Rosenstone, 2020-03-31 In *Revisioning History* thirteen historians from around the world look at the historical film on its own terms not as it compares to written history but as a unique way of recounting the past How does film construct a historical world What are the rules codes and strategies by which it brings the past to life What does that historical construction mean to us In grappling with these questions each contributor looks at an example of New History cinema Different from Hollywood costume dramas or documentary films these films are serious efforts to come to grips with

A Re-Visioning of Love Ana Mozol, 2019-06-10 In A Re Visioning of Love Dark Feminine Rising Ana Mozol parts the illusory veils of persona as she explores the reality of feminine experiences relating to love trauma and sexuality in contemporary Western society Mozol takes us on a personal journey through the three levels of experience delving into the underworld and the trauma of rape the middle world and the illusions of romantic love and the upper world and the masculine spiritual ideals that fracture the feminine soul In this multidisciplinary examination of the feminine Mozol seeks to understand violence against women intrapsychically interpersonally and within the field of depth psychology The book begins with Mozol's own experiences with violence and her exploration of the demon lover complex and the stages of breaking this complex after trauma Combining personal testimony theoretical reflections historical analysis and 20 years of clinical experience Mozol uses a heuristic approach to explore personal stories clinical material dreams and depth analysis as they connect to the female individuation process We follow Mozol's journey through the middle world and the illusions of romantic love into the upper world and the complexity of Oscar Wilde's feminine character Salome who represents the rising dark feminine energy that must be reckoned with for the possibility of love to exist Accessible yet powerful Mozol uses her personal story to place the oppression of women within the Jungian context of individuation A Re Visioning of Love Dark Feminine Rising will be key reading for academics and students of Jungian and post Jungian studies psychotherapy trauma studies gender studies women's studies and criminology It will also be an indispensable resource for Jungian psychotherapists and analytical psychologists in practice and in training A Re Visioning of Love however is more than a psychological exploration it is a memoir of the personal and archetypal feminine and as such will appeal to anyone interested in the story of many women today

Revisioning Gender Myra Marx Ferree, Judith Lorber, Beth B. Hess, 1999 This comprehensive handbook summarizes the state of gender studies by examining the crucial research of the past decade and by encouraging thinking about how the questions central to studying gender have themselves changed The book is an important step towards constructing a new analytical framework approach for the social sciences one that calls into question disciplinary boundaries The contributors illustrate how the use of gender by scholars in various and overlapping fields of study has helped alter concepts and research designs

Revisioning Writers' Talk Mary Ann Cain, 1995-03-09 Stressing the

social dimensions of composing this book inquires into the problems of interpreting and representing writers talk in both academic and self directed writing groups arguing for the value of such talk as a distinct mode of knowing that both complements and criticizes more traditional forms of inquiry Emphasizing the role of writers talk in shaping the text that they produce it discusses the problem of representing and interpreting writers talk in the context of composition studies using feminist theoretical perspectives to illuminate the difficulty in representing the writer as a knowing subject neither essentialist nor totally constructivist *Revisioning Writers Talk* also investigates the idea of the social in social constructivist theories of composing arguing that they maintain rather than demystify hierarchies of discourse and in turn the subjects and objects of composing Cain s own story of composing is told in the context of her educational experiences as a writer Finally the book discusses the constructions of power and authority by both academic and self directed writing groups

Revisioning the Earth Paul Devereux,1996-10-23 Devereux calls for an alteration of traditional perceptions of the world around us an ecopsychology that will reestablish harmony with the natural world His explorations of such ancient arts as feng shui herbal medicine vision questing and lucid dreaming heighten awareness of our place on the planet Photos line drawings ***Revisioning Italy*** Beverly Allen,Mary J. Russo,1997 More than any other nation Italy from its imperial past to its subordinate present from its colonial forays to its splendid isolation embodies the myriad and contradictory historical forms of nationhood This volume covers a range of subjects drawn from Italy and abroad to study Italian national identity Whether considering opera or Ninja Turtles the essays reveal how cultural identity is constructed and manipulated an issue made urgent by the influx of African Indochinese and Eastern European immigrants into Italy today Topics include exile nationalism and imagined communities Italy s colonial unconscious and Mussolini s adventures in North Africa

Revisioning Transpersonal Theory Jorge N. Ferrer,2002-01-01 A participatory alternative to the perennialism and experientialism dominant in transpersonal psychology ***Re:Vision*** Aubrey Malphurs,Gordon E. Penfold,2014-10-14 Pastors around the country continue to look for the program the book or the sermon series that will turn their plateaued or declining churches around But what if the answer to revitalizing the church was closer to home According to trusted church leadership expert Aubrey Malphurs and veteran pastor Gordon E Penfold it is They believe that pastors themselves are the key In a time when many pastors are jumping from church to church every two or three years as they search for the right fit where they can make a difference churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry In *Re Vision* Malphurs and Penfold take pastors through a process of discovery and self evaluation designed to help them re envision their role create a culture for positive change and recruit people to come alongside them as helpers and encouragers Multiple appendices offer self diagnostic tools and surveys to help pastors assess their strengths and weaknesses for more effective ministry *Revisioning Beckett* S. E. Gontarski,2018-05-31 *Revisioning Beckett* reassesses Beckett s career and literary output particularly his engagement with what might be called decadent modernism Gontarski

approaches Beckett from multiple viewpoints from his running afoul of the Irish Censorship of Publications Acts in the 1930s through the 1950s his preoccupations to find literature in the pornography or beneath the pornography his battles with the Lord Chamberlain in the mid 1950s over London stagings of his first two plays and his close professional and personal associations with publishers who celebrated the work of the demimonde Much of that term encompasses an opening to the fullness of human experience denied in previous centuries and much of that has been sexual or decadent As Gontarski shows the aesthetics that emerges from such early career encounters and associations continues to inform Beckett's work and develops into experimental modes that upend literary models and middle class values an aesthetics that furthermore has inspired any number of visual artists to re-vision Beckett *ReVisioning* James Romaine, Linda Stratford, 2014-05-20

Williams, 2000-01-01 The extraordinary range complexity and

power of Marguerite Duras novelist dramatist film maker essayist has been justly recognized Yet in the years following her death in 1996 there has been an increasing tendency to consecrate her work particularly by those critics who approach it primarily in biographical terms The British and American specialists featured in this interdisciplinary collection aim to resurrect the Duras corpus in all its forms by submitting it theoretically to three main areas of enquiry By establishing how far Duras's work questions and redefines the parameters of literary and cinematic form as well as the categories of race and

ethnicity homosexuality and heterosexuality fantasy and violence the contributors to this volume revision Duras s work in the widest sense of the term *Re Visioning Composition Textbooks* Xin Liu Gale,Fredric G.
