The Restaurant Location Guidebook John C. Melaniphy, 2007 *Washington Area Restaurant Menu Book*, 1984-01-01

All the Restaurants in New York John Donohue, 2019-05-14 An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family. Danny Meyer, founder of Shake Shack. From romantic spots like Le Bernardin to beloved holes in the wall like Corner Bistro, John Donohue renders people's favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. *All the Restaurants in New York* is a collection of these drawings characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants from Minetta Tavern to Frankies 457 and River Caf, this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. I love John's spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York: that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at 21. They deserve this spotlight, this tribute. Amanda Kludt, Editor in Chief, *Eater*. John Donohue is the Rembrandt of New York City's restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city's great dining scene. It belongs on the bookshelf of every devout chowhound and fresser. Adam Platt, Restaurant Critic, *New York* magazine. **Bonnie Rapoport's Restaurant Book** Bonnie Rapoport, 1979
