**Fabric of Life - Textile Arts in Bhutan** Karin Altmann,2015-11-27 This extensive work dedicated to the unique textile art of Bhutan is an impressive illustration of how closely art spirituality and life are interwoven in the last of the Buddhist kingdoms in the Himalayas It gives new insight into Bhutanese cosmology worldview culture and society which is associated with a variety of historical philosophical religious social and artistic perspectives The remote mountain location low key foreign policy and basic principles of Buddhism has made it possible for Bhutan the last of the Buddhist kingdoms in the Himalayas to preserve a remarkable form of textile art that is interwoven with all aspects of life Karin Altmann shows us Bhutan textiles in their diversity they are clothes and everyday objects currency and commodity mark important events as gifts during life and are testament to the social status of a person But they are also an integral aspect of religious festivals dances and rituals that provide insight into the mystical and religious beliefs of the Bhutanese people and reflect the concept of gender in Bhutanese society The book also tells the story of a country that is searching for a sensitive balance between tradition and progress in a globalized world

**China's India War** Bertil Lintner,2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru s hostile policies was put forth by journalist Neville Maxwell in his book India s China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell s narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell s book Bertil Lintner s China s India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today

to stamp it out before anyone else dies When Lis is summoned for the Choosing of the Hidden Princess she soon discovers not all magics are the same Some seek revenge for a war that ended a lifetime ago amidst whispers and visions of a different future for Rei Een But who can she trust The Empire s greatest hunter is never far from her side and what will he do if he discovers the truth Everyone thinks Lis can help them in some way but all she wants is to return to her little island home If she remains in the heart of the Empire of Rei Een there is far more at risk than her life The Hidden Princess is the first in a sword and sorcery fantasy series set amongst the palaces and high stone walls of the Empire of Rei Een **The Red Wolves** Georgina Makalani,2016-05-07 Iski Flare left Muteguard with the hope of adventure but so far it hasn t been quite as he expected Haunted by his lost love he heads deep into the forest chasing rumours of tall trees and giant wolves Instead he finds a woman in red and a village hidden deep amongst the trees It doesn t take long to discover that not all is as it seems and the Reds are keeping secrets not only from him but from some of their own And one destined to save them all may just be tearing the pack apart There is more hidden in trees than Iski is prepared for And there may be more than their way of life in danger **The Beast** Georgina Makalani,2018-12-24 Iski Flare s power might overwhelm him but he has a plan One to keep the only precious thing he has safe and he is sure that his new found magic will help that happen The harder he tries to protect Flare the more distance grows between them and the more danger he puts her in The safe place he finds may not offer the protection he hopes If Iski can t be rescued from himself he might lose more than he knew he had **The Pyre King** Georgina Makalani,2023-02-28 Family isn t always what you think it is Twins learn what they are to each other siblings learn what they are not and a mother is replaced by another Connecting them all are the flames that wove through Burasal so long ago Now new flames are burning across the kingdom revealing secrets and magic long thought lost *The Changeling* Georgina Makalani,2022-02 Reminded of what they have lost Iski and Flare search the forests with desperation and the help of old friends As the faeries work against them and they learn just how much they have sacrificed for the forest darkness works its way through the trees They are not the only ones searching for what is lost and the faeries bicker amongst themselves in fear of the shadows Can they find what they seek before the shadows do and the magic of the forest is lost Hidden Promises Georgina Makalani,2019-09-14 Amidst magic and prophecy lie secrets and hidden promises An uneasiness has grown between the hidden princess and her crown prince after his discovery of her secret She doesn t think he can forgive her and he is sure he can t trust her They soon discover they share far more than the interests of the Empire and working together might be the only way forward But there are more enemies working against them than they imagined The little secrets they keep from each other might do far more harm than either of them considered Not just to each other but to the whole Empire of Rei Een Can they come together to fight the magics of Rei Een or will the divide between them be too great to cross Hidden Promises is the exciting continuation of the Hidden Princess story full of magic and secrets lies and promises Reflections Georgina Makalani,2017-12-24 A maligned princess a magic mirror and seven little warriors In an

attempt to assist a new queen with a bandit problem Iski and Flare become separated again As Flare wonders what she should be doing Iski struggles to focus on the task at hand A princess seeks the assistance of her father s warriors but the new queen has banished them and even if she manages to find them they may not be able to help The quest is not what Iski expected but then it rarely is Can he find some focus before more than the quest is lost      **Circus of Wonders** Georgina Makalani,2020-06-28 Everyone loves the circus The swinging monkeys the strange birds and of course the mermaid Life is what Iski always dreamed it could be with the woman he loves and the quiet life between the trees But something is missing he just can t put a finger to what that is Amidst strange attractions and an even stranger ringmaster Iski Flare finds those in need of help As a familiar face appears in the audience one they never thought to see again they might need some help of their own Will they discover what they have lost or become the next attraction at the Circus of Wonder      *The Tree Maiden* Georgina Makalani,2017-06-16 The Faeries have lost a maiden and they believe Iski is the only one to find her For the first time the Faeries have come to Iski Flare for help The Tree Maiden is missing and they cannot reach her But he isn t enthusiastic to head out on this adventure as the Faeries rarely tell him what he needs to know But feeling lost and alone Iski is ready for the distraction As he searches for the girl he discovers more lies than truths And he might be too distracted to be of any real assistance to anyone If he does manage to find The Tree Maiden will he have the skills the Faeries believe he has to save her
