Bernard McGuirk, Richard Cardwell

Rayuela Hopscotch:

Hopscotch Julio Cortázar, 2014-08-05 Cortázar's masterpiece The first great novel of Spanish America The Times Literary Supplement Winner of the National Book Award for Translation in 1967 translated by Gregory Rabassa Horacio Oliveira is an Argentinian writer who lives in Paris with his mistress La Maga surrounded by a loose knit circle of bohemian friends who call themselves the Club A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics and prompt Oliveira to return to Buenos Aires where he works by turns as a salesman a keeper of a circus cat which can truly count and an attendant in an insane asylum Hopscotch is the dazzling freewheeling account of Oliveira's astonishing adventures

Reading and Writing the Ambiente Susana Chávez-Silverman, Librada Hernández, 2000 In this dynamic collection of essays many leading literary scholars trace gay and lesbian themes in Latin American Hispanic and U S Latino literary and cultural texts Reading and Writing the Ambiente is consciously ambitious and far ranging historically as well as geographically It includes discussions of texts from as early as the seventeenth century to writings of the late twentieth century Reading and Writing the Ambiente also underscores the ways in which lesbian and gay self representation in Hispanic texts differs from representations in Anglo American texts The contributors demonstrate that unlike the emphasis on the individual in Anglo American sexual identity Latino Spanish and Latin American sexual identity is produced in the surrounding culture and community in the ambiente As one of the first collections of its kind Reading and Writing the Ambiente is expressive of the next wave of gay Hispanic and Latin scholarship

Modernismo, Modernity and the Development of Spanish American Literature Cathy L. Jade, 2010-01-01 A CHOICE Outstanding Academic Book

Modernismo arose in Spanish American literature as a confrontation with and a response to modernizing forces that were transforming Spanish American society in the later nineteenth century In this book Cathy L Jade undertakes a full exploration of the modernista project and shows how it provided a foundation for trends and movements that have continued to shape literary production in Spanish America throughout the twentieth century Jade opens with a systematic consideration of the development of modernismo and then proceeds with detailed analyses of works poetry narrative and essays that typified and altered the movement's course In this way she situates the writing of key authors such as Rubén Darío José Martí and Leopoldo Lugones within the overall modernista project and traces modernismo's influence on subsequent generations of writers Jade's analysis reclaims the power of the visionary stance taken by these creative intellectuals She firmly abolishes any lingering tendency to associate modernismo with affectation and effete elegance revealing instead how the modernistas' new literary language expressed their profound political and epistemological concerns

Zickzack William Firebrace, 2022-10-04 Zigzagging through six locations on the edges of the German speaking world exploring them through politics architecture literature film art music food and history Zickzack is the German word for zigzag hopping around moving back and forth never following a straight line avoiding the monotony of one thing following another Zickzack is

William Firebrace's zigzagging exploration of six places on the edges of the German speaking world Deploying essays narration conversations descriptions and lists Firebrace celebrates locations on defined and undefined borders where cultures languages and histories mix In his nonlinear wandering he touches on ethnicity topography history film literature myth languages and gastronomy These locales are not the famous cities of Berlin Vienna and Zurich but areas that straddle countries geographies and influences Two are within Germany itself one lies on and over the border with Poland and three were once within the loose German cultural zone but now belong to other countries Firebrace explores Strasbourg capital of Alsace and part of a long running territorial dispute between France and Germany K nigsberg which spent some of the twentieth century as Kaliningrad and G rlitz and Zgorzelec twin cities on either side of a river He plays hopscotch with churches in Backstein and takes a train trip past cities with double names Sterzing Vipiteno Brixen Bressanone Klausen Chiusa signs of the double culture where everything happens twice but in a slightly different way In the zigzags of the German speaking world the original culture sometimes survives sometimes is deliberately destroyed sometimes merges with other cultures and often if submerged resurfaces in a different form

A Common Place Julie Jones,1998 The issues raised in this study are pertinent to contemporary fiction in general important here are theories of representation of place of metafiction and parody and questions involving postcolonial urban travel and postmodern literature

Rayuela Julio Cortázar,1988

The Hand of the Interpreter G. F. Mitrano,Eric Jarosinski,2009 This collection of essays by scholars and artists of different disciplines and from different countries is designed to navigate the labyrinth of contemporary aesthetic ideologies with the aim of reassessing how we read both the way in which texts touch us and we them Theory has transformed texts into mute interlocutors exposed to infinite indeterminacy While the response to this sense of silence that undermines meaning is often informed by a nostalgia for older notions of close reading the essays in this volume work towards a re evaluation of key subjects such as reader writer and text The contributors engage with topics such as digital books popular culture alternative ways of book making visual verbal collaborations and thematic explorations of the hand in literature

Understanding Julio Cortázar Peter Standish,2001 This text recounts the varied literary achievements of one of Latin America's most acclaimed and prolific 20th century writers Structuring his assessment around metaphors drawn from boxing the author considers Cortazar's plays stories novels political essays and poetry

Postmodernist Fiction Brian McHale,2003-09-02 In this trenchant and lively study Brian McHale undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as North American metafiction Latin American magic realism the French New New Novel concrete prose and science fiction Considering a variety of theoretical approaches including those of Ingarden Eco Dolezel Pavel and Hrushovski McHale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live Exploiting various theoretical approaches to literary ontology those of Ingarden Eco Dolezel Pavel Hrushovski and others and

ranging widely over contemporary world literature McHale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking **The A to Z of Postmodernist Literature and Theater** Fran

Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self-reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book **The A to Z of Postmodernist Literature and Theater** examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross-referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty-first century operates **A New Philosophy of Opera** Yuval Sharon, 2024-09-03 Sharon challenges the status quo

and proposes radical new ways to present operas new and old Expect insight originality and some contentious views that will stimulate debate Richard Fairman Financial Times Best Books of 2024 From the most imaginative director in the US New York Times comes this generational work with a vision for transforming opera into a powerhouse cultural phenomenon This book builds a compelling roadmap for the future of opera and how it can truly be accessible for everyone Gustavo Dudamel Known as opera's disrupter in residence director Yuval Sharon has never adhered to the art form's conventions In his many productions in both the United States and Europe he constantly challenges the perception of opera as aloof by urging among other things performing operas in non-places such as parking lots encouraging the use of amplification and shuffling the traditional structure of classic works like performing Puccini's *La bohème* in reverse order ending not with the tubercular heroine Mimi's death but with her first falling in love With **A New Philosophy of Opera** Sharon has crafted a radical and refreshing book that can act as an introduction to the art form for the culturally curious or as a manifesto for his fellow artists In an engaging style that ranges from the provocative to the personal Sharon offers a 360-degree view of the art form from the audience experience to the artist's process from its socially conscious potential to its economic reality and from its practical to its emotional and spiritual dimensions Surveying the role of opera in the United States and drawing on his experiences from Berlin to Los Angeles Sharon lays out his vision for an anti-elite opera that celebrates the imagination and

challenges the status quo With an illustrated and unconventional history of the art form not following a straight line but tracing a fantastical time curve weaving throughout the book Sharon resists the notion of the opera as dying and instead portrays it as a glorious chaos constantly being reborn and reshaped With its advocacy of opera as an enchanted space and its revolutionary message *A New Philosophy of Opera* is itself a work of art a living book with profound philosophical implications that will stand the test of time

The Drowned Muse Anne-Gaëlle Saliot, 2015 *The Drowned Muse* is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl's face entitled *L'Inconnue de la Seine* the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called *The Mona Lisa of Suicide* has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask's metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age
