Night Stalker Of Vietnam:

Night Stalker of Vietnam Henry Nichols, 2002-10-01 **The Night Stalkers** Michael J. Durant, Steven Hartov, Robert L. Johnson, 2006-12-28 From the New York Times bestselling authors of *In the Company of Heroes* comes a thrilling account of military aviation for history buffs and for those who love vivid tales of battlefield heroics Publishers Weekly In the world of covert warfare Special Operations pilots are notoriously close lipped about what they do They don't talk about their missions to anyone outside their small community But now Michael J Durant and Steven Hartov shed fascinating light on the mysterious elite commandos known as SOAR Special Operations Aviation Regiment and take readers into a shadowy world of combat they have only imagined **Vampire Legends in Contemporary American Culture** William Patrick Day, 2021-02-15 While vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of American culture *Vampire Legends in Contemporary American Culture* looks at how vampire stories from Bram Stoker's *Dracula* to *Blacula* from Bela Lugosi's films to *Love at First Bite* have become part of our ongoing debate about what it means to be human William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence He argues that contemporary stories use the character of *Dracula* to explore modern values and that stories of vampire slayers such as the popular television series *Buffy the Vampire Slayer* integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story **Murders and Acquisitions** Alzena MacDonald, 2013-08-29 The serial killer has become increasingly prevalent in popular culture since the term was coined by Robert Ressler at the FBI in the mid 1970s *Murders and Acquisitions* explores the social and political implications of this cultural figure The collection argues that the often blood chilling representations of the serial killer and serial killing offered in TV series films novels and fan productions function to address contemporary concerns and preoccupations Focusing on well known popular culture texts such as *The Wire* *Kiss the Girls* *Monster the Saw series* *American Psycho* *The Strangers* *CSI* and *Dexter* this eclectic anthology engages with a broad spectrum of cultural theory and performs critical textual analysis to examine the sophisticated ways the serial killer is deployed to mediate and or work through cultural anxieties and fears **Night Stalkers** Duncan Long, 1990 It is a massacre a carefully orchestrated massacre Led by the notorious butcher Andrea teams of vicious mercenaries slash their way to the Presidential Palace in a violent coup on a Caribbean island republic A probe is ordered and CIA Special Agent Grant and his *Night Stalkers* are on the prowl *Serial Killers* Adidas Wilson, 2024-10-29 In this true crime exploration *Serial Killers Inside the Minds of Monsters* delves into some of the most chilling complex and unforgettable criminal cases that have captivated and haunted communities across the world With a blend of meticulous research empathetic storytelling and psychological insight this book goes beyond the headlines to reveal the intricate human stories behind each crime Each
