Reading For Christian Schools 31:

Phonics and Reading 1 for Christian Schools, 1999 *The Dissenting Tradition in American Education* James C. Carper, Thomas C. Hunt, 2007 During the mid nineteenth century Americans created the functional equivalent of earlier state religious establishments Supported by mandatory taxation purportedly inclusive and vested with messianic promise public schooling like the earlier established churches was touted as a bulwark of the Republic and as an essential agent of moral and civic virtue As was the case with dissenters from early American established churches some citizens and religious minorities have dissented from the public school system what historian Sidney Mead calls the country s established church They have objected to the orthodoxy of the public school compulsory taxation and attempts to abolish their schools or bring them into conformity with the state school paradigm The Dissenting Tradition in American Education recounts episodes of Catholic and Protestant nonconformity since the inception of public education including the creation of Catholic and Protestant schools homeschooling conflicts regarding regulation of nonconforming schools and controversy about the propositions of knowledge and dispositions of belief and value sanctioned by the state school Such dissent suggests that Americans consider disestablishing the public school and ponder means of education more suited to their confessional pluralism and commitments to freedom of conscience parental liberty and educational justice **Family Values and the Rise of the Christian Right** Seth Dowland, 2015-12-17 Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians Narnian Virtues Thomas Lickona, Mark A. Pike, 2021-11-25 In this engaging and practical book Mark Pike and Thomas Lickona show how C S Lewis wisdom for nurturing good character and his much loved Chronicles of Narnia inspire us to virtue Drawing upon the Judeo Christian virtues of faith hope and love and Narnian virtues such as courage integrity and wisdom they present an approach to contemporary character education validated by recent research An introduction to C S Lewis thought on character and faith is followed by practical examples of how to use well known passages from the Narnia novels as a stimulus for rich character development at home and in the classroom **The Indigenization of Christianity in China II** Qi Duan, 2022-12-22 As the second volume of a three volume set on the indigenization of Christianity in modern China this book focuses on Christianity s encounter with the turbulent history of China in the 1920s the responses of the Chinese Church to criticisms and the backlash against Christianity Over the course of its growth in modern China Christianity has faced many twists and turns in attempting to embed itself in Chinese society and indigenous culture This three volume set delineates the genesis and trajectory of Christianity s indigenization in China over the course of the nineteenth and twentieth centuries highlighting the actions of Chinese Christians and the relationship between the development of Christianity in China and modern Chinese history This volume re examines the Condemning Christianity Movement and discusses debates and reflections on the independence and indigenization of the Chinese Church religious

education and the relationship of Christianity with imperialism The author also demonstrates how historical events and intellectual trends during the period fashioned local believers national consciousness and their views on foreign missionary societies imperialism and patriotism figuring prominently in Chinese Christians domination of the Church The book will appeal to scholars and students interested in the history of Christianity in China and modern Chinese history ... **Bible in Schools Plans of Many Lands** Wilbur Fisk Crafts,1914 **Churches and Education** Morwenna Ludlow,Charlotte Methuen,Andrew Spicer,2019-07-04 Brings together the work of a wide range of scholars to explore the history of churches and education **A Theology for Christian Education** James R.
