

Worksheet: Hawaii and the Hula

Student: _____

Hawaii

The United States is full of exciting things to see and to do.

As a tourist I have seen a lot of natural and man-made wonders in the United States but there is nothing that can compare with Hawaii, a paradise lost in the blue-green waters of the Pacific Ocean, 2,500 miles away from San Francisco in California.

The magical combination of sandy beaches, blue seas and warm weather make the Hawaiian Islands irresistible. Over three million tourists visit the islands every year but there are so many beaches available that few of them ever get crowded.

Surfers from all parts of the world gather in this paradise every year attracted by the huge blue-green waves of Pacific Ocean.

The glorious sunsets, the strong sunshine, the sweet smell of flowers, the soft breeze, the rich tropical vegetation, the blue waves of the seas and the white sandy beaches are all remembered by those who visit the Hawaiian Islands.

And the people... How about the people?

The Hawaiian people are friendly, good-looking and pleasant. Tourists can appreciate many varieties of traditional Hawaiian music and dance mainly at the Hawaii Hula Show that is held in Waikiki.

Hawaii is now an American state. It is formed by 132 islands. Most of its population is concentrated in the capital city Honolulu that is on the island of Oahu.

1) Read the text and answer the following questions:

1. Is it interesting to visit the United States of America? Why?

2. How far is the state of Hawaii from the American coast?

3. What makes the Hawaiian Islands irresistible?

4. How many tourists visit the Hawaiian Islands every year?

5. Why do surfers prefer the Hawaiian Islands?
