Night Winter And Death:

Night, Winter, and Death Lee Hawks,1990-04-14 **Night, Winter, and Death** Dave Pedneau,2018-05-20 NIGHT The town of Yocum Valley is in for the longest darkest night it has ever known A night that will make some doubt their sanity and others fear for their lives A night when the heinous curse of its tainted ancestry will rise in the form of a living horror to seek savage vengeance WINTER The beast will stalk during the coldest cruelest winter on record in a place that is frozen snowbound and trapped at the mercy of something unspeakable with a taste for human flesh and a thirst for human blood DEATH It s waiting in the cold and dark to strike again and again And the terrified disbelieving citizens are about to find themselves under siege by something partly human partly animal and completely deadly **Death on a Winter Stroll** Francine Mathews,2022-11-01 No nonsense Nantucket detective Merry Folger grapples with the aftermath of the COVID 19 pandemic and two murders as the island is overtaken by Hollywood stars and DC suits Nantucket Police Chief Meredith Folger is acutely conscious of the stress COVID 19 has placed on the community she loves Although the island has proved a refuge for many during the pandemic the cost to Nantucket has been high Merry hopes that the Christmas Stroll one of Nantucket s favorite traditions in which Main Street is transformed into a winter wonderland will lift the island s spirits But the arrival of a large scale TV production and the Secretary of State and her family complicates matters significantly The TV shoot is plagued with problems from within as a shady power hungry producer clashes with strong willed actors Across Nantucket the Secretary s troubled stepson keeps shaking off his security detail to visit a dilapidated house near conservation land where an intriguing recluse guards secrets of her own With all parties overly conscious of spending too much time in the public eye and secrets swirling around both camps it is difficult to parse what behavior is suspicious or not until the bodies turn up Now it s up to Merry and Detective Howie Seitz to find a connection between two seemingly unconnected murders and catch the killer But when everyone has a motive and half of the suspects are politicians and actors how can Merry and Howie tell fact from fiction This latest installment in critically acclaimed author Francine Mathews s Merry Folger series is an immersive escape to festive Nantucket a poignant exploration of grief as a result of parental absence and a delicious new mystery to keep you guessing The Island of the Women and Other Stories George Mackay Brown,G Mackay Brown,2014-03-27 In these six stories George Mackay Brown leads us back along the sweep of Orkney s past and beyond even that to the remoteness of fable He reveals the timelessness of the lived moment and the constants of island life in the harvest of sea and land and the compulsions of voyage and homecoming The Necessary Death of Lewis Winter Malcolm Mackay,2024-09-24 The acclaimed thriller series debut delivers a wholly believable and unnerving portrait of organized crime in Glasgow The Guardian UK A twenty nine year old man lives alone in his Glasgow flat The telephone rings a seemingly casual exchange conceals a job offer The clues are there if you know to look for them He is an expert A loner Freelance Another job is another job but what if this organization wants more A meeting at a club An offer A target

Lewis Winter a necessary sacrifice that will be only the first step in an all out war between crime syndicates the likes of which hasn't been seen for decades It's easy to kill a man It's hard to kill a man well People who do it well know this People who do it badly find out the hard way The hard way has consequences Death Valley: A Winter's Journey Jackie Keller,2016-04-18 The many days and years of her life had been busy challenging and rewarding and sometimes overwhelmingly difficult And over the years she began to dream the dream as many do that she could just once run away and escape from it all She dreamed of Death Valley National Park of a winter's journey which promised her beauty calm and a quieted mind So when her life stress hit the tipping point Jackie Keller left the university packed her car and moved to the desert where she found everything she had dreamed of plus blessings and adventures she had never envisioned Through this true life story the reader can see the stunning beauty of this glorious national park explore its history and share the rhythm of day to day life in the small community of Furnace Creek Walk with her through a season of exploration laughter and renewal For anyone who wants to rediscover his/her true self or perhaps find it for the first time you are invited to join this middle aged professor who quit her job and went to live and work in a vast and imposing desert It was a winter spent watching learning questioning and discovering things she would never have found without her self imposed exile a beautiful true life story which Dr Keller masterfully and artfully describes Shelley Stokes Ph D **St. Andrew's Cross** ,1910
