Reading Between The Lines Cassettes 2 Integrated Language And Literature Activities:

Reading between the Lines Cassettes (2) John McRae, Roy Boardman, 1984-10-11 Literary texts and extracts can provide a stimulating basis for classwork on language appreciation and oral fluency This book for upper intermediate and more advanced students contains a wide range of texts with related exercises which aim to make literature more accessible while developing general fluency It is organized thematically covering such topics as Family Environment Rebellion and Women There is a minimum of three texts in each unit and the related activities are varied and thought provoking to stimulate and sustain discussion The last part of each unit draws together what the students have read first by considering the different treatments of the theme then by actively involving the students in a stimulation which relates theme to text and finally by analysing the literary uses of language illustrated in the texts
