Corrupted Freedom Joe Wilmoth, 2013-02 Drawing upon a lifetime of experience as a highly successful businessman grounded in the powerful Judeo Christian principles he holds most dear the author's near death experience moved him to express his concerns for our nation He explains why your involvement combined with a Christian perspective is necessary for our return to a true republic under God with liberty justice and opportunity for all He identifies and addresses the major problems we face and suggests a course of action designed to return our country to the shining city on a hill that once it was Our nation has changed dramatically Some changes have been for the better but many have been appalling We are rapidly losing our freedoms and the opportunities for success that once existed in America Young people today have far less opportunity for success than did their parents and grandparents Continual interference by an all intrusive government in the lives of citizens and the growing rejection of our being one nation under God have seriously wounded our nation and threatened our very survival **Miscellaneous picture and story books for children, ed. by E.W. God's Masterpiece (Woman) Richard Dexter Russell, 2019-11-06 My book examines women s thoroughly and fairly by the word of God it is this fairness that makes the novel so riveting and thought provoking and so perfect for triggering discussions This is a great inspiring book of the creation of women by God in human form God could have taken anything to create the apple of his eye but he chose her That s why she is His Masterpiece of Creation if you want something to change your life this book will wake you up and think The author is true to his determination not to stack the deck for readers the ending is deliberately ambiguous with allegorical overtones leaving readers to decide what they want to believe I have done my research and know what you re looking for MY MANUSCRIPT is CHRISTIANS BASE genre of included comparison titles to give you a feeling of the book and show I know my target audience Dear readers and friends it was so wonderful to share this story of what God gave me to write about in the creation of woman in our life with you Many years ago I woke up one morning with a feeling that told me I should start putting the things about His Masterpiece of creation on paper I had no idea how to do it I just started by jotting down the main highlights of all the things based on my experience that happened in my life over the years Then I asked the Holy Spirit to inspire me as He inspired the people who wrote the Bible This is why this story I call God Masterpiece of creation woman It amazed me how i never knew how to write and especially something or someone to write until now Every day when I sat down in my lazy boy to write or laid in bed the words just flowed It was an amazing experience I know that this is not my doing it is the Lord s doing I know a few more stories will come as God continues to do His work Specifically this is why I think you the reader would like my novel I have taken time to carry out my research on what you seek or need to know I have also included comparison titles to give you a

feel of the book to prove that I know my target audience I am an interesting and a likable person judging by my character I want the readers to use the blank pages to take notes and tell me about each paragraph after each STORY I do not have any publishing credits but experience in the subjects presented in the manuscript included is a short biography I ll also let you know if I m working on something else to prove to you that I am not a one hit wonder But I won t pitch that novel here
