**Resonare Christum: 1939-1959** John Joseph Wright, 1985      The Pius War Joseph Bottum, David G. Dalin, 2010-03-16  
In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In The Pius War Weekly Standard s Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII The Pius War and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II      **Resonare Christum** John Joseph Wright, 1995-04      **Ethics and Electronic Information** Barbara Rockenbach, Tom Mendina, 2015-10-03 Stephen Almagno s career as a professor of library science began at the University of Pittsburgh in 1971 In 1990 he became the first professor in the United States to teach an information ethics course in a library and information science program Almagno s work in the area of information ethics was recognized at the 2001 Ethics of Electronic Information in the 21st Century symposium held at the University of Memphis on October 18 21 2001 upon the occasion of his retirement from the University of Pittsburgh The essays in this book were presented at the symposium honoring Almagno The first section of the book features papers that pay special tribute to Almagno The second contains papers on library issues and ethics such as the ethics of electronic information in China and eastern Europe the organizations that represent information professionals the ethics of user privacy in the digital library and ethical implications of e commerce to name just a few The third section covers topical issues such as Internet plagiarism ethical hacking and the security justification social democracy and information media policy and the ethics of dialogue among others      **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988      **The Cumulative Book Index** , 1985 A world list of books in the English language      **Resonare Christum** ...
