *Nighttime Ambushers* Glen Naturewise, AI, 2025-02-12 *Nighttime Ambushers* delves into the fascinating lives of nocturnal predators and their specialized adaptations for thriving in low light environments It explores how animals like owls and big cats have evolved unique sensory capabilities and hunting strategies to dominate the darkness The book highlights how heightened sensory perception combined with specific behavioral adaptations is crucial for their survival One intriguing example is the exceptional hearing of owls which allows them to locate prey hidden beneath layers of snow The book progresses systematically beginning with the challenges of night hunting and then diving into specific case studies of different predator groups It examines how these predators exploit the vulnerabilities of their prey at night emphasizing the importance of understanding this for both appreciating nature and informing conservation efforts By

exploring the sensory capabilities and hunting techniques of these creatures Nighttime Ambushers provides a comprehensive look at the science behind nocturnal predation and its impact on ecological balance *Living Like Indians* Allan A.
