Polleck, 2022 Learn how to integrate book clubs into secondary school communities for transformation and inclusion so as to enhance and nurture students' literacies along with their social and emotional development. Using her extensive experiences with culturally, neurologically, and linguistically diverse students, the author provides a rich resource that demonstrates how book clubs serve as critical places where adolescents can develop as readers while simultaneously working to build authentic relationships with their peers. Polleck offers research and theories grounded in culturally sustaining pedagogies and healing-centered engagements along with practical strategies for book club facilitators from developing specific student-centered pedagogical approaches to embodying critical and humanizing dispositions. Book Features: Guidance based on the author's 25 years of experience as a facilitator and researcher of book clubs; A focus on encouraging meaningful participation, identity, and community building; and social justice. An approach that prioritizes collaboration among teachers, social workers, counselors, administrators, parents, and other school personnel. Practical strategies that include facilitation suggestions, sample lesson plans, and reflective questioning techniques. Engaging narratives that center the voices of students who have participated in book clubs. An accompanying website with suggested reading lists, teaching materials, classroom activities, and more. *Resources in Education*, 2001 **Reading & Learning Strategies for Middle & High School Students** Susan Davis Lenski, 1999 The book can be used as a resource for inservice teachers or as a workshop manual for inservice reading programs in middle and high school. It provides useful strategies, examples, and reproducible classroom resources. **The Young Adolescent and the Middle School** Steven B. Mertens, Vincent A. Anfara, Micki M. Caskey, 2007-04-01 Sponsored by the Middle Level Education Research SIG and the National Middle School Association, *The Young Adolescent and the Middle School* focuses on issues related to the nature of young adolescence and the intersection of young adolescence with middle level schooling. This volume of the *Handbook of Research in Middle Level Education* marks the sixth installment in the series. The *Handbook* series begun in 2001 by Vince Anfara, the series editor, has addressed varying thematic issues important to middle level education research. This volume, *The Young Adolescent and the Middle School*, focuses on the unique developmental needs of young adolescents and the role of the middle school in attending to these needs. The contributing authors in this volume address one of three developmental areas critical to young adolescents: physical development.

intellectual cognitive development or social and personal development and how these developmental characteristics affect the educational environment and the organization of middle schools
