Rave Culture An Insiders Overview:

Rave Culture Jimi Fritz,1999 *Rave Culture and Religion* Graham St John,2004-06 Vast numbers of western youth have attached primary significance to raving and post rave experiences This collection of essays explores the socio cultural and religious dimensions of the rave raving and rave derived phenomena

Victor Turner and Contemporary Cultural Performance Graham St. John,2008 In the twenty years following Victor Turner s death interventions on the interconnected performance modes of play drama and community dimensions of which Turner deemed the limen and experimental and analytical forays into the anthropologies of experience and consciousness have complemented and extended Turnerian readings on the moments and sites of culture s becoming Examining Turner s continued relevance in performance and popular culture pilgrimage and communitas as well as Edith Turner s role the contributors reflect on the wide application of Victor Turner s thought to cultural performance in the early twenty first century and explore how Turner s ideas have been re engaged renovated and repurposed in studies of contemporary cultural performance

The Routledge Companion to Religion and Popular Culture John C. Lyden,Eric Michael Mazur,2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work

Call Me the Seeker Michael J. Gilmour,2005-06-24 One of very few books on religion and popular music Covers a wide range of musical styles from heavy metal and rap to country jazz and Broadway musicals The essays are written by academics and informed by their enthusiasm for the music Many books have explored the relationship between religion and film but few have yet examined the significance of religion to popular music Call Me The Seeker steps into that gap Michael Gilmour s introductory essay gives a state of the discipline overview of research in the area He argues that popular songs frequently draw from and interpret themes found in the conceptual and linguistic worlds of the major religions and reveal underlying attitudes in those who compose and consume them He says these texts deserve more serious study The essays in the book start an on going conversation in this area bringing a variety of methodologies to bear on selected artists and topics Musical styles covered range from heavy metal and rap to country jazz and Broadway musicals

Youth Cultures in America Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence

although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems

What Matters? Courtney Bender, Ann Taves, 2012 This collection of essays examines religious secular and spiritual distinctions in society

The History of MDMA Torsten Passie, Udo Benzenhöfer, 2023 The history of MDMA starts as a story of rivalry between pharmaceutical companies looking to circumvent a patent for the synthesis of medically significant substances at the beginning of the 20th century However to begin we will take a closer look at two claims repeatedly made about the earliest history of MDMA

Sacred Matters Associate Professor of American Religious History and Culture Gary Laderman, Gary Laderman, 2011-02 Widely praised in hardcover as a fascinating and important addition to religious and cultural studies Sacred Matters reveals the remarkable ways that religious practices permeate American cultural life In a country where references to God are as normal as proclaiming love of country support for the military or security for the nation's children religion scholar Gary Laderman casts his eye over our deeply hidden spiritual landscape questioning whether our conventional views even begin to capture the rich and strange diversity of religious life in America A compelling read Sacred Matters shows that genuinely religious practices and experiences can be found in the unlikelyst of places in science laboratories and movie theaters at the Super Bowl and Star Trek conventions and in Americans' obsession with prescription drugs and pornography When devoted fans make a pilgrimage to Graceland because of their love for Elvis Laderman argues their behavior doesn't just seem religious it is religious enacting a well known ritual pattern toward saints in the history of Christianity In a dramatic reframing of what is holy and secular Sacred Matters makes a powerful and illuminating case that religion is everywhere and that we have barely begun to reckon with its hold on our cultural life

Breaking the Silos Ofra Walter, Phil Fitzsimmons, Jonathan Kasler, Surekha Routray, 2024-08-20 This book offers a new look at well being from a multidisciplinary standpoint Research from industry clearly indicates that factors such as creativity critical awareness well being interdisciplinary understanding of positive psychology and the ability to form strong relationships will determine the viability of organizations as collectively we enter the second half of the twenty first century Thus a sound understanding of how these facets become melded into entrepreneurship the workplace environment and creative innovation is a requirement for individuals in the workplace With a dearth of information about these facets as individual components and as a collective whole this book draws these elements of overall well being into a multidisciplinary

focus Thus with chapters covering diverse fields such as philosophy education economics mathematics and medicine the book offers a fresh approach to how positive psychology impacts entrepreneurship *Circulation and the City* Will

Straw,Alexandra Boutros,2010 How does movement affect the metropolis *Dance Music Spaces* Danielle Antoinette Hidalgo,2022-01-31 Dance Music Spaces examines the production of physical and digital spaces in dance music and how the players clubs clubbers and DJs use authenticity branding and commercialism to navigate them An in depth study into three women DJs The Blessed Madonna Honey Dijon and Peggy Gou reveals a new concept authenticity maneuvering In it Danielle Hidalgo exposes how the strategic use of a rave ethos both bolsters acceptance in dance music spaces and hides often problematic commercial practices This timely thoughtful and deeply personal book presents a compelling analysis of the complicated interplay between dancing bodies digital practices and spatial offerings in contemporary dance music **The**

Consciousness Etzel Cardeña,Michael J. Winkelman,2011-05-18 This authoritative multidisciplinary overview of altered states of consciousness ASC shows how their study is necessary to gain a fundamental understanding of human culture history and biology Altered consciousness is one of humanity s most mystical and life altering aspects These remarkable changes in mental state have understandably been a topic of general interest and scientific inquiry across time Beyond

simply satisfying our curiosity however studies focused upon altered consciousness can also bring valuable insights into our experience biology and culture This unprecedented two volume set will intrigue anyone interested in psychology biology and neurology science history arts and the humanities and literature on consciousness from general readers to scholars and researchers An impressive collection of international contributors address altered states of consciousness from the perspectives of history evolution psychology culture literature human biology contemporary science and society seeking to illuminate the causes effects and meanings of altered consciousness The first volume provides an introduction and centers on the importance of altered states in history culture and the humanities while the second volume presents biological and psychological perspectives on altered consciousness and examines their potential for healing and pathology **Fight, Flight, or Chill** Brian Wilson, 2006-03-23 **Fight Flight or Chill** explores the extent to which raver youths experiences are constrained or determined by individualistic high tech mass mediated Western culture in which alienated and unfulfilled youth are apparently more at risk for escapist and thrill seeking behaviours Wilson considers how raver youth creatively and proactively subvert these constraints in novel and empowering ways from political activism to symbolic and stylistic expressions of resistance to community building efforts He also discusses the globalization and political economy of rave and youth culture and examines the ideologies that underlie simple solutions to the complex concerns over young people today

Unlocking the Groove Mark Jonathan Butler, 2006 The first music driven analysis of electronic dance music Youth, Drugs, and Nightlife Geoffrey Hunt, Molly Moloney, Kristin Evans, 2010-01-21 Youth Drugs and Night Life examines the relationships between the electronic dance scene and drug use for young ravers and clubbers today Based on over 300 interviews with ravers DJ s and promoters Hunt Moloney and Evans examine the different social groupings that make up the scene The authors explore the accomplishment of gender sexuality and Asian American ethnic identity and critically analyze the negotiation of risk and pleasure within the world of raves and dance clubs We learn about young ravers and clubbers frustrations with recent attempts to control clubs and raves and their skepticism about official pronouncements on the dangers of ecstasy and other drugs in this book that pivots between the local the national and the global in its approach

Dance, Drugs and Escape Stan Beeler, 2007-06-05 In the late 1980s the rave phenomenon swept the youth culture of the United Kingdom incorporating the generations two newest social stimulants modern electronic dance music and a notorious designer drug known as Ecstasy Although the movement began in rebellion against mainstream culture its underground dynamism soon attracted the interest of novelists screenwriters and filmmakers who attempted to reflect the phenomenon in their works Through artistic and commercial popularization the once obscure subculture was transformed into a pop culture behemoth with powerful links to the entertainment industry This study deals with the transformative effects of film television and literature on club culture Chapters furthermore reflect club culture s own effect on crime ethnicity sexuality and drug use As the study traces artistic depictions of club culture s development each chapter focuses on

individual books films and television shows that reflect the transformation of the club culture into what it is today

Restless David J. Gillard, 2022-01-06 Why do many popular songs positively reference God if our culture is widely viewed as secular Why is it a challenge to tell the Christian story when many say they are spiritual and believe in God Why do we draw so much meaning from the popular songs we listen to And might a deeper understanding of popular music culture help us to explore the bigger stories we listen to throughout our lives such as the Christian story Primarily using Zygmunt Bauman's understanding of liquid modernity we look at the social forces that shape Western society and consider why while many are looking for authentic ontologically based stories to understand their life experiences historic providers of the big stories that shape our lives such as the church favor a different epistemological way of telling them How do these different approaches to storytelling affect their reception and what insight might we draw from that Whilst this book is written primarily with those in Christian ministry in mind it will be of interest too to those who use music to explore life experiences through their work who are interested in the social forces that shape society or who simply enjoy listening to popular music **Contemporary Popular Music Studies** Marija Dumnić Vilotijević, Ivana Medić, 2019-02-20 This is the second volume in the series that documents the 19th edition of the biennial conference of the International Association for the Study of Popular Music The volume contains contributions on the variety of musical genres from all over the world Authors engage with the role of popular music in contemporary music education as well as definitions and conceptualizations of the notion of popular in different contexts Other issues discussed in this volume include methodologies the structure and interpretations of popular music scenes genres and repertoires approaches to education in this area popular music studies outside the Anglophone world as well as examinations of discursive and technological aspects of numerous popular music phenomena
