LITERACY ACQUISITION SOCIAL Egbert M. H. Assink, 2014-09-25. The role of social context in the various stages of learning to read and write is an important key to understanding literacy and is the chief organizing theme of this book. This work presents a comprehensive and up-to-date overview of the research and theoretical work in the field.

Crime Stories Todd Herzog, 2009-04-01. The Weimar Republic 1918-1933 was a crucial moment not only in German history but also in the history of both crime fiction and criminal science. This study approaches the period from a unique perspective, investigating the most notorious criminals of the time and the public's reaction to their crimes. The author argues that the development of a new type of crime fiction during this period, which turned literary tradition on its head by focusing on the criminal and abandoning faith in the powers of the rational detective, is intricately related to new ways of understanding criminality among professionals in the fields of law, criminology, and police science. Considering Weimar Germany not only as a culture in crisis, the standard view in both popular and scholarly studies, but also as a culture of crisis, the author explores the ways in which crime and crisis became the foundation of the Republic's self-definition. An interdisciplinary cultural studies project, this book insightfully combines history, sociology, literary studies, and film studies to investigate a topic that cuts across all of these disciplines.

Choosing and Using Fiction and Non-Fiction 3-11 Margaret Mallett, 2019-10-30. Choosing and Using Fiction and Non-Fiction 3-11 is a guide for primary teachers to the many kinds of texts children encounter, use, and enjoy in their nursery and primary school years, providing an invaluable insight into the literature available. Addressing important issues and allowing for the voices of teachers, reviewers, and children to be heard, it contains suggestions of best practice which offer a more creative approach to learning. Including both fiction and non-fiction with genres ranging from picturebooks to biographies, this fully updated second edition features new coverage on recent books, discussion of new changes in concepts of literacy, particularly focused on technological advances in moving image media and virtual worlds, the balance between print and screen-based texts on developing children's visual and multimodal literacy, annotated booklists for each genre for different age groups, new sections on equality, diversity, and translation, exploring fiction, non-fiction, and poetry. Choosing and Using Fiction and Non-Fiction 3-11 is an invaluable resource supporting teachers as they help children on their journey to becoming insightful and critical readers of non-fiction and sensitive and reflective readers of fiction.

Reading Digital Fiction Alice Bell, Astrid Ensslin, 2024-04-18. Reading Digital Fiction offers the first comprehensive and systematic theoretical, methodological, and analytical examination of digital fiction from a cognitive and empirical perspective. Proposing the new concept of medial reading, it argues for the centrality of an audience's interest in awareness of, and/or attention to, the medium in which a text is produced and received.

and which we argue should be applied to reader data across media The book analyses and theorises five generations of digital fiction and their reading including hypertext fiction hypermedia fiction narrative video games app fiction and virtual reality It showcases medium and platform specific methods of qualitative reader response research across a variety of contexts and settings from screen based and embodied interaction to gallery installation and from reading group and individual interview to think aloud methodologies The book thus addresses the unique affordances of digital fiction reading by designing and reporting on new empirical studies focusing on hypertextuality interactivity immersion as well as medium specific forms of textual you ontological ambiguity reader orientation and empathy In so doing the book refines critiques and expands cognitive transmedial and empirical narratology and stylistics by placing the reader of these new narratives front and centre The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
