Slayer Slang Michael Adams, 2004-11-18 In its seven years on television Buffy the Vampire Slayer earned critical acclaim and a massive cult following among teen viewers One of the most distinguishing features of the show is the innovative way its writers play with language fabricating new words morphing existing ones and throwing usage on its head The result has been a strikingly resonant lexicon that reflects the power of both youth culture and television in the evolution of American slang Using the show to illustrate how new slang is formed transformed and transmitted *Slayer Slang* is one of those rare books that combines a serious explanation of a pop culture phenomenon with an engrossing read for Buffy fans language mavens and pop culture critics Noted linguist Michael Adams offers a synopsis of the program's history an essay on the nature and evolution of the show's language and a detailed glossary of slayer slang annotated with actual dialogue Introduced by Jane Espenson one of the show's most inventive writers and herself a linguist *Slayer Slang* offers a quintessential example of contemporary youth culture serving as a vehicle for slang

A. DeCandido, 2018-05-15 As if Ring Day weren t enough to make Buffy Summers anxious she can t even afford one of the less expensive silver bands the Slayer has her hands full trying to figure out why an average split level house in Sunnydale has all the vampires spooked When she arrives at the library to discuss this new development with Giles a package he s received from an old folklorist in Russia reveals what s going on The stars are properly aligned for an attempt to resurrect Koschei the Deathless a long dead evil sorcerer So while her classmates are busy choosing rings to demonstrate their school spirit Buffy must figure out how to keep someone from reviving Koschei and should she need to resort to plan B how to kill him again A little investigating soon leads Buffy and the gang to the necromancer who originally killed the sorcerer an immortal Russian sorceress named Yulia Dryanushkina who

can control vampires which explains their reluctance to pass by her place of residence When the crew pays Yulia a visit she assures them that with Willow s assistance she would be able to kill the sorcerer again should he be revived Neither Buffy nor Willow are particularly comfortable with aligning themselves with the necromancer but they have no other choice when twenty four hours later the vampires start behaving strangely and half the senior class goes missing **The Cordelia Collection, Volume 1** Nancy Krulik,2018-05-08 Being popular is not just my right but my responsibility and I want you to know that I take it very seriously Cordelia Chase Fashionista and leader of the pack Cordelia Chase is known throughout Sunnydale High for her irrepressible blend of tactless maxims as much as she is renowned for her beauty Most students even the members of her anti fan club either want her or want to be her Popularity proves a tough cross to bear though First Cordy is stalked by an invisible being fueled by envy and later she is deemed an ideal mate for a onetime Sunnydale football star problem is he s currently deceased But her most dangerous challenge is the race for Homecoming Queen Forget the dance Queen C will be lucky to escape with her life **Doomsday Deck** Diana G.
