Now And In Time To Be Ireland The Irish:

The Irish Times Terence Brown, 2015-03-12 A fascinating new history of the Irish Times The Irish Times is a pillar of Irish society Founded in 1859 as the paper of the Irish Protestant Middle Class it now has a position in Irish political social and cultural life which is incomparable In fact this history of the Irish Times is also a history of the Irish people Always independent in ownership and political view and never entwined in any way with the Roman Catholic Church it has become the weather vane the barometer of Irish life and society followed by people of all religious and political persuasions and none The paper is politically liberal and progressive as well as being centre right on economic issues This history is peopled by all the great figures of Irish history Daniel O Connell W B Yeats Garret FitzGerald Conor Cruise O'Brien and the paper has numbered among its internationally renowned columnists Mary Holland Fintan O Toole Nuala O Faolain John Waters and Kevin Myers Its influence on Irish Society is beyond question In his book Terence Brown tells the story of the paper with narrative skill wit and perception Analysis of the stance of the Times during events ranging from The Easter Rising The Civil War the Troubles and the recent economic recession make the book essential reading for students of Irish history be they the general reader the academic or amateur historian The book will be seen as crucial to our understanding of Irish history in the past century and a half *Ireland and the Magdalene Laundries* Claire McGettrick, Katherine O'Donnell, Maeve

O'Rourke, James M. Smith, Mari Steed, 2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care **A Political History of the Two Irelands** B. Walker, 2012-01-17 This ground breaking political history of the two Irish States provides unique new insights into the Troubles and the peace
