

Personal Responsibility and Its Limits

Topic: **Sociology** | Words: 666 | Pages: 2

In my opinion, being responsible means acknowledging the consequences of your actions or choices and being ready to handle them. This is a very broad definition, and numerous concessions must be made, but this is the general guideline for defining responsibility in my book. In this essay, I will mention the concessions that I think must be mentioned while defining this term, but I do not believe that I can cover all the possible variations and cases.

First of all, defining the limits of responsibility is a rather complex process due to the fact that the phenomenon has at least two layers: the legal and the moral one. Definitely, the law provides the general guidelines, but the notion of moral responsibility is beyond its expertise. I suppose that the limits of moral responsibility are for every person to define; however, one should also be ready to be held responsible for this choice. For example, despite the efforts of my relatives, I do not consider charity to be my responsibility, and I am ready to deal with the consequences that are reflected in the disapproval of the charity advocates from my environment. Of course, I respect the people who are willing to help others; in my opinion, charity demonstrates their kindness and sympathy, not the idea that they are responsible for every life on the Earth.

Indeed, I suppose, there should be a limit to a person's responsibility. One of the limiting factors includes the possibilities or opportunities of a person. To be held responsible for an action, a person must have acted (or stayed inactive) out of the free will. The idea of free will is another
