Read Me Or Else:

ReadMe Rainbow Dawn,Brother Moon,2020-08-02 Flash Fiction **Willing to Die** Joseph Sheridan Le Fanu, irst I must tell you how I intend to relate my story Having never before undertaken to write a long narrative I have considered and laid down a few rules which I shall observe Some of these are unquestionably good others I daresay offend against the canons of composition but I adopt them because they will enable me to tell my story better than with my imperfect experience better rules possibly would In the first place I shall represent the people with whom I had to deal quite fairly I have met some bad people some indifferent and some who at this distance of time seem to me like angels in the unchanging light of heaven My narrative shall be arranged in the order of the events I shall not recapitulate or anticipate What I have learned from others and did not witness that which I narrate in part from the hints of living witnesses and in part conjecturally I shall record in the historic third person and I shall write it down with as much confidence and particularity as if I had actually seen it in that respect imitating I believe all great historians modern and ancient But the scenes in which I have been an actor that which my eyes have seen and my ears heard I will relate accordingly If I can be clear and true my clumsiness and irregularity I hope will be forgiven me Out of the Fire Ariel Tachna,2009-12-17 Evan Nichols likes his nice quiet life in Boston An established and respected Dom in the BDSM scene he isn t looking for a sub a slave or a 24 7 relationship Then a phone call from his best friend and fellow Dom Rhys Calhoun shakes up his comfortable routine Rhys needs Evan s help to rehabilitate an abused sub a sub Rhys has fallen in love with Evan has misgivings but he could never say no to Rhys any more than Rhys would ever refuse to help him Before he knows it Evan finds himself at Rhys s home in Las Vegas with a sub who can barely stand to be in the same room with him and a Dom whose emotional involvement threatens his control Add in the sexual attraction that s always simmered between Evan and Rhys and it s a situation that has the potential to go very very wrong Determined to heal both Takoda and Rhys Evan doesn t realize how many assumptions about his own life will be called into question as he tries to help them find their way forward together *Malachi* Baron Brady,2008 In the Skid Row area of downtown Los Angeles Malachi has become the stuff of legend his influence for good or ill felt by not only the men and women who sleep on the streets but by the lawyers police officers and shopkeepers who spend their days there No one knows who Malachi is though some people think he may be responsible for the murder of an unidentified man But who is Malachi and what is it about him that could have left such an indelible impression on eight people who attempt to answer these questions and in so doing tell the story of a city a city imploding under the weight of its neuroses the neuroses of people with too many questions and not enough answers It s a nightmare world where all enemies are invisible and all friends suspect a world where death lurks around the corner and comes only when it s least expected But is it death that Malachi has in store for these people Or do their fates depend on each other *Aladdin; Or, The Wonderful Lamp* Adam Oehlenschläger,1863
