Responsible Self An Essay In Christian Moral Philosophy:

The Responsible Self Helmut Richard Niebuhr, 1999-01-01 The Responsible Self was H Richard Niebuhr's most important work in Christian ethics. In it he probes the most fundamental character of the moral life and it stands today as a landmark contribution to the field. The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field. [The Responsible Self](#) H.

Richard Niebuhr, 1978 **The Responsible Self : B an Essay in Christian Moral Philosophy** Helmut Richard Niebuhr, 1963 **The Responsible Self. An Essay in Christian Moral Philosophy. With an Introduction by James M. Gustafson** Helmut Richard NIEBUHR, 1963 **Ethics, Morality, and International Affairs** Willard D. Keim, 2000 Does

morality apply to international politics? Can one be a realist and ethical at the same time? Willard D. Keim answers these questions in *Ethics, Morality, and International Affairs*, arguing that the key to the paradigm of foreign relations is the recognition of the freedom of other human beings. Drawing upon Jean Paul Sartre's two principles, being-in-itself and being-for-itself, Keim proposes that while morality should be pertinent to international policy, the world is imperfect and values are not absolutes derived from nature. He develops the idea of lucidity and in the final chapter applies his theories to the Persian Gulf War. Scholars of international politics as well as philosophers and the general educated public will find this book a fascinating read. *The Oxford Handbook of Reinhold Niebuhr* Robin Lovin, Joshua Mauldin, 2021 This authoritative Handbook features 38 chapters placing Reinhold Niebuhr 1892-1971 in his historical context to offer readers an appreciation of his insights and how he was received by his contemporaries. **Introduction to Christian Ethics** Ellen Ott

Marshall, 2018-10-30 All Christians read the Bible differently, pray differently, value their traditions differently, and give different weight to individual and corporate judgment. These differences are the basis of conflict. The question Christian ethics must answer then is: What does the good life look like in the context of conflict? In this new introductory text, Ellen Ott Marshall uses the inevitable reality of difference to center and organize her exploration of the system of Christian morality. What can we learn from Jesus' creative use of conflict in situations that were especially attuned to questions of power? What does the image of God look like when we are trying to recognize the divine image within those with whom we are in conflict? How can we better explore and understand the complicated work of reconciliation and justice? This innovative approach to Christian ethics will benefit a new generation of students who wish to engage the perennial questions of what constitutes a faithful Christian life and a just society. **Paul Ricoeur and Contemporary Moral Thought** William Schweiker, John

Wall, David Hall, 2020-10-28 This book explores and proposes new avenues for contemporary moral thought. It defines and assesses the significance of the writings of French philosopher Paul Ricoeur for ethics. The book also explores what matters most to persons and how best to sustain just communities. **Beyond the Pale** Miguel A. De La Torre, Stacey M.

Floyd-Thomas,2011-01-01 How should Augustine Aquinas Bonhoeffer Kant Nietzsche and Plato be read today in light of postcolonial theory and twenty first century understandings This book offers a reader friendly introduction to Christian liberationist ethics by having scholars from the margins explore how questions of race and gender should be brought to bear on twenty four classic ethicists and philosophers Each short chapter gives historical background for the thinker describes that thinker s most important contributions then raises issues of concern for women and persons of color Contributors include George Tink Tinker Asante U Todd Traci West Darryl Trimiew Ada Mar a Isasi D az Robyn Henderson Espinoza and many others

Living Theodrama Wesley Vander Lugt,2016-05-13 Living Theodrama is a fresh creative introduction to theological ethics Offering an imaginative approach through dialogue with theatrical theory and practice Vander Lugt demonstrates a new way to integrate actor oriented and action oriented approaches to Christian ethics within a comprehensive theodramatic model This model affirms that life is a drama performed in the company of God and others providing rich metaphors for relating theology to everyday formation and performance in this drama Different chapters explore the role of the triune God Scripture tradition the church mission and context in the process of formation and performance thus dealing separately with major themes in theological ethics while incorporating them within an overarching model This book contains not only a fruitful exchange between theological ethics and theatre but it also presents a promising method for interdisciplinary dialogue between theology and the arts that will be valuable for students and practitioners across many different fields

Emotions, Moral Formation, and Christian Politics Jonathan M. Cahill,2024-08-22 This volume addresses the social relational nature of moral formation emotions and moral agency Drawing on Barth s theological anthropology and his relational conception of the self Cahill argues that Barth envisions moral progress as rooted in the growth of the community Cahill also explores Barth s view of emotion in conversation with the study of emotions in psychology sociology neuroscience and philosophy Building on Barth and these other disciplines Cahill argues for a relational and cognitive conception of emotions while highlighting emotions critical role in regulating group and social relations Emotions are fundamental to interpersonal interactions to group relations and for the reinforcement and disruption of social structures This account of moral formation and emotion is illustrated through the example of climate change A community shaped by love for God solidarity with other creatures and a concern for all of creation leads to an awareness of hegemonic forces and fosters emotions shaped by the kingdom of God that enables the struggle for climate justice

Scripture and Ethics Jeffrey S. Siker,1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians

The Blackwell Companion to Religious Ethics William Schweiker,2008-04-15 Written by internationally renowned scholars this Companion maps the moral teachings of the world s religions and also charts new directions for work in the field of religious ethics Now available in paperback this is a rich

resource for understanding the moral teachings and practices of the world's religions. Includes detailed discussions of issues in moral theory. Offers extensive treatment of the world's major religious traditions including Judaism, Christianity, Islam, Buddhism, Hinduism, Chinese religions, and African religions. Compares the ways in which the religions provide resources for addressing current moral challenges in areas such as ecology, economics, global dynamics, religious war, human rights, and other topics.

Theological Ethics and Global Dynamics William Schweiker, 2008-04-15. The nature of ethics has been the subject of much controversy and argument in recent decades. *Theological Ethics and Global Dynamics* tackles these various debates, offering a wide-ranging, comprehensive and provocative statement of the nature of theological ethics in global times. Offers an accessible, lively and provocative statement of the nature of moral philosophy and theological ethics in contemporary times. Tackles various perspectives on debates about distinctly Christian ethics. Argues that we need to reframe the arena in which moral questions are asked. Engages a range of positions exploring distinctively modern issues such as moral and cultural relativism, globalization, problems of consumption and violence, and religious pluralism. Addresses the complexity of certain ethical decisions which are difficult and far from clear-cut and yet presents an ethical understanding which is both humane and deeply religious.

Honoring the Ancestors Donald Henry Matthews, 1998. Using *The Negro Spiritual* as a source material, this volume analyzes the methods employed by social scientists, historians, and literary critics in studying African American religion and makes its own theological statement regarding African American religion.

Inequality and Christian Ethics Douglas A. Hicks, 2000-09-18. *Inequality and Christian Ethics* first published in 2000 provides a moral and empirical analysis of contemporary social and economic inequality. Drawing on Christian social ethics, political philosophy, and development economics, the book seeks to create an interdisciplinary conversation that illuminates not only the contemporary realities and trends of inequality but their moral significance as well. It is necessary to examine and understand inequality in various forms which the book maps out, including disparity in income, education, and health, as well as differentials based on race, ethnicity, gender, and nationality. The book draws in particular on the theological ethics of Gustavo Guti rrez and H. Richard Niebuhr to provide a Christian ethical approach to inequality and well-being. It considers the capability approach set forth by Amartya Sen, Nobel laureate in economics. Sen's framework helps Christians and other persons to add specificity to what the commitment to equality before God would demand in social and economic relations.

Performing a Christian Life Thomas D. Kennedy, 2019-11-13. We want to live good lives but determining what a good life is isn't easy, especially if we want the lives we lead to be ours rather than somebody else's. Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that. Finding our way requires knowing who we are, understanding ourselves, and Christians, because of their experience with God, will understand themselves differently than others. In at least some ways, Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God, human nature, forgiveness, values, and loving well that have important implications for what we do and feel.

for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well **Social Ethics in the Making** Gary

Dorrien,2011-04-06 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award **Womanist Theological Ethics** Katie Geneva Cannon,Emilie Maureen Townes,Angela D.
