Resurrection Dreams Guy Amerson, 2020-07-31 From a man's earliest years you are taught to follow your dreams You are encouraged to dream big and to expect God to lead guide and help you achieve your dreams Even your children's fairy tales and fables were filled with the pride and joy found in seeing your dreams and life's goals come true Isn't it interesting that this is not found in God's reality for His saints How could something so important to the human heart and soul be so vastly different from what God desires for us As you read and study these stories you will begin to identify with these women and understand God's true desire for us If you can truly walk with these women heart and soul you too will receive back your resurrection dreams *INTERPRETATION OF DREAMS* IBN SERIN, 2014-01-01 God and Dreams John Pratt

Bingham, 2010-01-01 At one time when an individual wanted a direct personal experience of God that person turned to his or her dreams The early third century Christian defender of the faith Tertullian observed Is it not known to all people that the dream is the most usual way that God reveals himself to man Yet by the eleventh century King William II of England states They are not good Christians that regard dreams Why did this reversal of opinion occur not only in Christian thinking but in Jewish and Islamic attitudes also God and Dreams Is There a Connection traces the historic connection between God and dreams and examines why this shift happened While particular attention is given to Jewish Christian and Islamic thought several secular disciplines are discussed also After investigating the different points of view an argument is made that the connection between God and dreams still exists **The Death of a Dream** Daron Earlewine, 2022-10-18 The Death of a

Dream helps believers rediscover their trust in God their courage to dream again and their joy in the journey Written for all ages The Death of a Dream is for those who have followed their dreams only to watch them die Daron Earlewine intermingles the birth death and resurrection of his dreams with the biblical story of Joseph a parallel that inspires observations about God's ultimate dreams for his people and the world The Death of a Dream shares Daron's story with humor self-effacing honesty and a genuine longing for readers to rediscover their passions allowing pain to be a teacher and God to be the best possible Collaborator **The Early Muslim Tradition of Dream Interpretation** John C. Lamoreaux, 2002-05-02

Reportedly the prophet Muhammad told his followers that after he was gone prophecy would come only through true dreams Based on this and other statements early Muslims created what might be called a theology of dreams Dreams were regarded as an important means used by God to guide the faithful especially after the cessation of Koranic revelation However since these dreams were often symbolic they required interpretation and early Muslims wrote numerous manuals dedicated to deciphering their meaning Utilizing manuscripts preserved in Middle Eastern mosques and libraries this book offers the first comprehensive account of the early Muslim tradition of dream interpretation In addition to describing how and when the

tradition developed author John C Lamoreaux discusses the social context in which dream interpretation arose and its role in the intellectual life of the time He demonstrates that early Muslims considered dream interpretation a fully orthodox theological discipline one sanctioned both by the Koran and the example of the prophet Muhammad

**A Byzantine Book on Dream**

**Interpretation** Maria V. Mavroudi, 2021-10-25 This volume discusses the so called Oneirocriticon of Achmet the most important Byzantine work on dream interpretation which was written in Greek in the 10th century and has greatly influenced subsequent dreambooks in Byzantine Greek Medieval Latin and modern European languages By comparing the Oneirocriticon with the 2nd century A D dreambook of Artemidoros translated into Arabic in the 9th century and five medieval Arabic dreambooks this study demonstrates that the Oneirocriticon is a Christian Greek adaption of Islamic Arabic material and that the similarities between it and Artemidoros are due to the influence of Artemidoros on the Arabic sources of the Byzantine work The Oneirocriticon's textual tradition its language the identities of its author and patron and its position among other Byzantine translations from Arabic into Greek are also investigated
