### **Restricted Entry Censorship On Trial:**

*Bad Attitude(s) on Trial* Shannon Bell, Brenda Cossman, Lise Gotell, Becki L. Ross, 2017-06-22 *Bad Attitude(s) on Trial* is a critical analysis of pornography in the context of contemporary Canada. The notion that pornography both reflects sexual domination and victimizes women has recently found expression in law in the landmark Canadian Supreme Court decision of *R v Butler* 1992. Many feminists embrace this new law as progressive but in the post Butler years straight mainstream pornography is still flourishing while sexual representations that challenge conventional notions of sexuality such as those centering on gay and lesbian sex and s m sex are the focus of censorship. It is the censorship of sexual others that the authors critique from a legal cultural gay and philosophical standpoint. Lise Gotell examines the intervention of the Women's Legal Education and Action Fund LEAF in the Butler decision and provides an overview of socio legal debates on pornography and censorship. Brenda Cossman examines the Butler decision itself and challenges the dominant reading of this case as a feminist victory. Becki Ross critically examines the expert testimony she delivered in defense of *Bad Attitude* an American lesbian sex magazine seized by police from Glad Day Bookshop in Toronto in 1992. She details the difficulties she encountered in explicating and contextualizing the specificities nuances and complexities of lesbian s m fantasy in a court of law. In the final chapter Shannon Bell advances a conception of pornography that is not distinguishable from philosophy using philosophy to make pornography. *Bad Attitude(s) on Trial* provides a new debate on pornography and feminism. It will be of particular interest to students of both women's and gay and lesbian issues but will also be relevant for scholars of law political science and philosophy as well as for anyone interested in a different provocative view of the Butler decision.

*Restricted Entry* Janine Fuller, Stuart Blackley, 1996. Winner of the 1995 Editor's Choice Lambda Literary Award, this is an insiders account of how a small gay and lesbian bookstore took the Canadian government to court in a battle over censorship at the Canada U S border. *Censorship in Canadian Literature* Mark Cohen, 2001-10-09. Cohen critiques Timothy Findley's broad anti censorship position; he traces Margaret Atwood's evolution from implicit support for the censorship of pornography in *Bodily Harm* to the rejection of censorship in *The Handmaid's Tale* and he provides the first detailed study of the draft of Margaret Laurence's unfinished novel showing the degree to which her final silence was a result of her censorship ordeal. Finally an analysis of the writing of Beatrice Culleton and Marlene Nourbese Philip shows how different kinds of socio cultural censorship from gate keepers to self censorship silence Native and black Canadian voices. Cohen's re definition of censorship as essentially a practice of judgment takes us beyond the traditional Enlightenment delineation of censorship as an oppressive government practice and the consequent neutralist liberal condemnation of censorship on principle. Since judgment is enmeshed in the fabric of human endeavour censorship is inevitable since censorship is inevitable. Cohen concludes debate over whether censorship itself is desirable should give way to a search for censorship practices that are more just. *Censorship in Canadian Literature* is an essential text for scholars of Canadian literature as well.

as for anyone concerned with contemporary debates about censorship and civil rights      Interpreting Censorship in Canada Allan C. Hutchinson, Klaus Petersen, 1999-01-01 Socially organized activity cannot occur without censorship Going beyond ideological arguments this collection of essays explores the extent of censorship in Canada today the forms censorship takes and the interests it serves      **Pornography Embodied** Joan Mason-Grant, 2004-03-12 What does it mean to re conceptualize pornography as a material practice rather than as speech Sidestepping the legal debates over their civil ordinance and drawing on phenomenology of the lived body Mason Grant returns to the innovative core of the Dworkin MacKinnon critique of mainstream pornography She develops a practice paradigm that captures and extends their insights showing how the use of mass market heterosexual pornography contributes to the cultivation of troubling forms of sexual know how      **The Persistent Prison?** Maeve Winifred McMahon, 1992-01-01 The Prison system is widely believed to be an immutable element of contemporary society Many criminologists and sociologists of deviance believe that decarceration movements have failed to yield progressive reform and that feasible alternatives to the prison system do not exist Maeve McMahon challenges these views Reconstructing the emergence of critical perspectives on decarceration she examines analytical and empirical problems in the research She also points out how indicators of community programs and other penalties serving as alternatives to prison have typically been overshadowed through critical focus on their effects in widening the net of control McMahon presents a detailed analysis of decreasing imprisonment and of the part played by alternatives in this during the postwar period in Ontario Drawing from extensive documentary research and from interviews with former correctional officials she charts the changing climates of opinions and socio economic factors which facilitated decarceration By situating her analysis in the context of theoretical and political arguments about the possibility of decarceration McMahon provides in her work a stimulus to the development of progressive penal politics not just in Canada but in all western countries

*Queer Judgments* Bruce MacDougall, 2000-01-01 MacDougall sifts through hundreds of reported and unreported cases of the past four decades in order to uncover the subjective assumptions and biases operating in Canadian courts      *Judging Obscenity* Christopher Jon Nowlin, 2003 This work examines evidence in North American obscenity trials revealing how little consensus there is among those who purport to know best about the nature of artistic representation human sexuality and the psychological and behavioural effects of digesting explicit sexual narratives and imagery      *Never Going Back* Thomas E. Warner, 2002-01-01 Drawing on interviews with leading gay and lesbian activists across Canada Warner chronicles and analyzes a tumultuous grassroots struggle for sexual liberation legislated equality and fundamental social change      **Ruling Out Art** Taryn Sirove, 2019-05-15 In the 1980s the Ontario Board of Censors began to subject media artists work to the same cuts bans and warning labels as commercial film *Ruling Out Art* reveals what happens when art and law intersect when artists arts exhibitors and their anti censorship allies enter courts of law as appellants defendants or expert witnesses The administration of culture during Ontario's censor wars was not a simple top down exercise Members of arts communities

mounted grassroots protests and engaged the province in court cases that ultimately influenced how the province interpreted freedom of expression a fundamental and far reaching legal right The language of the law in turn shaped the way artists conceived of their own practices By exploring how art practices and provincial legislation intertwined during Ontario's censorship wars this innovative book documents an important moment in the history of contemporary art and cultural activism in Canada one that helped artists secure their constitutional rights under the law

*Eclectic Views on Gay Male Pornography* Todd Morrison, 2013-11-26 A unique multifaceted look at the meaning and the specifics of gay male pornography Open any gay lifestyle magazine even the serious ones or go to any gay bar and you're likely to encounter something related to pornography be it an image of a porn superstar or advertisements for pornographic magazines DVDs calendars etc *Eclectic Views on Gay Male Pornography* Pornucopia examines this phenomenon with a series of provocative essays in which experts in history law media studies and psychology as well as laypeople and gay porn insiders explore the complex world of male pornography and the various ways in which it has permeated gay culture from the 1970s until today This first of its kind book examines the phenomenon of self writing and performance for gay men in the last century specifically looking at the lives of modern day performance artist Tim Miller who has received national recognition

for his one man shows portraying his struggles as a gay man Wakefield Poole born 1936 the first producer of gay pornography Bijou Boys in the Sand in the era accompanying the emergence of the gay rights movement gay adult film icon Scott Spunk O Hara born 1961 and Aaron Lawrence born 1971 who worked as a gay escort actor and producer director of his own sexually explicit amateur videos In this groundbreaking analysis of gay men s relationship with pornography you ll also learn about gay pornography and the messages it carries about intimacy body image and hegemonic masculinity representations of ethnicity in gay pornography gay pornography and safer sex gay pornography and censorship viewers perceptions of gay pornography gay pornography and internalized homophobia misogyny and body fascism changes in the way gay pornography is produced and performed from the 1970s through the 1990s the meaning of the recurring settings in American gay pornographic videos prison the military and other all male environments and recurring themes leather S M dissatisfaction with heterosexual life initiation into gay life etc In addition Eclectic Views on Gay Male Pornography presents two fascinating chapters about the case of Little Sisters Book and Art Emporium in Vancouver In this landmark case the Canadian Supreme Court was asked to determine whether gay male pornography violated the sex equality protections guaranteed by the Canadian Charter of Rights and Freedoms The court also examined the way that Canada Customs treats international shipments to gay and lesbian bookstores In addition the book provides a revealing insider s perspective on the gay adult video industry that contrasts the workaday reality of making porn with the glamorous mythology of the skin trade

*Critical Policy Studies* Michael Orsini, Miriam Smith, 2011-11-01 Traditional definitions of public policy in Canada have been challenged in recent years by globalization the transition to a knowledge based economy and the rise of new technologies Critical Policy Studies describes how new policy problems such as border screening and global warming have been catapulted onto the agenda in the neo liberal era The book also surveys the recent evolution of critical approaches to policy studies which have transformed decades old issues Contributors conceptualize the ways in which public policy questions cut across the traditional fields of policy They cover both topical approaches such as Foucauldian and post empiricist analysis and new applications of established perspectives such as political economy Conventional methodologies reveal new connotations when used to explore such topics as security issues Canadian sovereignty welfare reform environmental protocol Aboriginal policy and reproductive technologies Critical Policy Studies provides an alternative to existing approaches to policy studies and will be welcomed by scholars students and practitioners of political science and public policy

**Beyond Redistribution** Kevin M. Graham, 2012-07-10 Since the publication of John Rawls s A Theory of Justice in 1971 political philosophers in the English speaking world have shared a broad consensus that social justice should be understood as a matter of fair distribution of social resources Many contemporary political philosophers disagree sharply about what would count as a fair distribution of social resources yet agree that if social resources were to be distributed fairly then social justice would exist In Beyond Redistribution Kevin M Graham argues that political theories operating on a

distributive understanding of social justice fail to address adequately certain forms of social injustice related to race Graham argues that political philosophy could understand race related injustice more fully by shifting its focus away from distributive inequities between whites and nonwhites and toward white supremacy the unfair power relationships that allow whites to dominate and oppress nonwhites Beyond Redistribution offers a careful detailed critique of the positions of leading contemporary liberal political philosophers on race related issues of social justice Graham s analysis of the racial politics of police violence and public education in Omaha Nebraska vividly illustrates why the search for racial justice in the United States must move beyond redistribution

**Reclaiming Canadian Bodies** Lynda Mannik, Karen McGarry, 2015-02-27 The central focus of Reclaiming Canadian Bodies is the relationship between visual media the construction of Canadian national identity and notions of embodiment It asks how particular representations of bodies are constructed and performed within the context of visual and discursive mediated content The book emphasizes the ways individuals destabilize national mainstream visual tropes which in turn have the potential to destabilize nationalist messages Drawing upon rich empirical research and relevant theory the contributors ask how and why particular bodies of Estonian immigrants sports stars First Nations peoples self identified homosexuals and women are either promoted and upheld as Canadian bodies while others are marginalized in or excluded from media representations Essays are grouped into three sections Embodied Ideals The Embodiment of Others and Embodied Activism and Advocacy Written in an accessible style for a broad audience of scholars and students this volume is original within the field of visual media affect theory and embodiment due to its emphasis on detailed empirical and in some cases ethnographic research within a Canadian context

Parallel Encounters Gillian Roberts, David Stirrup, 2014-03-24 The essays collected in iParallel Encounters The field of border studies has hitherto neglected the Canada US border as a site of cultural interest tending to examine only its role in transnational policy economic cycles and legal and political frameworks Border studies has long been rooted in the US Mexico divide shifting the locus of that discussion north to the 49th parallel the contributors ask what added complications a site specific analysis of culture at the Canada US border can bring to the conversation In so doing this collection responds to the demands of Hemispheric American Studies to broaden considerations of the significance of American culture to the Americas as a whole bringing Canadian Studies into dialogue with the dominantly US centric critical theory in questions of citizenship globalization Indigenous mobilization hemispheric exchange and transnationalism

**Lesbian and Gay Rights in Canada** Miriam Catherine Smith, 1999-01-01 Using archival material that has largely been ignored as well as interviews with Canadian activists Smith investigates the ways in which the Canadian lesbian and gay movement has changed in response to the Charter of Rights and Freedoms

In Changing Times Martin P. Levine, Peter M. Nardi, John H. Gagnon, 1997-08-18 The HIV AIDS epidemic has been a major catastrophe for gay communities In less than two decades the disease has profoundly changed the lives of gay men and lesbians Not just a biological and viral agent HIV has become an opportunistic social

invader reshaping communities and the distribution of wealth altering the social careers of gay professionals and the patterns of entry into gay and lesbian life and giving birth to groups like ACT UP and Queer Nation The distinguished contributors to this volume discuss the ways HIV AIDS has changed collective and individual identities as well as lives of gay men and lesbians and how these alterations have changed our perceptions of the epidemic They cover such topics as the impact of the epidemic on small towns cultural barriers to AIDS prevention gay youth and intergenerational relations and the roles of lesbians in AIDS organizations This collection provides compelling insights into the new communities among gay men and lesbians and the new kinds of identities and relationships that are emerging from the social and cultural ferment engendered by HIV AIDS Contributors include Barry D Adam Lourdes Arguelles Rafael Miguel Diaz John H Gagnon Gilbert Herdt Gregory M Herek Nan D Hunter Peter M Nardi John L Peterson Anne Rivero Gayle S Rubin Beth E Schneider and Nancy E Stoller Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality
