Readers Theatre For Christian Worship Biblical Stories Of Courage And Faith:

Readers Theatre for Christian Worship Melvin Campbell, Edwin Zackrison, 2004 At last dramatic presentations that are inspiring and even humorous at times that can be performed by anyone who can read regardless of their age The scripts are not to be memorized require no props and can be performed in any venue Participants act with the voice to recreate Biblical stories of intrigue faith and love The Christmas stories the stories of Ruth Prodigal Son and the Good Samaritan stories are all retold in a unique and compelling manner in these scripts Casting voicing and staging notes are included with each script to enable even the newest of worship leaders to present polished performances Everyone loves a story well told Churches have found these readings to be engaging for the young and old alike whether they are listeners or participants Good words to you

God's Camelot Edwin Zackrison, 2019-04-25 The allusion of Camelot came long after the scriptural pictures of heaven But human vision has always idealized what began in the story of the Garden of Eden Camelot produces gardens in our minds though it is far broader than a simple garden It represents that vision of perfection or more demonstrably utopia with justice and mercy and others Visioning everything to be precise is a possibility that the human mind freely involves itself There is no attempt to see Camelot allegorically in this book But we all have the vision of the knights of the round table and their desires to make the kingdom successful Yet Lancelot also plays a kind of role that is not uncommon to the human condition

Profile of a Religious Man Edwin Zackrison, 2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with

About Tomorrow, Let God Worry Edwin Zackrison, 2018-12-29 Successful human existence is wrapped up in how humans deal with their time Everyone talks about the pursuit of happiness Unpacked that means how they ration and spend their time The past gives direction to the present as well as the future But the future never comes Everything humans are in is present The place of time is of utmost concern to spiritual people The place of God in helping them deal with it is crucial

For the Love of the World Edwin Zackrison, 2021-08-04 The world can be subject to interpretations that cause Christians to disagree and even fight Interpretations often end in startling disputes For some that world includes the inheritance of denominational interpretations

Historically conditioned conclusions are taken out of their context Booklets have been produced for young people that largely define the world as dancing smoking drugs music theater and music This book will not spend time on these parochial notions Rather it will deal with God s love for the world While Christians are often warned against the world God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him

Living in Anticipation of the End-Time Edwin Zackrison, 2022-07-19 Not long ago those who wrote about the end time were preachers the more fundamentalist the more extreme by some standards The end is coming soon they said and cartoons were rampant with guys carrying placards captioned by The End is Near From the time of Christ whose noncritical predictions included such inspiration for the placards the religious prophets could not resist emphasis on such topics Today things are different The scientists and politicians make the predictions Twelve More Years is what we hear from the latter But they don t attack with religious terms They speak of time in the context of climate change and global warming They do not agree on how to interpret the evidence but the religionists also had trouble with agreement Strange interpretations of biblical texts have now gone the way of so called science Various elucidations carry one thing in common none gain consensus Some arguments enter discussions by censuring those who disagree with them Their opponents are not allowed to speak They must remain silent They are called nasty names and unfair methods are used to punish them They try to stop the incongruous from speaking at all Living in the end time demonstrates the conflict between good and evil **Christians Are**

Recovering Human Beings Edwin Zackrison, 2019-07-26 This book will examine some of the perspectives of reality that can help us realize the pattern of our recovery In our notions of improvement there are elements of value and worth which stress direction and evaluation These elements are closely related to rationale aim and goal We call them wishes Christianity does not just talk of desire Appeal often falls short of action The reality of healing through our faith is directed by divine action Theologians write about concepts like covenant sacrifice depravity and vindication And they put meanings in those terms which often escape the man on the street We will look at some of these perceptions in our study of this reality Love is demonstrated in our acts Sometimes the Bible writers refer to this as right doing of loving response Our love finds its convincing expression in good acts Actions attract equivalence from others Educators refer to this the contrast between cognition and affection **People Under Construction** Edwin Zackrison, Ph.D., 2020-01-16 People under Construction By

Edwin Zackrison Ph D The issue of recovery is not new to twenty first century human beings We struggle with the need for recovery from injury disease and pain These are largely medical concerns and they can fill our lives with details People under Construction deals with spirit and relationship Often a self help book presents a series of steps and secrets This is not a self help book and the author does not plan to present many steps or secrets Every chapter will deal with the Spirit and build an understanding of what Christianity does to show the working of the Spirit Readers Theatre Comes to Church Gordon C.
