A Ricoeurian Analysis of Identity Formation in Philippians Scott Ying Lam Yip, 2023-06-01 Winner of the Outstanding Theological Research Book Award 2024 Scott Ying Lam Yip presents the first specialized narrative study devoted to the identity formation processes in Philippians based on Paul Ricoeur's narrative theory Yip demonstrates that the Christian identity of the Philippian community is shaped amidst competing narratives with divergent comprehensions and suggests that it is within an intra Jewish contestation of testimonies that Paul updates his understanding of God and contends with a group of Jewish Christian leaders regarding the meaning of his suffering Yip argues that Paul faces a double contestation of narrative in which both the political authorities and a group of Jewish Christian leaders see his imprisonment as futile and unnecessary alerting him to an emerging crisis in which the Philippian community's conviction in suffering with him has begun to decline It is thus essential for Paul to synthesise and install a new paradigmatic story of Christ so that his suffering can be discerned as the defining mark of God's renewed manifestation in an era of Christ's eschatological Lordship Yip explores the means by which Paul in a contestation of authority for the re appropriation of God's past work contrasts the future oriented temporality of his testimony with the past oriented one of the Jewish Christian leaders He concludes that Paul affirms the value of his present suffering in truthfulness and installs his testimony to be the exemplary story for the Philippian community

Paul Decentered Arminta M. Fox, 2019-12-02 This book argues that the presence of women in the Christ communities of first century Corinth changes how 2 Corinthians should be interpreted Using a feminist approach to interpret the text Arminta M Fox presents readings that are ethically and historically viable She examines how questions of community identity and leadership are situated within broader discourses of power in the Roman imperial and patriarchal contexts of the first century Mediterranean world By assuming the dialogical presence of strong and diverse women leaders in the community Fox develops counter readings to ones that assume Paul's singular authority

As well as revealing the two underlying descriptive frameworks that Paul uses to explain his gospel about God's salvation the interactive framework between God and humans and the two realm framework this book demonstrates that Paul's gospel consists of one peak point that shows the central role of Jesus and two sub peaks elucidating salvation The Apostle Paul and the Pauline Tradition Stephen Finlan, 2017-06-15 Much of the popular understanding of the apostle Paul has been shaped not by Paul's letters themselves but by the Acts of the Apostles This understanding many believe leads to misunderstanding Paul's theology In The Apostle Paul and the Pauline Tradition Stephen Finlan takes a new approach focusing on the letters themselves He views the Pauline tradition as including the teachings and writings of Paul himself the assimilation and often simplification of Paul's ideas by those who followed him and then wrote letters in his name and the final form of the letters the church has labeled as Paul's Through this broad shifting and expanding notion of tradition readers will explore with Finlan such questions as What did Paul really think and write about Jesus redemption and the Christian life Who were the original audiences that first received these texts How and how much did Paul's followers change his ideas in the letters they wrote for him Finlan is convinced that this educated questioning and investigating becomes a valid part of the life of faith not replacing faith but joined to it Through his accessibly written text readers in the end will understand and agree Stephen Finlan PhD is an adjunct professor at Drew University and has taught at Fordham He is also author of *Problems with Atonement and Options on Atonement in Christian Thought* both published by Liturgical Press as well as *The Background and Content of Paul's Cultic Atonement Metaphors* SBL and Brill 2004 *Paul and Gender* Cynthia Long Westfall, 2016-11-15 A Coherent Pauline Theology of Gender Respected New Testament scholar Cynthia Long Westfall offers a coherent Pauline theology of gender which includes fresh perspectives on the most controverted texts Westfall interprets passages on women and men together and places those passages in the context of the Pauline corpus as a whole She offers viable alternatives for some notorious interpretive problems in certain Pauline passages reframing gender issues in a way that stimulates thinking promotes discussion and moves the conversation forward As Westfall explores the significance of Paul's teaching on both genders she seeks to support and equip males and females to serve in their area of gifting
