Respecting The Soul Daily Reflections For Black Lesbians And Gays:

Respecting the Soul Keith Boykin, 1999 The primary challenges facing black lesbians and gay men are often internal not external The deepest wounds may be self inflicted leaving behind the scars of internalized racism and homophobia With a unique insight for each day of the calendar year *Respecting The Soul* helps change this reality by provoking inspiring and empowering while allowing black lesbians and gay men to sensitize family and friends The book features the wisdom and experience of hundreds of well known people who have contributed to their collective history including Alvin Alley Josephine Baker James Baldwin Peter J Gomes Lorraine Hansberry E Lynn Harris Little Richard and RuPaul **Wisdom for the Soul of Black Folk** Roderick Terry, 2007 Another book of quotations Indeed there are numerous excellent extant anthologies of quotations but these tend to be very broad with a bias toward classical and well known authors those works which document the contributions of Black authors have tended to focus on African Americans considerable as their output is Undeniable recognition of this prevalence is reflected in the title of the present volume which pays homage to W E B Du Bois classic work and in the preponderance of entries from American sources Nevertheless effort has been made to cast a wider net to capture under represented and unfamiliar voices Khemetic texts preserved in papyri and stelae are the earliest literature to have survived followed by the writings of North African Romans and Ethiopian philosophers and clerics and the lately recovered Timbuktu manuscripts from their repositories in the desert sands of Mali The Transatlantic slave experience gave rise to the slave narratives and abolitionist literature from both sides of the Atlantic which remained predominant right up to the 20th century Post Emancipation under colonial rule and white domination Black poetry and prose emerged adhering to prevailing standards evidenced typically in the work of Phillis Wheatley and the sonnets of Claude McKay With the Civil Rights and Black Power movements would come iconoclastic expressions of protest and identity There is a sizeable body of literature by Black authors from Africa and the diaspora who speak to universal values and eternal verities This anthology of their work focuses on the inner life on personal development and self actualization 3000 quotations have been selected to inspire enlighten and encourage they have been arranged in 200 psycho spiritual categories and in chronological order The resulting timeline of thought in itself is useful and instructive as it demonstrates very clearly the evolution of consciousness evident in the contemporary thinking on particular subjects Like its predecessor *Wisdom for the Soul Five Millennia of Prescriptions for Spiritual Healing* this volume contains a full biographical index and bibliographical references Much of the material is anthologized here for the first time *Black Like Us* Devon Carbado, 2011-11-01 Winner of the 2003 Lambda Literary Award for Fiction Anthology Showcasing the work of literary giants like Langston Hughes James Baldwin Audre Lorde Alice Walker and writers whom readers may be surprised to learn were in the life *Black Like Us* is the most comprehensive collection of fiction by African American lesbian gay and bisexual writers ever published From the Harlem Renaissance to the Great Migration of the Depression era from the postwar civil rights feminist and gay liberation movements to the unabashedly
