*Restoring the Constitution, 1787-1987* H. Wayne House, 1987      **America-A Purpose-Driven Nation** Philip Michael Pantana, 2007-11 AMERICA A PURPOSE DRIVEN NATION ONE NATION UNITED ONE GOD JEHOVAH ONE LAW BIBLICAL Freedom of Religion The founding of America was Providential not accidental America was founded on purpose for a purpose freedom to worship as people please Christianity is the faith that gave birth to freedom of religion Because of this spiritual heritage America is known around the world for freedom the Bill of Rights ensures for all citizens beginning with religious tolerance Reversing Current Secular Trends What secularists are doing today is repressive to the First Amendment and offensive to Christians The secularist agenda to enact Hate Crimes laws designed contrary to biblical principles is a destructive form of government opposing the consent of the governed Ronald Reagan hero of conservatives said The frustrating thing is that those who are attacking religion claim they are doing it in the name of tolerance Question Isn't the real truth that they are intolerant of religion Reversing the current trend of secularization in American society involves making two essential changes 1 quashing the unfriendly secularist war on faith and 2 overturning activist Courts which limit Judeo Christian expression in the public arena Real Problems Real Solutions This book features a Contract with Conservatives that offers real solutions to the vital issues we the people must come to grips with Like German reformer Martin Luther in October of 1517 Pantana nails 95 theses of conservatism on the false walls erected by secularists which separate church from state History is too filled with examples of this pattern for it to be ignored The silent majority must let its voice be heard loud and clear at the ballot box in the 2008 election For more information on the 95 proposals in the Contract with Conservatives visit [www.purposedrivennation.com](http://www.purposedrivennation.com)      **Supreme Court of the United States** George H. The Mission of God: A Manifesto of Hope for Society Joseph Boot, 2025-01-20 The Mission of God is a work of theological apologetics and cultural philosophy that examines the religious foundations of all thought and action in human life In this expanded tenth anniversary edition Joseph Boot explores the biblical perspective on everyday cultural matters demonstrating the abiding validity and authority of the whole Word of God for every aspect of life He writes in the introduction What is the calling of God's covenant people in history What is the kingdom of God and how does it manifest itself What does the reign of God look like and how are we to discern God working What is the relationship between faith and public morality and policy What should the relationship between church and state be Is religious pluralism a biblically compatible and workable theology of state Does the church have a future in history Are Christians called to transform cultures In short what is the

mission of God and what part do we have to play These questions have become increasingly pertinent for the church today especially in the Western world because it is widely recognized that Western civilization is facing an epochal turning point The Mission of God is an exhortation to rediscover an unashamedly biblical and public commitment to the Lordship of Jesus Christ for every dimension of human existence *The Death Penalty Debate* H. Wayne House, John Howard Yoder, 1991 After several decades of judicial and legislative rulings outlawing capital punishment American sentiment in recent times has swung in favor of the death penalty Candidates in major political races across the land now expect to win votes by bragging about how many criminals they have sent to death row Opponents of capital punishment however are far from silent They insist that the death penalty violates the Christian s high view of life How they ask can a person who believes in the forgiveness of sins and the grace of God advocate another human being s death In *The Death of Penalty Debate* two respected authors H Wayne House and John Howard Yoder lay before us the pro and con arguments on the validity of capital punishment Beginning with Genesis 9 6 both men trace the historical and scriptural ideas for and against the death penalty In the course of their discussion they raise compelling questions Does the death penalty work Is it immoral Who should be put to death and for what crimes Does a crime threatened society need the death penalty for its own protection What do Moses and Jesus and the apostles say to guide us in forming our own ideas on this matter Addressing these questions and many others House and Yoder in this carefully documented volume capably present the strongest arguments on both sides of the capital punishment issue *The Death Penalty Debate* is a valuable guide which will aid readers in making up their minds on this timely and crucial issue A helpful annotated bibliography is included from back cover
