Restrained Response American Novels Of The Cold War And Korea 1945 196:

Restrained Response Arne Axelsson,1990-01-08 Axelsson provides an overview of American war and military novels set between 1945 and 1962 These are novels informed and inspired by the conditions and background of postwar occupation the Korean War and the early phases of the Cold War More than 120 narratives are considered and evaluated from a literary point of view and discussed in terms of their contribution to the understanding of the period The ultimate goal is a clear delineation of this period in American life and literature In view of this orientation the study will be useful to researchers and teachers of American history and literature as well as students of the Korean War Of the books considered 27 are given extended treatment they were selected as being representative of socio literary phenomena The major part of the action in the novels takes place between V E Day and the Cuban Missile Crisis a time in America characterized by restraint and measured response to unprecedented demands and dangers accompanied by valiant efforts to rise to the occasion and find new ways of meeting new challenges to American values and ideals Although the key concept throughout is American military experience the wide field of civilian military relations is used as an overlay to achieve a balanced perspective on the period The book includes two appendices the first is a list of key data and summaries of all works in the investigation the second is a list of the works broken down by geographical settings and thematic considerations following categories outlined by chapters A bibliography of secondary sources is also outlined Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Forthcoming Books** Rose Arny,1989-09 *Whitaker's Book List* ,1991

□□ □□ ,2007 **Bulletin of the Atomic Scientists** ,1965-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world *Bulletin of the Atomic Scientists* ,1969-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *Choice* ,1998 The Frozen Hours Jeff Shaara,2018-05-22 NEW YORK TIMES BESTSELLER The master of military historical fiction turns his discerning eye to the Korean War in this riveting novel which tells the dramatic story of the Americans and the Chinese who squared off in one of the deadliest campaigns in the annals of combat the Battle of Chosin Reservoir also known as Frozen Chosin June 1950 The North Korean army invades South Korea intent on uniting the

country under Communist rule In response the United States mobilizes a force to defend the overmatched South Korean troops and together they drive the North Koreans back to their border with China But several hundred thousand Chinese troops have entered Korea laying massive traps for the Allies In November 1950 the Chinese spring those traps Allied forces already battling stunningly cold weather find themselves caught completely off guard as the Chinese advance around the Chosin Reservoir in North Korea A force that once stood on the precipice of victory now finds itself on the brink of annihilation Assured by General Douglas MacArthur that they would be home by Christmas the soldiers and Marines fight for their lives against the most brutal weather conditions imaginable and an enemy that outnumbers them more than six to one The Frozen Hours tells the story of Frozen Chosin from multiple points of view Oliver P Smith the commanding general of the American 1st Marine Division who famously redefined retreat as advancing in a different direction Marine Private Pete Riley a World War II veteran who now faces the greatest fight of his life and the Chinese commander Sung Shi Lun charged with destroying the Americans he has so completely surrounded ever aware that above him Chairman Mao Tse Tung watches his every move Written with the propulsive force Jeff Shaara brings to all his novels of combat and courage The Frozen Hours transports us to the critical moment in the history of America's Forgotten War when the fate of the Korean peninsula lay in the hands of a brave band of brothers battling both the elements and a determined implacable foe A military story as dramatic and heroic as any that exists The American Interest The Frozen Hours illustrates again Shaara's mastery This is fiction and history at their blended best Marine Corps Gazette Marvelously effective storytelling that shows us what warfare feels like both to those who plan campaigns and those who execute them gripping precisely detailed historical fiction Booklist starred review American Looking Outward, 1974 Soldiers of Misfortune James D. Sanders, Mark A. Sauter, R. Cort Kirkwood, 1994 Reveals the true stories of America's forgotten soldiers including the more than 24,000 American soldiers who were liberated from German POW camps after World War II only to become prisoners of the Soviet Union Reprint

The Second Korean War Ted Halstead, 2018 The Second Korean War imagines war on the Korean peninsula in a novel that takes place in North and South Korea China Russia and America The author has drawn on four years of living and working in South Korea study at the National War College and decades of experience working for the US government to give the reader one possible future one he hopes can be avoided page 4 of cover **Passport** Bruce Herschensohn, 2003
