ARMAGEDDON IS APPROACHING Jimmie Chapman, 2017-10-10 This book reveals Bible prophecies that show us we are living near the end of time. Author Dr Jimmie Chapman says 'The signs are everywhere and we need to be observant. History proves that the ancient Bible prophecies concerning the nation of Israel and the coming of Christ were accurately fulfilled. We as Christians, the people of God, should not fail to recognize the signs that God is giving this generation. The generation that is alive right now could see the end of the world as we know it. The world is rapidly moving toward the one world government, the Beast, which both Daniel and John prophesied to rule the world in the last days. The Beast is here now and is in the advanced stages of its formation. Its military arsenal already exists in entities like the UN, the US, NATO, the EU, China, Russia, and others. The beastly government that will control all that military hardware is slowly and subtly taking form behind the scenes in what has been called The New World Order.'
