The Book of Womanhood Amy F Davis Abdallah, 2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we're no longer girls And when we've figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don't usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman *The Book of Womanhood* creates a path through the confusion that surrounds the identity of women by its flexible framework developing the reader's understanding of a woman's relationship with God their self others and creation Amy writes simply as one perhaps further along in her journey of womanhood than most and she doesn't write alone she includes the stories of Biblical women of friends young and old and even more The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys *The Book of Womanhood* is about recognition reaching out not only to women but also to men who seek to understand and empower their wives daughters and friends to be the women God has formed them to be Read for empowerment read for transformation Read and become the woman of God you were created to be

Burton,2012-02-22 My story offers hope to the hopeless It offers healing to those who are wounded I had a broken heart Because I did not know how to deal with the trauma and loss of a son and the conflicts of life my soul became shattered Jesus came to heal the brokenhearted There is no sin too horrible for God to forgive Come Father waits If we are willing to shrug off the fear of man and embrace the truth of Scripture we can be made whole My soul is restored God also healed and
