If I go back to Paris it would be my third time there as an undercover agent Kitty murmured I ask myself how many chances does one person get Paris 1941 When Kitty is asked to return to Paris as an undercover agent she knows the mission is her most dangerous yet But she has been fighting the Nazis for too long to stop now And her role within the Resistance has already cost her friends family and now almost her own marriage Because while she and Edgar are more in love than ever his role as an undercover Nazi means it is safer if they are no longer married And while signing the divorce papers is a formality that breaks her heart Kitty knows that she and Edgar will find a way to be together when the war is finally over More determined than ever to undermine the Nazi regime Kitty has nothing left to lose From secretly supplying Prisoner of War camps with essential items to moving refugees across borders to safety she will stop at nothing to play her part in bringing the war to a close even if it means risking her own life But when Edgar goes missing Kitty s world stops As she begins a desperate search for her beloved husband she hears from her contacts that he has been killed But Kitty feels strongly in her heart that somewhere out there Edgar is still alive And she knows she must risk everything to rescue the man she loves no matter what An absolutely gripping heartbreaking and powerful story about courage love and bravery in the midst of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for An American Wife in Paris Wonderful heart breaking kept me on the edge of my seat with Kleenex in hand My heart was pounding faster and louder at every gasp as I continued reading to the very end I loved everything about this story and I highly recommend it Page Turners I loved it and I m disappointed to have gotten to the end I think I might go and read it all over again It s beautifully written emotional and engaging Goodreads reviewer Kitty Larsson may well be one of my favourite fictional characters ever Chrystyna Lucyk Berger knows how to push all of our emotional buttons I can t wait for the next book live_love_read_review Wonderful It is hard to put this book down although I confess to taking a few short breaks because I didn t want to get to the end NetGalley reviewer You won t want to put it down I was annoyed that my family still expected to eat when all I wanted to do was read Goodreads reviewer Emotional heart wrenching and totally addictive Goodreads reviewer Fantastic book does not disappoint The story keeps you on the edge of your seat I couldn t put it down Goodreads reviewer I loved the first book so no surprise I loved the second Excellent difficult for me to put down Goodreads reviewer I was sad when I finished the book because I wanted more NetGalley reviewer Wow this is a breath taking book Goodreads reviewer Action packed Kept my interest throughout I did not want to put it down Goodreads reviewer This is historical fiction at its very best The story grips you from the very first pages Goodreads reviewer A MUST read stamperlady50 The Pilgrim Traveller Mary Elaine Friend,2014-01-24 This book is a collection of inspirational travel stories that span 17 years of travel by the author including human interest stories of people she met In a special section called Traveling Back in Time it

The American Wife Chrystyna Lucyk-Berger,2024-04-08 Outstanding I was hooked by this book and couldn't put it down Oh my goodness I loved this Goodreads reviewer 1938 Shattered fragments of glass snap under my feet as I tread quietly into what was my best friend's apartment Now as I frantically look around in horror I know that the worst has happened she has been taken by the Gestapo And I realise with certainty what I have to do next but will I be too late to save her From the moment the Nazis arrived in Vienna I knew everything would change especially for my closest friend Judith The very fact that she is Jewish means she is in danger but I hoped that she'd get her visa in time to leave the country That they wouldn't come for her But I was wrong And when Judith is taken by the Gestapo I realise I only have one choice save my dearest friend or betray the man I love Because I am a diplomat's wife I know I can steal the papers that will allow Judith to escape to safety It's the hardest choice I have ever had to make but I know I must be brave and do the right thing no matter what And besides I've started to wonder which side of the war my husband Edgar is really on Ever since I joined him in Europe I've watched him grow distant and secretive And as his behavior gets stranger and he pushes me even further away I begin to wonder how well do I know the man that lies beside me every night So as I creep into my husband's study in the dead of night I know in my heart I'm doing the right thing But will I be too late to save my best friend and if I get caught what will happen to me An absolutely heartbreaking powerful and gripping story about finding love resilience and friendship in the midst of the darkness of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife Fantastic Wonderful Superb I did not want to put this story down When my e reader battery wore down I stood by the charger and read Goodreads reviewer A truly unputdownable book The story kept getting better and better You will have a hard time putting this book down kayy_lambert INCREDIBLE Not to be missed I cannot wait for the next in this series Goodreads reviewer This book is sure to keep you on the edge of your seat right up till the end Goodreads reviewer I loved loved loved this story I look forward to reading the next installment Beautifully written Goodreads reviewer Achingly beautiful Fascinating Stunning It engrossed me to the point of ignoring my surroundings Goodreads reviewer Wow What a story I was on the edge of my seat thattravelinglibrarian Thrilling Kept me riveted to my sofa Goodreads reviewer Absolutely heartbreaking powerful and gripping Goodreads reviewer Fantastic I read this book in two days It was a treat from start to finish justineg_author Incredible Fascinating Wonderful I laughed a little and cried a lot Rachel Wesson I cannot wait for the next book to be published Highly recommend to every reader Goodreads reviewer Will keep readers in suspense until the very end Goodreads reviewer Easily one of my favorite reads this year Goodreads reviewer

The Life and Afterlife of Swedish Biograph Jan Olsson,2022-12-13 Sweden s early film industry was dominated by Swedish Biograph Svenska Biografteatern home to star directors like Victor Sj str m and Mauritz Stiller It is nostalgically remembered as the generative site of a nascent national artform encapsulating a quintessentially Nordic aesthetic the epicenter of Sweden s cinematic Golden Age In The Life and Afterlife of Swedish Biograph veteran film scholar Jan Olsson takes a hard look at this established romanticized narrative and offers a far more complete complex and nuanced story Nearly all of the studio s original negatives were destroyed in an explosion in 1941 but Olsson s comprehensive archival research shows how the company operated in a commercial international arena and how it was influenced not just by Nordic aesthetics or individual genius but also by foreign audiences expectations technological demands Hollywood innovations and the gritty back and forth between economic pressures government interference and artistic desires Olsson s focus is wide encompassing the studio s production practices business affairs and cinematographic conventions as well as the latter day archival efforts that both preserved and obscured parts of Swedish Biograph s story helping construct the company s rosy

legacy The result is a necessary rewrite to Swedish film historiography and a far fuller picture of a canonical film studio
