

A man with short, light-colored hair, wearing a light blue button-down shirt, stands on a stage. He is holding a dark book or folder with both hands and looking towards the right side of the frame with a slight smile. The background is a large screen displaying a graphic with a dark blue and purple color scheme. The screen features a central vertical band with a lighter blue, textured background. The text "Responsive Faith" is prominently displayed in a large, white, serif font. Below it, "LIFEPOINT CHURCH" is written in a smaller, white, sans-serif font. There are also some abstract, glowing blue and white shapes on the screen, including a bright circular light at the top left and a smaller, flower-like shape on the right side.

In such increasingly divided times work like this is needed now more than ever **Font and the Table** Elmer J. F. Arndt, 2004-04 Baptism and the Lord s Supper are means of grace representing spiritual realities by whose observance the Church and its members celebrate the life they are given in Christ Upon this belief Professor Arndt examines the meaning of sacramental theology particularly in its relation to the whole of the Gospel of Christ He believes that the Font and Table are symbolic events representing God s renewing action and through them this Community of faith and people of God becomes concrete in historical actuality He does not claim that this essay provides a complete sacramental theology He is primarily concerned with securing a perspective of sacramental practice in the hope of assisting in a reconstruction of sacramental teaching a more responsible ordering of practice and a more understanding participation in the sacraments of the gospel

Malum Ingolf U. Dalferth, 2022-05-31 The incursion of evil has always caused people to turn to the divine to gods or to a god in order to reorientate their life Ingolf U Dalferth studies the complexity of this procedure in three thought processes that deal with the central concepts in the Christian understanding of malum as privation a lack of good as evil doing and as a lack of faith In doing so he provides a detailed discussion of theories of theodicy the argument from freedom and the religious turn to God in which the author explores the traces of the discovery of God s goodness justness and love in connection with the malum experiences in ancient mythology and biblical traditions *Theology in Service to the Church* Allan Hugh Cole Jr., 2014-07-17 As a global religion with growing numbers of expressions Christianity calls for deepening relationships across traditions while also formulating collaborative visions A thriving church will require Christians from various traditions and on varying trajectories to become familiar with one another appreciate one another and work in common service to God in Jesus Christ In this book a group of thirteen distinguished scholars from around the world and representing a range of Orthodox Catholic and Protestant perspectives demonstrate how theological reflection and broad based ecumenical conversations may serve the church Reflecting on numerous salient matters facing the global church these

scholars model what may be accomplished in ecumenical conversations that recognize the gifts that come with unity across diversity among those who seek to be faithful to Jesus Christ

Bible Review, 1915

Without Spot or Wrinkle Karl Koop, Mary H. Schertz, 2015-06-18 On February 5 2000 the Institute of Mennonite Studies held a conference at Associated Mennonite Biblical Seminary entitled Without Spot or Wrinkle Reflecting Theologically on the Nature of the Church This conference gave attention to ecclesiology in direct response to challenges that Mennonite church bodies in Canada and the United States

have been facing in recent times The phrase without spot or wrinkle comes from Ephesians 5:27 a text addressing relationships between husbands and wives within the Christian household Historically it has also come to symbolize what Mennonites have sometimes believed about the nature of the church Anabaptists and Mennonites who came after them have often maintained that the true church is a gathering of reborn and spiritually regenerated Christians called to be a community free from moral failure At present however some Mennonites are questioning elements of this conceptual legacy and in light of personal failings and hurtful church schisms are expressing doubts about its practical adequacy and theological tenability The essays in this book do not provide a unified argument What the authors have in common is concern for the church and commitment to faithfulness Readers are invited to reflect on the issues and make their own assessments

Peace and Violence in the Ethics of Dietrich Bonhoeffer Trey Palmisano, 2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer s writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer s approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer s thought Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer s actions is avoided The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement

James Denney (1856-1917) James McMillan Gordon, 2006-06-01 James Denney is now best known though in increasingly restricted circles for his book *The Death of Christ* considered for over a century a lucid and standard exposition of objective atonement understood in substitutionary terms However there is breadth and depth to Denney s thought a richness and passion in his theological work an attractive integrity and spiritual

immediacy in his writing that resists any reducing of his legacy to that of being an apologist for one aspect of Christian doctrine By exploring his early years growing up in Greenock Scotland following his intellectual development through university and college years in Glasgow and considering the impact of a long pastoral ministry in Broughty Ferry Dundee a context is created for studying the mind personality and faith that informed his mature theological writing For twenty years from 1897 1917 he taught biblical theology and exegesis in his denominational College in Glasgow developing his theology through articulation and then exploring and expounding the gospel of Christ as first and originally expressed in the apostolic experience and testimony embedded in the New Testament documents The theological work of Denney taken as a whole was both intellectually engaged and ecclesially focused as he sought to construct a secure basis for biblical faith His theology was offered in the service of the church his learning a self conscious discipleship of the intellect This is the major study of Denney to use the large corpus of Denney s unpublished theological papers and sermons held in New College Library in the University of Edinburgh These together with Denney s published work and wider biographical research form the basis of this study an intellectual and contextual biography of one of Scotland s most attractive and forceful theological personalities
