

The background of the entire image is a landscape photograph. The top half shows a sky with dark, textured clouds. A single dark bird is captured in flight, positioned between the letters 'i' and 't' of the word 'Spiritual'. Below the clouds is a thin, horizontal band of lighter, golden-yellow clouds. The middle section of the image is a vast, clear sky that transitions from a pale yellow at the horizon to a soft blue at the top. The bottom third of the image shows a dark, silhouetted horizon line with several peaks, suggesting a range of mountains or hills. The overall lighting is soft and atmospheric, typical of the 'golden hour' of a sunset or sunrise.

Various,2021-07-14 The 10 volumes in this set originally published between 1965 and 1994 draw together research by leading academics in the area of religious education and provides a rigorous examination of related key issues The volumes examine the teaching of world faiths in schools religious education in both primary and secondary schools and the teaching of morality This set will be of particular interest to students of Education and Religious Studies **What is the Bible?**

Ronald J. Goldman,Constance M. Parker,Eric C. Rolls,1970 Good Practice In Primary Religious Education 4-11 Derek Bastide,2017-12-22 Intended for the use of primary head teachers class teachers and teachers in training this book examines the requirements of the 1988 Education Reform Act in respect of religious education in schools It offers guidance on ways in which religious education can be developed successfully **Youth in Europe: An international empirical study about the impact of religion on life orientation** Hans-Georg Ziebertz,William K. Kay,2005 This book draws upon empirical data collected from 10 000 adolescent young people in 10 European countries The first volume of this project was about young people s life perspectives and the second about their religious attitudes and practices The current and final volume of this cross cultural study connects both research dimensions The analyses make clear that the influence of religion on values life orientation and politics differs strongly between different groups within Christianity and between Christians Jews and Muslims Many findings contain obvious surprises because they refute mainstream opinion on many topics The book gives detailed and new insights in the public relevance of the religiosity of young people across Europe All three volumes together are indispensable for scholars who work in public religious and educational contexts *Learning to Give* Ken Russell,Joan Tooke,2016-05-04 Learning to Give as Part of Religious Education attempts to answer the question what is actually to go on in a lesson about life or reality It takes as its starting point a sure ground of adolescent concern the compassion for human suffering which is normally awakened and keenly felt in the middle teens It then proceeds to inform this compassion it explores the depth and shape of the need it amasses the facts of the situation it illustrates the human meaning of it with quotation from biography and poetry and personal documents it describes the efforts made in active compassion to relieve the need and it makes suggestions of ways in which the young can share in the work of relief Finally it marches on to biblical and other statements about the human situation that set these specific agonizing points of suffering against the vast problem of evil viewed in the light of a belief in a God who cares thus lifting the human adventure from its sublunar situation on to a

cosmic level Orthodox Revivalism in Russia Milena Benovska,2020-10-12 Orthodoxy has achieved a large scale revival in Russia following the collapse of Communism However paradoxically although there is a high level of identification with Orthodoxy there is in fact a low level of church attendance This book based on in depth ethnographic fieldwork explores the social background and moral attitudes of the little flock of believers who actively participate in religious life It reveals that the complex moral beliefs of the faithful have a disproportionately high impact on Russian society overall that among the faithful there is a strong emphasis on striving for personal perfection but that also there are strong collective ideas concerning religious nationalism and the synergy between the secular and the religious Education about Religions and Worldviews Anna Halafoff,Elisabeth Arweck,Donald Boisvert,2018-02-02 This volume presents the findings of a number of empirical and theoretical studies on education about religions and worldviews ERW conducted in the Western societies of Britain Ireland Canada Norway Finland New Zealand Australia and Canada Educational programmes about diverse religions and worldviews began to be investigated and implemented as strategies to encourage interreligious understanding and social cohesion particularly following the 2005 London bombings when a fear of youth radicalisation and home grown terrorism became prevalent In addition as a growing number of people in Western societies and young people especially declare themselves to have no religious affiliation state actors are currently grappling with the reality that we are living in increasingly multifaith and non religious societies and government education systems have become places of contestation as a result of these changes This volume examines ERW research and policies in a number of diverse places in the hope of identifying common themes overlapping insights and best practices that can inform research and policy for religious literacy and interreligious understanding in other contexts This book was originally published as a special issue of the Journal of Intercultural Studies **Froebel Journal** ,1967 **The World's Religions: The Study of Religion, Traditional and New Religion** Peter Clarke,Stewart Sutherland,2002-11 Examines the primitive traditional non mainstream religion and also 20th century sects such as the Moonies and Scientology Looks at the nature of religion the general philosophical issues Written by international specialists **Encyclopaedia of Religion and Ethics** James Hastings,John Alexander Selbie,Louis Herbert Gray,1928 Religion and Law in Finland Matti Kotiranta,2021-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this convenient resource provides systematic information on how Finland deals with the role religion plays or can play in society the legal status of religious communities and institutions and the legal interaction among religion culture education and media After a general introduction describing the social and historical background the book goes on to explain the legal framework in which religion is approached Coverage proceeds from the principle of religious freedom through the rights and contractual obligations of religious communities international transnational and regional law effects and the legal parameters affecting the influence of religion in politics and public life Also covered are legal positions on religion in such specific fields as church financing labour and employment and matrimonial and family law

A clear and comprehensive overview of relevant legislation and legal doctrine make the book an invaluable reference source and very useful guide Succinct and practical this book will prove to be of great value to practitioners in the myriad instances where a law related religious interest arises in Finland Academics and researchers will appreciate its value as a thorough but concise treatment of the legal aspects of diversity and multiculturalism in which religion plays such an important part
