# Resisting Reader A Feminist Approach To American Fiction

**Elizabeth Kowaleski-Wallace**

## **Resisting Reader A Feminist Approach To American Fiction:**

**The Resisting Reader** Judith Fetterley, 1978 Fetterley's questions are often so crucial her observations repeatedly so acute that they force us to ask how we avoided them in the past Women's Studies International Quarterly thoughtful informed and well written Choice

**The Resisting Reader** Judith Fetterley, 1978 Readers and Reading Andrew Bennett, 2014-07-15 Much literary criticism focuses on literary producers and their products but an important part of such work considers the end user the reader It asks such questions as how far can the author condition the response of the reader and how much does the reader create the meaning of a text Dr Bennett's collection includes important essays from such writers and critics as Wolfgang Iser Mary Jacobus Roger Chartier Michel de Certeau Shoshana Felman Maurice Blanchot Paul de Man and Yves Bonnefoy It looks in turn at deconstructionist feminist new historicist and psychoanalytical response to the school The book then considers the act of reading itself discussing such issues as the uniqueness of any reading and the difficulties involved in its analysis

**Theory into Practice: A Reader in Modern Literary Criticism** Ryan

Johnson, 1992-08-25 Students of literary theory have been well provided for by the publication of various Readers in literary theory However the relation between theory and critical practice still presents a problem to the general reader This book brings together essays by major critics which apply theory to practice in an accessible way This will help a general literary readership gain a better understanding of the various types of theoretical criticism see theory being applied to practice powerfully and persuasively and encourage students to use theory in their own critical writing

Author Representations in Literary Reading Eefje Claassen, 2012-02-15 Author Representations in Literary Reading investigates the role of the author in the mind of the reader It is the first book length empirical study on generated author inferences by readers of literature It bridges the gap between theories which hold that the author is irrelevant and those that give him prominence By combining insights and methods from both cognitive psychology and literary theory this book contributes to a better understanding of how readers process literary texts and what role their assumptions about an author play A series of experiments demonstrate that readers generate author inferences during the process of reading which they use to create an image of the text's author The findings suggest that interpretations about the author play a pivotal role in the literary reading process This book is relevant to scholars and students in all areas of the cognitive sciences including literary studies and psychology

Children's Literature Elizabeth Lennox Keyser, Julie Pfeiffer, 2001-01-01 Articles of this book Donelle Ruwe Guarding the British Bible from Rousseau Ruth Carver Capasso Philanthropy in Nineteenth Century French Children's Literature Ken Parille Wake up and be a man Claudia Nelson Drying the Orphan's Tear Kate Lawson The Disappointed House Fern Kory Once upon a Time in Aframerica Laura B Comoletti and Michael D C Drout How They Do Things with Words Philip Nel Never overlook the art of the seemingly simple Sandra Beckett Parodic Play with Paintings in Picture Books Clare Bradford The End of Empire

**Reading, Writing, and Romanticism** Lucy Newlyn, 2003 Bridging the gulf between materialist and idealist

approaches this study informed by an historical awareness of Romantic hermeneutics and its later developments examines how readers are imagined addressed and figured in Romantic poetry

*Encyclopedia of Feminist Literary Theory* Elizabeth Kowaleski-Wallace, 2009-03-23 From the cutting edge to the basics The latest advances as well as the essentials of feminist literary theory are at your fingertips as soon as you open this brand new reference work It features in quick and convenient form precise definitions of important terms and concise summaries of the salient ideas of critics working in the field who have made significant contributions to feminist literary studies and points out how a feminist perspective has affected the development of emerging ideas and intellectual practices Every effort has been made to include as many feminist thinkers as possible Expanded coverage of key subjects Overview entries cover topics ranging from creativity beauty and eroticism topornography violence and war with a thorough exploration of the major theoretical points of feminist literary approaches and concerns In addition entries organized around literary periods and fields such as medieval studies Shakespeare and Romanticism survey subjects in the framework of feminist literary theory and feminist concerns Shows how feminist ideas have shaped literary theory The Encyclopedia gathers in one place all the key words topics proper names and critical terminology of feminist literary theory Emphasis throughout is on usage in the United States and Great Britain since the 1970s Each entry is accompanied by a bibliography that is a point of departure for further research A key advantage of this Encyclopedia is that it amasses bibliographic references for so many important and often cited works within a single volume Instructors especially will find this information invaluable in the preparation of course material Special Features Offers precise contemporary definitions of all important critical terms Summarizes the salient ideas of key literary critics Overviews cover major theoretical issues Entries on periods and fields survey feminist contributions Emphasizes terminology that has evolved since the 1970s Indexes proper names subjects key words and related topics

*The Oxford Handbook of Contemporary Ballet* Kathrina Farrugia-Kriel, Jill Nunes Jensen, 2021 Features viewpoints from dance scholars critics choreographers and dances Highlights contributions from choreographers around the globe Includes a significant range of cultural and historical contexts in the late twentieth and early twenty first centuries Book jacket

**Reading the Bible outside the Church** David G. Ford, 2018-07-12 In many places in the Western world churchgoing is in decline and it cannot be assumed that people have a good grasp of the Bible s content In this evolving situation how would the person on the street read the Bible Reading the Bible Outside the Church begins to answer this question David Ford spent ten months at a chemical industrial plant providing non churchgoing men with the opportunity to read and respond to five different biblical texts Using an in depth qualitative methodology he charts how their prior experiences of religion sense of non religious identity attitudes towards the Bible and beliefs about the Bible all shaped the readings that occurred

*Cultural Legacies of Old Norse Literature* Dustin Geeraert, Christopher Crocker, 2022 An exciting new collection of essays exploring the startling variety of transformations of Old Norse texts and their legacy in later literary cultures The Viking Age of medieval

Scandinavia with its heathen religion and heroic literature continues to fascinate readers writers students scholars poets artists and creators of all kinds around the world This cultural legacy is preserved in Old Norse literature much of it composed and produced in Iceland an island with a unique position in relation to the ebb and flow of religions institutions and empires The chapters in this book examine many topics in Old Norse literature the mysterious personas of the god Odin the strange origins of poetry and scholarship the cryptic lore of the elusive dwarfs the fame of the dragon slayer Sigurd and the defiant Sworn Brothers the early settlement of Iceland trade in the medieval north and the history of literary production Several contributors upend traditional interpretations of their topics while others offer new insights into the rich modern artistic reception of Norse myth These studies reveal the striking resilience and adaptability of Old Norse narrative traditions which retain their timeless appeal through a startling variety of contexts and changes in form others offer new insights into the rich modern artistic reception of Norse myth These studies reveal the striking resilience and adaptability of Old Norse narrative traditions which retain their timeless appeal through a startling variety of contexts and changes in form others offer new insights into the rich modern artistic reception of Norse myth These studies reveal the striking resilience and adaptability of Old Norse narrative traditions which retain their timeless appeal through a startling variety of contexts and changes in form

**The Oprah Phenomenon** Jennifer Harris, Elwood Watson, 2007-03-16 Excellent essays on a business empire a cultural phenomenon and the nature of the extraordinary bond between Oprah Winfrey and her fans Journal of Social History Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing a unique style of self actualizing individualism The cultural and economic power wielded by Winfrey merits critical evaluation The contributors to The Oprah Phenomenon examine the origins of her public image and its substantial influence on politics entertainment and popular opinion Contributors address praise from her supporters and weigh criticisms from her detractors Winfrey s ability to create a feeling of intimacy with her audience has long been cited as a foundation of her popularity She has made headlines by engaging and informing her audience with respect to her personal relationships to race gender feminism and New Age culture The Oprah Phenomenon explores these relationships in detail At the root of Winfrey s message is her assertion that anyone can be a success regardless of background or upbringing The contributors scrutinize this message What does this success entail Is the motivation behind self actualization in fact merely the hope of replicating Winfrey s purchasing power Is it just a prescription to buy the products she recommends and heed the advice of people she admires or is it a lifestyle change of meaningful spiritual benefit The Oprah Phenomenon asks these and many other difficult questions to promote a greater understanding of Winfrey s influence on the American consciousness Identifies the common threads that run through Oprah s empire the

demographics of her audience how she brings together women of diverse backgrounds and her use of empathy and encouragement to foster self improvement Library Journal With a foreword by Robert J Thompson     The Postmodern Bible George Aichele, Fred W. Burnett, Robert M. Fowler, David Jobling, Tina Pippin, Wilhelm Wuellner, Bible and Culture Collective, 1995-01-01 The burgeoning use of modern literary theory and cultural criticism in recent biblical studies has led to stimulating but often bewildering new readings of the Bible This book argued from a perspective shaped by postmodernism is at once an accessible guide to and an engagement with various methods theories and critical practices transforming biblical scholarship today Written by a collective of cutting edge scholars with each page the work of multiple hands The Postmodern Bible deliberately breaks with the individualist model of authorship that has traditionally dominated scholarship in the humanities and is itself an illustration of the postmodern transformation of biblical studies for which it argues The book introduces illustrates and critiques seven prominent strategies of reading Several of these interpretive strategies rhetorical criticism structuralism and narratology reader response criticism and feminist criticism have been instrumental in the transformation of biblical studies up to now Many feminist and womanist criticism ideological criticism poststructuralism and psychoanalytic criticism hold promise for the continued transformation of these studies in the future Focusing on readings from both the Hebrew Bible and the New Testament this volume illuminates the current multidisciplinary debates emerging from postmodernism by exposing the still highly contested epistemological political and ethical positions in the field of biblical studies     *Beards and Masculinity in American Literature* Peter Ferry, 2020-05-14 *Beards and Masculinity in American Literature* is a pioneering study of the symbolic power of the beard in the history of American writing This book covers the entire breadth of American writing from 18th century American newspapers and periodicals through the 19th and 20th centuries to recent contemporary engagements with the beard and masculinity With chapters focused on the barber and the barbershop in American writing the need for a shave in Ernest Hemingway's fiction Whitman's beard as a sanctuary for poets reaching out to the bearded bard and the contemporary re engagement with the beard as a symbol of Otherness in post 9 11 fiction *Beards and Masculinity in American Literature* underlines the symbolic power of facial hair in key works of American writing     **Reading, Feminism, and Spirituality** Dawn Llewellyn, 2016-01-03 Through original interviews and research Llewellyn uses spirituality to uncover new commonalities between the second and third feminist waves and sacred and secular experiences Her lively approach highlights the importance of reading cultures in feminist studies connecting women's voices across generations literary practices and religions     *The Cambridge History of the American Novel* Leonard Cassuto, Clare Virginia Eby, Benjamin Reiss, 2011-03-24 This ambitious literary history traces the American novel from its emergence in the late eighteenth century to its diverse incarnations in the multi ethnic multi media culture of the present day In a set of original essays by renowned scholars from all over the world the volume extends important critical debates and frames new ones Offering new views of American classics it also breaks new ground to show the role of popular

genres such as science fiction and mystery novels in the creation of the literary tradition One of the original features of this book is the dialogue between the essays highlighting cross currents between authors and their works as well as across historical periods While offering a narrative of the development of the genre the History reflects the multiple methodologies that have informed readings of the American novel and will change the way scholars and readers think about American literary history

**Secondary Heroines in Nineteenth-Century British and American Novels** Jennifer Camden, 2016-04-01 Taking up works by Samuel Richardson James Fenimore Cooper Sir Walter Scott and Catharine Maria Sedgwick among others Jennifer B Camden examines the role of female characters who while embodying the qualities associated with heroines fail to achieve this status in the story These secondary heroines often the friend or sister of the primary heroine typically disappear from the action of the novel as the courtship plot progresses only to return near the conclusion of the action with renewed demands on the reader's attention Accounting for this persistent pattern Camden suggests reveals the cultural work performed by these unusual figures in the early history of the novel Because she is often a far more vivid character than the heroine of the marriage plot the secondary heroine inevitably engages the reader's interest in her plight That the narrative apparently seeks to suppress her creates tension and points to the secondary heroine as a site of contested identity who represents an ideology of womanhood and nationhood at odds with the national ideals represented by the primary heroine whom the reader is asked to embrace In showing how the anxiety produced by these ideals is displaced onto the secondary heroine Camden's study represents an important intervention into the ways in which early novels use character to further ideologies of race class sex and gender

Figuring the East Marie-Paule Ha, 2000-01-01 Examines the ambiguous constructions of the Orient in the works of four major twentieth century French writers

**Cold War American Literature and the Rise of Youth Culture** Denis Jonnes, 2014-09-04 Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age segregated society This separation allowed adolescents and young adults to begin to formulate an identity distinct from previous generations and was a significant factor in their widespread rejection of contemporary American society This study traces the emergence of a distinctive post war family dynamic between parent and adolescent or already adult child In depth readings of individual writers such as Arthur Miller William Styron J D Salinger Tennessee Williams Vladimir Nabokov Jack Kerouac Flannery O Connor and Sylvia Plath situate their work in relation to the Cold War and suggest how the figuring of adolescents and young people reflected and contributed to an empowerment of American youth This book is a superb research tool for any student or academic with an interest in youth culture cultural studies American studies cold war studies twentieth century American literature history of the family and age studies

The Routledge Companion to Masculinity in American Literature and Culture Lydia R.

Cooper, 2021-12-26 Recently the U S has seen a rise in misogynistic and race based violence perpetrated by men expressing a sense of grievance from incels to alt right activists Grounding sociological historical political and economic analyses of

masculinity through the lens of cultural narratives in many forms and expressions The Routledge Companion to Masculinity in American Literature and Culture suggests that how we examine the stories that shape us in turn shapes our understanding of our current reality and gives us language for imagining better futures Masculinity is more than a description of traits associated with particular performances of gender It is more than a study of gender and social power It is an examination of the ways in which gender affects our capacity to engage ethically with each other in complex human societies This volume offers essays from a range of established global experts in American masculinity as well as new and upcoming scholars in order to explore not just what masculinity once meant has come to mean and may mean in the future in the U S it also articulates what is at stake with our conceptions of masculinity
