God Loves Gay Women Reverend Bonnie Kelly,2014-02-28 Honest faithful people are wondering if the Bible is really telling them to hate gay people This book is a reasoned response to that inquiry It deals with the Scriptures most often cited to justify homophobia and provides a more loving interpretation Six lesbians tell their story and how the Church has impacted their lives Families and clergy are given clear guidelines on how to offer support and kindness to this marginalized and maligned group of women This is an important book for our time Homophobia cruelty and denial of human dignity to all gay people at home and globally have re emerged much of it fueled by false and malicious biblical interpretation **The Essentials of Suicide Prevention** Karen Mason,2023-01-24 Suicide is a growing tragedy in the US and in the church We can stop the climbing numbers of suicide deaths but it is going to take everyone working together including the church Without the church suicidal people may not hear the life affirming messages they need to hear Without an informed church people who have lost loved ones to suicide may leave the church Too often the church watches from the sidelines not knowing what to do Why is it that the wider secular culture is more engaged in suicide prevention than God s people especially given that Christians care deeply about the sanctity of life The apostle Paul modeled suicide prevention for the church when he stopped the suicide of the Philippian jailer But pastors and congregants may not know how to follow his example The result is that people who struggle with suicide or who have lost loved ones to suicide wonder if the Bible or their church have anything relevant to say about suicide This book will provide the resources needed to help prevent suicide in a church even when a church does not want to start one more program **Subject Catalog** Library of Congress,1970
