Resunga The Mountain Of The Horned Sage:

Resunga, the Mountain of the Horned Sage Philippe Ramirez,2000 *Encompassing a Fractal World* Gil Daryn,2006-01-01 Encompassing a Fractal World presents a groundbreaking innovative paradigm which opens up new perspectives for understanding and analyzing Hindu life and culture In particular it has crucial implications for the understanding of Hindu cosmology ritual architecture kinship social relationships and agriculture as well as modern anthropological theories of ritual action and agency Gil Daryn s main thrust is not that the fractal concept may neatly bring together much of what has been written about Hindu culture but instead it argues the case for an additional and gendered fractal dimension Encompassing a Fractal World is exceptional in scope drawing from an extensive set of comparative materials ranging from Vedic cosmogonies and sacrifice through Puranic mythology to contemporary ethnographic accounts from Nepal and India This book is an interdisciplinary comparative work which attempts to connect the dots moving beyond isolated local village based studies in order to bridge the gulf between anthropology and Hindu studies **A History of Nepal** John Whelpton,2005-02-17 A comprehensive and accessible one volume history of Nepal first published in 2005

The Maoist Insurgency in Nepal Mahendra Lawoti,Anup Kumar Pahari,2009-10-13 The book deals with the dynamics and growth of a violent 21st century communist rebellion initiated in Nepal by the Communist Party of Nepal Maoist CPN M It contextualizes and explains why and how a violent Maoist insurgency grew in Nepal after the end of the Cold War in contrast to the decline of other radical communist movements in most parts of the world Scholars from diverse disciplinary backgrounds employ a wide variety of approaches and methods to unravel different aspects of the rebellion Individual chapters analyze the different causes of the insurgency factors that contributed to its growth the organization agency ideology and strategies employed by the rebels and the state and the consequences of the insurgency New issues are analysed in conjunction with the insurgency such as the role of the Maoist student organization Maoist s cultural troupes the organization and strategies of the People s Army and the Royal Nepal Army indoctrination and recruitment of rebels and international factors Based on original field work and a thorough analysis of empirical data this book fills an existing gap in academic analyses of the insurgency in Nepal Dam Development Kavita Rai,2005 Himalayan People's War Michael Hutt,2004-10-18 Includes full text of key documents by the rebels and government **Nature, Culture and Religion at the Crossroads of Asia** Marie Lecomte-Tilouine,2017-08-03 This book explores how ethnic groups living in the Himalayan regions understand nature and culture The first part addresses the opposition between nature and culture in Asia s major religious traditions such as Hinduism Buddhism Islam and Shamanism The second part brings together specialists of different representative groups living in the heterogeneous Himalayan region They examine how these indigenous groups perceive their world This includes understanding their mythic past in particular the place of animals and spirits in the world of humans as they see it and the role of ritual in the everyday lives of these people The book takes into account how these

various perceptions of the Himalayan peoples are shaped by a globalized world The volume thus provides new ways of viewing the relationship between humans and their environment *The Routledge International Handbook of Himalayan Environments, Development and Wellbeing* Ben Campbell, Mary Cameron, Tanka Subba, 2025-07-21 Shifting dynamics of peoples livelihoods and territories influenced by global warming require new ways of thinking and new kinds of politics beyond the sovereignties of idealized traditional European nation states The Routledge International Handbook of Himalayan Environments Development and Wellbeing features over 70 scholars from the social sciences humanities and natural sciences who explore the interrelationships between environmental change development and wellbeing across the entire Himalayan region from the Indian Himalayas in the east to Bhutan Nepal Tibet TAR India and Gilgit Baltistan in the west Within over 50 chapters the handbook presents engaging field based research on the region s socio cultural diversity climate adaptation and socio economic transformation It examines creative ways Himalayan communities adapt seek wellbeing and respond to environmental and development challenges Lessons about learning from Indigenous and local peoples about governance of forests and water and grassroots conservation practices from the Himalayan region can help inform global networks of researchers and practitioners The handbook will interest scholars students stakeholders and the public about the evolving relationships between Himalayan peoples territories and global warming offering insights into people s creative ways for understanding adapting and seeking wellbeing in environmental relations and development possibilities **Lived Islam in**

South Asia Imtiaz Ahmad, Helmut Reifeld, 2017-08-03 South Asia is probably the largest area in the world where Islam exists within a mixed composite culture overlapping with several other religions No matter how many origins of political conflicts one may find in the domain of culture and religion there are at the same time elements of peaceful co existence as well
