responsibility and Chinese overseas investments Samuel Assembe-Mvondo, Louis Putzel, Richard Eba'a Atyi, 2015-02-18 Chinese investment in Africa has increased greatly in recent years In Cameroon the years following the last global financial crisis saw a boom in Chinese investments in the rubber industry in particular in rubber estates belonging to two companies Sud Cameroun Hevea SA and GMG HEVECAM These investments come from Sinochem one of the largest Chinese state owned multinationals and involve the rehabilitation of existing rubber estates as well as expansion into new areas Since the initial investment from China exports of rubber from Cameroon to China increased from almost none to nearly half of total rubber exports in 2011 We conducted research into the nature and extent of China's investment in the Cameroonian rubber sector and assessed initial findings through the lens of socially responsible investments SRI Overall the picture shows that the two investments are subject to a number of governance challenges particularly in relation to land allocations

Seminar on Tourism Development and the Responsibility of the State, 1993 **Digital Resources, Creativity and Innovative Methodologies in Language Teaching and Learning** Adriana Teresa Damascelli, 2017-06-20 The concept of university language centres has changed in recent decades Initially conceived as laboratories for practical and

autonomous language learning they are now considered as places with more specific and complex functions in language teaching and learning University language centres now constitute networks for exchanging knowledge and know how in order to respond to ever changing multilingual and multicultural contexts At the same time the availability and acquisition of new technologies is contributing to the creation of new tools for the provision of appropriate services and training This collection covers a wide range of topics related to the activities experiences and applied research carried out in Italian university language centres It provides further evidence of the important role university language centres play in promoting language expertise developing tools and adopting digital resources and providing support and training for language teaching Technology creativity methodologies and plurilingualism are key topics in the book as they constitute the essential ingredients for effective and successful language teaching and learning The volume s thirty three chapters provide multi perspective approaches showing how the real contexts of current language education need the integration of theoretical backgrounds with the best practices resulting from practical experience

Criminal Proceedings, Languages and the European Union Francesca Ruggieri, 2013-08-28 The book Criminal proceedings languages and the European Union linguistic and legal issues the first attempt on this subject deals with the current situation in the jurislinguistic studies which cover comparative law language and translation towards the aim of the circulation of equivalent legal concepts in systems which are still very different from one another In the absence of common cultures and languages in criminal procedure it is possible to distinguish features that are typical of common law systems and features that are typical of civil law systems according to the two different models of adversarial and inquisitorial trials Therefore the most problematic challenges are for the European Union legislator to define generic measures that can be easily implemented at the national level and for the individual Member States to choose corresponding domestic measures that can best implement these broad definitions so as to pursue objectives set at the European level In this scenario the book assesses the new framework within which criminal lawyers and practitioners need to operate under the Lisbon Treaty Part I and focuses on the different versions of its provisions concerning cooperation in criminal matters which will need to be implemented at the national level Part III The book analyses the issues raised by multilingualism in the EU decision making process and subsequent interpretation of legal acts from the viewpoint of all the players involved EU officials civil penal and linguistic lawyers Part II explores the possible impact of the EU legal acts concerning environmental protection where the study of ascending and descending circulation of polysemantic words is especially relevant Part IV and investigates the new legal and linguistic concepts in the field of data retention protection of victims European investigation orders and coercive measures Part V The Road Europe Travelled Along Daniela Preda, Daniele Pasquinucci, 2010 Proceedings of conference The Road Europe Travelled Along The Evolution of the EEC EU Institutions and Policies which was held at the University of Siena on the 23rd and 24th of May 2008

Corporate Responsibility Coalitions David Grayson, Nelson Jane, 2017-09-08 The significance of business led corporate

responsibility coalitions is indisputable The WBCSD has 200 member companies with combined annual revenues of US 7 _trillion_ the UN Global Compact has almost 8 000 corporate members over two thirds of them from developing countries It is estimated that there are more than 110 national and international generalist business led CR coalitions But there is now urgent need for informed and balanced analysis of their achievements their progress and their potential Why did these coalitions start and grow What have been their impacts Where are they heading now Where should they be going What is the future In a period of austerity the business and public sector must decide whether funding these coalitions is a priority To meet current crises there will have to be a great deal more business involvement but efforts of individual corporations will not be sufficient There is also a need for far more collective action among companies and more collaborative action between different sectors of society Business led CR coalitions with their decades of convening experience could play an important role in this process if they are fit for purpose going forward Authors David Grayson and Jane Nelson have been actively involved in such coalitions for decades In Corporate Responsibility Coalitions they first explore the past present and future of these coalitions the emergence of new models of collective corporate action over the past four decades the current state of play and the increasing number diversity and complexity in terms of how they not only network with each other but also engage in a much broader universe of institutions that are promoting responsible business practices In addition the book provides in depth profiles of the most strategic effective and long standing coalitions including Business for Social Responsibility Business in the Community CSR Europe Instituto Ethos International Business Leaders Forum the UN Global Compact and the WBCSD This book will be required reading for key supporters and potential partners of such coalitions in companies governments international development agencies foundations non governmental organizations academic institutions and think tanks It also aims to inspire a future generation of leaders to be more aware of the role of business as a partner in driving more inclusive green and responsible growth and to help them develop new types of leadership skills so that they can be effective in finding multi stakeholder solutions to complex and systemic challenges **Piloter un**

développement responsable - 4e éd. NP Olivier Dubigeon, 2015-02-12 Le développement durable introduit une exigence majeure qui est de concilier dans la durée deux rythmes spécifiques celui de l'activité humaine et celui de la nature Le livre expose comment associer de manière optimale la compétitivité de l'entreprise sa création de valeur et la protection du patrimoine commun légué par la nature Il redéfinit le véritable enjeu du développement durable pour les entreprises qui consiste conjuguer trois systèmes fonctionnant sur des rythmes différents de façon dynamique celui de la prospérité économique et de l'activité humaine celui de la préservation et de l'entretien du patrimoine commun celui de la responsabilité sociale et humaine Compte tenu de la complexité de l'exercice il est indispensable de s'appuyer sur les meilleures pratiques identifiées au niveau mondial c'est sur ces bases que ce livre est construit Healing Capitalism Jem Bendell, Ian Doyle, 2017-09-08 The global response from business to social and environmental issues during the past decade has created a corporate responsibility

movement But what has been the impact of this movement The financial crisis that began in 2007 has led more and more people to question the fundamentals of our economic system Now some within the corporate responsibility movement are developing a vision and practice of a new form of capitalism one that will require collective action to achieve Bendell and Doyle draw on Lifeworth's annual reviews of corporate responsibility and explain how business leaders stakeholders and related academe now need to experiment with new models that address the fundamental flaws of contemporary capitalism including monetary systems enterprise ownership and regulation This book will be a fantastic resource for business libraries as it records and analyses key events issues and trends in corporate responsibility during the first decade of the 21st century It is a sequel and companion to Bendell's previous work *The Corporate Responsibility Movement*

Entreprises et responsabilité sociale. La gouvernance en question Ivan Tchotourian, 2019-07-24 T00:00:00-04:00 La place et la responsabilité de l'entreprise dans la société font aujourd'hui l'objet de vives discussions Longtemps cantonnée à sa définition restrictive de simple lieu de production de biens et de services l'entreprise ne se résume plus à ce seul rôle économique En effet les turbulences économiques financières à l'échelle mondiale au milieu des années 2000 et l'émergence des problèmes de responsabilité sociale sont venues renouveler la réflexion sur l'entreprise et sa gouvernance En parallèle le droit de l'entreprise évolue et fait notamment une plus grande place aux parties prenantes Ainsi le modèle de régulation de l'entreprise est en cours de changement et le droit devient norme Au travers d'une démarche pluridisciplinaire et comparative cet ouvrage atteste de cette rupture et entend participer activement aux débats visant à dessiner l'entreprise du futur

Parallel Corpora for Contrastive and Translation Studies Irene Doval, M. Teresa Sánchez Nieto, 2019-03-20 This volume assesses the state of the art of parallel corpus research as a whole reporting on advances in both recent developments of parallel corpora with some particular references to comparable corpora as well and in ways of exploiting them for a variety of purposes The first part of the book is devoted to new roles that parallel corpora can and should assume in translation studies and in contrastive linguistics to the usefulness and usability of parallel corpora and to advances in parallel corpus alignment annotation and retrieval There follows an up to date presentation of a number of parallel corpus projects currently being carried out in Europe some of them multimodal with certain chapters illustrating case studies developed on the basis of the corpora at hand In most of these chapters attention is paid to specific technical issues of corpus building The third part of the book reflects on specific applications and on the creation of bilingual resources from parallel corpora This volume will be welcomed by scholars postgraduate and PhD students in the fields of contrastive
