Raymond Radiguet:

Raymond Radiguet James P. McNab, 1984 Literary analysis of French novelist and poet Raymond Radiguet **Œuvres Complètes de Raymond Radiguet, Etc. [With Portraits.]** Raymond RADIGUET, 1952 **Cheeks on Fire** Raymond Radiguet, 2018-01-01 Shortly before his death at the age of twenty the young literary sensation Raymond Radiguet compiled a volume of his poetry composed between the ages of fourteen and eighteen Presented here this prodigious oeuvre is notable as much for its homage to classical style as it is for its risqué and even licentious undertones it is by Radiguet's own admission an interpretation of the birth of Venus a depiction of the awakening of the senses Based on the authoritative 1925 text this dual language edition also contains Radiguet's foreword to the collection providing an invaluable insight into the history and interpretation of the works *Manuscript reproductions of the writings of Raymond Radiguet* Raymond Radiguet, 1925 **Devil in the Flesh** Raymond Radiguet, 1971 Raymond Radiguet Margaret Crosland, 1976 Biografie van de Franse auteur Raymond Radiguet 1903-1923 die zeer bevriend was met Jean Cocteau De biografie bevat een Engelstalige selectie uit zijn werk **Paul Et Virginie [par] Jean Cocteau [et] Raymond Radiguet** Jean Cocteau, Raymond Radiguet, 1973 *The Devil in the Flesh* Raymond Radiguet, 2012-03-27 Hailed by Jean Cocteau as a masterpiece and by the Guardian as Bret Easton Ellis's *Less Than Zero* avant la lettre this taut tale written by a teenager in the form of a frank confession is a gem of early twentieth century romanticism Long unavailable in the U.S. it is here presented in a sparkling new translation Set in Paris during the First World War it tells the story of François the 16 year old narrator who falls in love with Marthe an older married woman whose husband is off fighting at the front What seems to begin as a charming tale of puppy love quickly darkens and they launch into a steamy affair In the tense environment of the wartime city their love takes on a desperation transcending their youthfulness And as the badly kept secret of their relationship unfolds scandal descends leading the story to a final startling conclusion and causing the book itself to become a scandal when it was first published in 1923 just before the author's death at the age of 20 Who's who in Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2002 500 entries from more than 100 contributors profiling gay and lesbians throughout history ranging from Sappho to André Gide most entries are accompanied by a bibliography **The Composer As Intellectual** Jane F. Fulcher, 2005-08-25 In *The Composer as Intellectual* musicologist Jane Fulcher reveals the extent to which leading French composers between the World Wars were not only aware of but also engaged intellectually and creatively with the central political and ideological issues of the period Employing recent sociological and historical insights she demonstrates the extent to which composers particularly those in Paris since the Dreyfus Affair considered themselves and were considered to be intellectuals and interacted closely with intellectuals in other fields Their consciousness raised by the First World War and the xenophobic nationalism of official culture some joined parties or movements allying themselves with and propagating different sets of cultural and political social goals Fulcher shows how these composers furthered their

ideals through the specific language and means of their art rejecting the dominant cultural exclusions or constraints of conservative postwar institutions and creatively translating their cultural values into terms of form and style This was not only the case with Debussy in wartime but with Ravel in the twenties when he became a socialist and unequivocally refused to espouse a narrow exclusionary nationalism It was also the case with the group called Les Six who responded culturally in the twenties and then politically in the thirties when most of them supported the programs of the Popular Front Others could not be enthusiastic about the latter and largely excluded from official culture sought out more compatible movements or returned to the Catholic Church Like many French Catholics they faced the crisis of Catholicism in the thirties when the church not only supported Franco but Mussolini's imperialistic aggression in Ethiopia While Poulenc embraced traditional Catholicism Messiaen turned to more progressive Catholic movements that embraced modern art and insisted that religion must cross national and racial boundaries Fulcher demonstrates how closely music had become a field of clashing ideologies in this period She shows also how certain French composers responded and how their responses influenced specific aspects of their professional and stylistic development She thus argues that from this perspective we can not only better understand specific aspects of the stylistic evolution of these composers but also perceive the role that their art played in the ideological battles and in heightening cultural political awareness of their time

Raymond Radiguet Monique Nemer, 2002 Le moins que l'on puisse dire c'est que Raymond Radiguet 1903 1923 n'est pas n'avec une cuiller en argent dans la bouche et qu'il n'a guère profité de la notoriété attachée au Diable au corps l'un des romans français les plus dérangeants du premier XXe siècle Ni qu'il ait été facile cet adolescent à neuf sept enfants venu de la banlieue Est de la capitale de s'imposer seize ou dix sept ans parmi les crivains peintres ou musiciens de la nouvelle génération apparus à la faveur de la Première Guerre Il est pourtant devenu le familier de Cocteau de Max Jacob le commensal de Jean Hugo Poulenc Auric Milhaud Satie Il a séduit Aragon Breton Picabia Picasso Man Ray et tant d'autres avant d'être lancé par Grasset avec un fracas dont les choses ne sont pas encore tout fait estompées aujourd'hui Mais les embûches dont il a triomphé et sa mort infiniment pathétique vingt ans de la typhoïde ne font pas de Radiguet un auteur dont la destinée attirerait le regard plus que l'œuvre Il suffit de le lire de le suivre dans sa correspondance et dans les Mémoires des

contemporains il y a chez ce jeune homme une densité, une fureur de vivre, une précocité et une maturité de talent éblouissantes. *Le Diable au corps* et *Le Bal du comte d'Orgel* sont des livres novateurs qui portent une charge subversive dont on n'a guère conscience de nos jours. Quant aux voies empruntées par ce jeune homme pour se construire, elles forcent le respect ou bien font sourire, mais elles révèlent un tempérament peu ordinaire. Non, Raymond Radiguet n'est pas la création de Cocteau ni celle de Bernard Grasset. N'a-t-il pas au bout du compte joué aussi son propre jeu ? À l'approche du centenaire de sa naissance, Monique Nemer lui consacre une biographie définitive à l'aide de nombreux documents inédits avec une science aussi sûre que subtile des réseaux intellectuels et artistiques. Paris autour de 1920. Elle dévoile un Radiguet inconnu, combien plus vigoureux que l'image connue d'enfant prodige, enfant roi que ses amis ont peut-être par frivolité donné de lui. *Enfants Terribles* Susan Weiner, 2001. Weiner highlights the new importance of youth as a social category of identity in the context of the postwar explosion of the mass media and explores the ways in which girls both defined and disrupted this category. Derek Jarman and Lyric Film Steven Dillon, 2004-04-01. Derek Jarman was the most important independent filmmaker in England during the 1980s. Using emblems and symbols in associative contexts rather than conventional cause and effect narrative, he created films noteworthy for their lyricism and poetic feeling and for their exploration of the gay experience. His style of filmmaking also links Jarman with other prominent directors of lyric film including Pier Paolo Pasolini, Andrei Tarkovsky, Jean Cocteau and Jean Genet. This pathfinding book places Derek Jarman in the tradition of lyric film and offers incisive readings of all eleven of his feature length films from *Sebastiane* to *Blue*. Steven Dillon looks at Jarman and other directors working in a similar vein to establish how lyric films are composed through the use of visual imagery and actual poetry. He then traces Jarman's use of imagery, notably mirrors and the sea in his films, and discusses in detail the relationship between cinematic representations and sexual identity. This insightful reading of Jarman's work helps us better understand how films such as *The Last of England* and *The Garden* can be said to cohere and mean without being reduced to clear messages. Above all, Dillon's book reveals how truly beautiful and brilliant Jarman's movies are. *An Apology for Pictures* Detlev Gohrbandt, 2024-11-25. Illustrierte Bücher sind für viele Kinder der Einstieg ins eigene Lesen, nachdem Oma oder Papa ihnen vorgelesen und ihren Leseappetit geweckt haben. Mit etwas Glück werden sie bald eifrige Sprachgewandte und weltoffene Leser:innen. Die Bilder in einem gedruckten Text erleichtern den Zugang zu den sperrigen Buchstabenfolgen, indem sie ein Vorverständnis bereitstellen. Das gilt auch für erwachsene Leser:innen, denen das Lesen durch Illustrationen auf diese Weise attraktiv und gelingend wird, dass es bald zu ihrem Alltag gehört. So haben viele Menschen in der Zeit zwischen den Weltkriegen in Frankreich, Deutschland und Großbritannien immer häufiger zu den in großer Zahl angebotenen preiswerten Büchern mit Holzschnitten gegriffen und sind selbst zu Leser:innen und Sammler:innen geworden. Die vergleichende Untersuchung dieser illustrierten Erzähltexte zeigt, wie verschieden die Entwicklung in den drei Ländern war und bietet eine systematische Einführung in die verschiedenen Illustrationsformen und ihre Wechselwirkungen mit den Texten. **La**
