Reading And Understanding Short Stories:

A Cognitive Approach to Ernest Hemingway's Short Fiction Gabriela Tucan,2021-04-09 How do readers make sense of Hemingway's short stories How is it possible that the camera like quality of his narrative can appeal to our senses and arouse our emotions How does it capture us With reserved narrators and protagonists engaged in laconic dialogs his texts do not seem to say much This book consciously revisits our responses to the Hemingway story a belated response to his invitation to discover what lies beneath the surface of his iceberg What this pioneering critical endeavor seeks to understand is the thinking required in reading Hemingway's short fiction It proposes a cognitively informed model of reading which questions the resources of the reader's imaginative powers The cognitive demonstrations here are designed to have potentially larger implications for the short story's general mode of knowing Drawing from both cognitively oriented poetics and narratology in equal measure this book explains what structures our interaction with literary texts Reading and Understanding Short Stories ,1989-06-01

Exercises and Tests on English Classics Mary Louise Harris,1928 **Short Stories, Knowledge and the Supernatural** Amândio Reis,2022-07-11 This book proposes a comparative approach to the supernatural short stories of Machado de Assis Henry James and Guy de Maupassant It offers an alternative to predominantly novel centric and Anglo centric perspectives on literary pre modernism by investigating a transnational and multilingual connection between genre theme and theory i e between the modern short story the supernatural and the problem of knowledge Incorporating a close analysis of the literary texts into a discussion of their historical context the book argues that Machado James and Maupassant explore and reinvent the supernatural short story as a metafictional genre This modernized and innovative form allows them to challenge the dichotomies and conventions of realist and supernatural fiction inviting their past and present readers to question common assumptions on reality and literary representation *Reading & Understanding Short Stories* Jamestown Publishers,1987 *Specific Skills Series: Reading to Understand* , HOW TO READ AND UNDERSTAND WHAT YOU READ MAURICIO ENRIQUE FAU,2024-01-30 INTRODUCTION 5 READING OBJECTIVES 8 RELATIONS BETWEEN DISCURSIVE GENRES READING OBJECTIVES AND READING STRATEGIES 14 TYPES OF READING THE IMPORTANCE OF READING COMPREHENSIVELY 16 STEPS OF READING COMPREHENSION 18 THE TEXT CIRCUIT READING INTERPRETATION COMMUNICATION INTERACTION AND REWORKING 24 HOW TO CONTEXTUALIZE THE READING OF A TEXT 42 TYPES OF TEXTS 50 RESOURCES FOR COHESION OF A TEXT 77 The Handy Literature Answer Book Daniel S.
