Reaching Your World For Christ:

Reaching Your World for Christ Andrew Murray, 1997-08-01 Christians are meant to walk in the same power that the early church did Through the Holy Spirit's power you can each reach many souls and win them to Christ In this insightful and penetrating book Andrew Murray shows how you can Obtain answers to intercession See God do the supernatural Bring revival to your church Be strong in faith Recapture your spiritual zeal Receive the Holy Spirit's power Regain the joy of the early church God is not willing that any perish but that all be saved He desires that all of us cooperate in His plan to evangelize the world As you do your part He will work mightily through you What is impossible with man is possible with God

REACHING YOUR WORLD WITH CHRIST ISIAAH MACWEALTH, Witnessing is the essence and purpose of the church The concept should hence be understood in its entirety Jesus gave the church this all important calling at His ascension because it is the heartbeat of the Father Sadly most people and churches have not fully understood it making the church ineffective in its fulfillment Witnessing is a lot more than preaching from street to street morning cries or even mega crusades Though these are very important in witnessing they are perhaps just a minute part of the process This book aims to enunciate the concept of witnessing as a process that requires the right consciousness attitude and sacrifice and the role of the church individuals and groups in effective witnessing Our Master Jesus Christ is coming back very soon Consequently we need to employ all necessary techniques and tactics to witness to this world for Him As you read this book I pray that God will birth in you a strong passion for souls and grant you understanding into this ultimate assignment of witnessing in Jesus Name Amen **Reaching Your World Participant Manual** Bill Bright, 1989 **Your Primary Purpose** Ted

Haggard, 2006 Free Sample Chapter What is your primary purpose What is God doing in your generation RECEIVING HEALING FROM GOD ISIAAH MACWEALTH, A LOT OF PEOPLE DESPITE their desire to be healed remain in sickness because they do not understand the causes of sickness and how to deal with them Others may have been able to avoid their present ailment if they had known what to permit or avoid in their lives And many more will be saved from the trap of sickness if they possess the required knowledge about sicknesses and diseases Therefore understanding the etiology of sickness is very important in dealing with sickness and disease In this book we will lay that foundation and also highlight the following The Causes of Sickness The Ways of healing What does the bible say about healing What makes God Heal What hinders healing How to receive healing **GOD WANTS YOU TO PROSPER** ISIAAH MACWEALTH, Do you want to prosper Do you want to enjoy financial prosperity Do you know that God can make you rich Do you want to know how The journey into financial prosperity begins with the understanding that God wants you to prosper The doubt many believers exhibit about the concept of prosperity can be traced to a lack of this foundational understanding This is why many believers wallow in poverty with the assumption that it may be God's will for them The focus of this book will therefore be to expose the origin and source of poverty God's original mind about your prosperity and how God prospers a man Also the way God

prosper a man is different from the way of the world an understanding of how God prospers a man is thus necessary to walk in the God kind of prosperity Therefore dedicate quality time to read and meditate on this book because it contains all around truth about financial prosperity WHY WE GO TO CHURCH ISAIAH MACWEALTH, Throughout the hundreds of years of the existence of the Church many in the Church have lost an understanding of her true identity purpose credibility integrity and God given authority This is in part because of several prevailing erroneous ideologies about the Church These ideologies have weakened the core fabrication and foundation the Church making her seem almost ineffective irrelevant and powerless in the world today Any church that has lost this foundational and relevant understanding cannot effectively fulfill its calling to reach the world It is therefore my desire in this book to awaken in you the understanding of the Church s position and authority in Christ Jesus and in the world by first exposing some of these erroneous ideologies and attempting to create an understanding of the true identity purpose position and authority of the Church THE CORONAVIRUS EFFECT ISAIAH MACWEALTH, The never seen coronavirus pandemic has brought every nation to its knees and seeks to further cause fear panic and great losses Many claim the virus was from an experiment others say it was planned by China while even propaganda in China says it is from the US Could this pandemic be a harbinger of worst things to come Could it be signaling the new era of chaos When will it end and can the world recover from its effect In September of 2019 I had a vision and in that vision I saw a pale horse and a rider The rider was pink in body and apparel the horse was also light pink in colour Then I heard The pale horse has been released which is the spirit of death and hell with a mission to bring mass death on the earth so that many may die before they come to the knowledge of Jesus Christ and thereby end up in hell I will elaborate more on this in the first chapter of this book Before this time based on my theology the four horses spoken about in Revelations chapter 6 are to ride after the rapture **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Concentric Circles of Concern Carolyn T. Ritzman, W. Oscar Thompson, 1999-09-01 In this stylish re-issue of W. Oscar Thompson's classic book on evangelism, Thompson shows Christians how to spread the love and good news of Christ by building and repairing personal relationships. Too often the only kind of evangelism encouraged is the preaching to strangers, anonymous crowds, and foreign countries. This book hits readers where they live, teaching them that the most effective way to witness is through a simple plan of meeting the needs of close family first, then friends, and then all others. Published posthumously, this book is a living testament of the brilliance of Oscar Thompson and his innovative method. It will be a perfect guide to lifestyle evangelism for church study groups, conferences, and the classroom.

WHY TRUMP'S 2ND TERM PROPHECY SEEMED TO FAIL ISAIAH MACWEALTH, As the race for the 2020 Presidential Election in the United States began to gather steam, the media and online space was flooded with numerous prophecies from ministers of God around the world about the outcome of the elections. With one voice, several renowned prophets pointed to Donald Trump as God's choice to win the race. However, as you read this book, you already know that against the predicted outcome, Joe Biden emerged victorious and Trump is no longer President of the United States of America. So what happened to the prophecies released by those ministers around the world? Did they really hear from God? What happened to their prediction? How did they miss the mark? As a seasoned prophet of God who myself have spoken severally from the LORD about the political landscape of the United States of America, I would like to share with you from the revelations of God the intricacies behind prophecy and the interplay between its interpretation and update that determines its outcome. We will be looking through this lens to dissect the prophecy of Trump's second term in office and helping you to understand where the prophecies were right and where they were wrong, and also to reveal what God's plan is for the United States.
