

A small blue boat is positioned in the lower right foreground, floating on a calm body of water. The water reflects the vibrant colors of the sunset sky, which is filled with soft, pink and purple clouds. In the background, a dark silhouette of a forested hill is visible on the left. A semi-transparent dark rectangular box is centered in the upper half of the image, containing a quote in white text. Below the quote, the name 'AC Anderson' is written in white on a small pink rectangular background. At the bottom center, there is a small circular logo with a stylized 'Q' and the word 'quotefancy' next to it.

Sometimes we have to dig a little deeper, to reach a little higher.

Within Arm's Reach Ann Napolitano, 2024-04-30 NATIONAL BESTSELLER The tender and perceptive debut novel from the New York Times bestselling author of Hello Beautiful about three generations of a large Catholic family jarred into crisis by an unexpected pregnancy This stunning exquisite skillfully written gem addresses serious issues e g guilt vs loyalty the past vs the present but remains hopeful and includes ample doses of humor and wit Library Journal starred review No one in

my mother's family ever talks about anything that can be categorized as unpleasant or as having to do with emotions. This spellbinding novel by bestselling author Ann Napolitano is a poignant reminder of how connected we are to those we love even when we cannot find the words to say it. The unforgettable story of three generations of an Irish American family. *Within Arm's Reach* is another rich and deeply satisfying novel from the author who captured the many dimensions of grief in *Dear Edward* and the unbreakable bonds of sisterhood in *Hello Beautiful*. *The Leading Edge* Holly Ransom, 2021-07-20. What does it mean to be a leader? What does true leadership look like in the 2020s when we're facing complexity and challenges in every direction from climate disaster to political division and inequality to consumer mistrust? And how can we be part of the solution while crafting a meaningful and satisfying career? The answers aren't simple, but Holly Ransom is closer to finding them than most. Barely into her thirties since chairing the G20 Youth Summit in 2014, Holly has been working with and learning from the heads of countries, companies, and charities to help them disrupt what they do and change the world for the better. In her fearless and widely researched manifesto, this innovative young thinker shows how it is within everyone's reach: everyone's ability and everyone's power to be an effective leader in business and beyond. Through three principles: mindset, method, and mastery, you'll discover how to first lead yourself, then others. And you'll benefit from the wisdom of the luminaries Holly has interviewed, from Susan Cain and Condoleezza Rice to Barack Obama and Malcolm Gladwell. This is the path to the leading edge and becoming the leader the world needs you to be.
