Stephen J. Lee

Reaction And Revolutions Russia 1881 1924:

Reaction and Revolutions Michael LYNCH, **Reaction & Revolutions** Michael Lynch, 2000 This second edition aims to provide both a narrative and an analysis of the background course and effects of the 1917 revolution in Russia Beginning with an examination of Tsardom the text describes the growth of revolutionary movements analyzes the failure of government to modernize Russia and concludes with a study and assessment of the impact of Bolshevism between 1917 and 1924 The book also incorporates the evidence relating to the Russian Revolution that has come to light since the collapse of the USSR in the early 1990s Features include study guides exercises advice on tackling differentiated exam questions points to consider and key issues and dates The text is designed for A AS level students and undergraduates **Russia and the USSR, 1855-1991** Stephen J. Lee, 2006 Russian history since 1855 has been marked by the rule of the Tsarist autocracy and Soviet communism This title examines both comparing their ideologies and their use of terror and repression to crush opposition to their rule Europe, 1890-1945 Stephen J. Lee, 2020-03-27 Europe 1890 1945 is a new approach to teaching and learning early twentieth century European history at A level It meets the needs of teachers and students studying for today s revised AS and A2 exams In a unique style Europe 1890 1945 focuses on the key topics within the period Each topic is then comprehensively explored to provide background information essay writing advice and examples source work and historical skills exercises From 1890 to 1945 the key topics featured include the origins and impact of the First World War the Russian Revolution and the rise of Stalin the Weimar Republic and the rise of Hitler Mussolini and Fascist Italy Stalin and the Soviet Union 1928 41 **Access to History: Reaction and Revolution: Russia 1894-1924 Third edition** Michael Lynch, 2005-05-27 The Access to History series is the most popular and trusted series for AS and A level history students The third edition of this best selling title provides both a narrative and analysis of the background course and effects of the 1917 revolution Beginning with an overview of Imperial Russia and the problems and challenges it faced it goes on to look at the growth of revolutionary movements which would eventually lead to the October Revolution It then examines how the Bolsheviks consolidated their power under Lenin Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips for each examination board provide the opportunity to develop exam skills History for the IB Diploma Paper 3 Imperial Russia, Revolution and the Establishment of the Soviet Union (1855-1924) Sally Waller, 2016-06-30 To support study of History for the IB Diploma Paper 3 revised for first assessment in 2017 This coursebook covers Paper 3 History of Europe Topic 12 in HL Option 4 of the syllabus for first assessment in 2017 Tailored to the Higher Level requirements of the IB syllabus and written by experienced IB History examiners and teachers it offers authoritative and engaging guidance through the topic **The Secret History of Soviet Russia's Police State** Martyn Whittock, 2020-07-23 Readable and thoughtful does an excellent job of exploring how the murderous political police

in all its incarnations defined the Soviet Union and left a poisonous legacy still with us today Professor Mark Galeotti author of *The Vory* and *A Short History of Russia* Repression control manipulation and elimination of enemies assisted in the establishment of the Soviet state and helped maintain it in power but could not in the end prevent its collapse Citizens of the West have for the most part been told a very simplified story of the repressive totalitarian state that was the USSR In fact it was sustained by more than just policing and force No amount of revisionist history can erase the reality of millions controlled imprisoned and killed but there was much more to the USSR s one party state than this Whittock tells a more complex story of the combination of cruelty co operation and compromise required to build and run a one party state Much of this is the story of the role played by the secret police in creating and sustaining such a form of government but it is much more than simply a history of the secret police This is because the police state which emerged in which dissent both real and imaginary was undoubtedly policed threatened and ruthlessly eliminated was more than just the product of the arrests interrogations executions and imprisonments carried out by the secret police The USSR was also made possible by a battle for hearts and minds which led millions of people to feel that they really had benefited from the system and had a stake in the new society

Mastering Twentieth-Century Russian History Norman Lowe,2020-08-29

Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history *Russia's Bitter Path to Modernity* Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia *The Fragile Empire* One of the key factors to Russia s distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia s Soviet development within Russia s own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former s mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states **World War I** Spencer C. Tucker, 2019-05-10 Offers detailed coverage of every country that played a significant role in World War I from key participants including France Germany Great Britain the Ottoman Empire and the United States to smaller nations such as Bulgaria Montenegro and New Zealand *World War I A Country by Country Guide* is a comprehensive reference exploring the role various nations played in this devastating conflict Each of the 22 country sections provides detailed background information the reasons behind the country s entry into the war a summary of its combat effort in the war a discussion of the home front experience and a description of the war s impact on that nation Illuminating sidebars offer an interesting war anecdote involving each country while essays survey each country s military branches and key military and political leaders Finally a timeline for each nation covers all of the important events involving that country during World War I In addition to the country coverage a battles section offers entries on 18 of World War I s most important engagements and a separate section on weapons and tactical changes is included The book also features dozens of maps and images throughout the text that serve as important visual

aids that help readers to understand all aspects of the conflict **Russia and Germany, 1871-1914** Sally Waller, Steve Waugh, Simon Peaple, 2009 Written to cover the AQA History A Level Unit 1 specification HIS1K our student book provides a focused look at key events in Russian and German history during 1871 1914 and enables students to gain a greater understanding of the period and evaluate the key issues **The First World War** Ian J. Cawood, David McKinnon-Bell, 2002-01-04 The First World War examines the outbreak events themselves and aftermath of the Great War and the political social and economic effects on the European countries involved Important themes explored include recruitment and propaganda women s involvement in the war protest and pacifism the links between the war and the revolutions in Russia and Germany **Mastering Modern European History** Stuart Miller, 2016-01-09 Mastering Modern European History traces the development of Europe from the French Revolution to the present day Political diplomatic and socio economic strands are woven together and supported by a wide range of pictures maps graphs and questions Documentary extracts are included throughout to encourage the reader to question the nature and value of various types of historical evidence The second edition brings us fully up to the present day Chapters on European Decolonisation Communist Europe 1985 9 and European Unity and Discord have been added and others have been substantially rewritten An even wider range of illustrations and documentary source questions are included The book is presented in a readable and well ordered format and is an ideal reference text for students Years of Russia, the USSR and the Collapse of Soviet Communism David Evans, Jane Jenkins, 2008 This title is a new edition of Years of Russia and the USSR which charts Russian history from the reign of Alexander II through to the eventual fall of communism and the break up of the Soviet Union It examines the political social and economic impact of Nicholas II s reign the First World War and the subsequent revolution It then goes on to look at Bolshevik and Stalinist Russia before going on to discuss Khrushchev s policy of de Stalinisation and the years of stagnation and reform **Supernormal** Gus Russo, 2008-12-12 This is investigative reporter Gus Russo s most explosive book yet the remarkable story of the Supernormal a cadre of men who over the course of decades secretly influenced nearly every aspect of American society Presenting startling revelations about such famous members as Jules Stein Joe Glaser Ronald Reagan Lew Wasserman and John Jacob Factor as well as infamous low profile members Russo pulls the lid off of a half century of criminal infiltration into American business politics and society At the heart of it all is Sidney The Fixer Korshak who from the 1940s until his death in the 1990s was not only the most powerful lawyer in the world according to the FBI but the enigmatic player behind countless twentieth century power mergers political deals and organized crime chicaneries Organization, Society and Politics K. Morrell, 2012-07-31 This thought provoking book will appeal to both specialists and newcomers to Aristotle Specialists will welcome the attention to original texts that underpin many of our ideas on politics business studies and other social sciences whilst newcomers will appreciate the lucid summaries and applications that make Aristotle fascinatingly accessible **The British National Bibliography** Arthur James Wells, 2005
