Resurrection People:

Resurrection People David R. Catchpole, 2002 By uncovering the process that gave rise to the famous Gospel stories David Catchpole opens a door into each writer's distinctive world of conviction, faith, struggle and controversy. Catchpole shows that the characters of the resurrection narratives—Jesus himself, the women and men, the ecclesiastical heavyweights and the nobodies of Christian history—embody issues which affect the resurrection people of any time, including our own. David Catchpole is Professor and Scholar in Residence, New Testament at Sarum College, Salisbury, England. He is the author of *The Quest for Q*. *Resurrecting Parts* Taylor Petrey, 2015-07-03 During the late second and early third centuries C.E., the resurrection became a central question for intellectual commentary, with increasingly tense divisions between those who interpreted the resurrection as a bodily experience and those who did not. The relationship between the resurrected person and their mortal flesh was also a key point of discussion, especially in regards to sexual desires, body parts and practices. Early Christians struggled to articulate how and why these bodily features related to the imagined resurrected self. The problems posed by the resurrection thus provoked theological analysis of the mortal body, sexual desire and gender. *Resurrecting Parts* is the first study to examine the place of gender and sexuality in early Christian debates on the nature of resurrection, investigating how the resurrected body has been interpreted by writers of this period in order to address the nature of sexuality and sexual difference. In particular, Petrey considers the instability of early Christian attempts to separate maleness and femaleness. Bodily parts commonly signified sexual difference, yet it was widely thought that future resurrected bodies would not experience desire or reproduction. In the absence of sexuality, this insistence on difference became difficult to maintain. To achieve a common shared identity and status for the resurrected body that nevertheless preserved sexual difference, treatises on the resurrection found it necessary to explain how and in what way these parts would be transformed in the resurrection, shedding all associations with sexual desires, acts and reproduction. Exploring a range of early Christian sources from the Greek and Latin fathers to the authors of the Nag Hammadi writings, *Resurrecting Parts* is a fascinating resource for scholars interested in gender and sexuality in classical antiquity, early Christianity, asceticism and, of course, the resurrection and the body. *Kingdom Of God* Peter Kamaleshwar Singh, 2022-10-06 The Lord is the Creator of the universe. In this world, there are many countries and kingdoms. Everything ultimately belongs to Him. Then what is the Kingdom of God we are talking about? God is the master planner and everything that is created is working out according to His plan. He began the creation with His kingdom in the center. To establish His kingdom with men in His likeness, everything in history has been working thus far. The meditations help the reader to meditate on the theme and understand the unfolding of the Holy Spirit. He illuminates the scriptures and enriches our inner eyes to grasp the depth of His wisdom. *The End of the Unrepentant* J. Webb Mealy, 2012-12-24 *The End of the Unrepentant* stands as the most thorough exegetical analysis of the biblical teachings about the fate of the unrepentant ever written. Following up the author's acclaimed monograph *After the Thousand Years*

Resurrection and Judgment in Revelation 20 this study makes use of the nexus of the Isaiah Apocalypse Isa 24 27 and Revelation 20 as a paradigm or interpretive lens through which to understand the teachings of the Psalms the Prophets Jesus and the NT about resurrection judgment and the divergent futures of the faithful and the unrepentant The question of whether hell is everlasting has been a topic of interest for many decades now among evangelicals and the controversy has only intensified in recent years Many Christians feel uneasy about the idea of everlasting torment but their belief in the authority of Scripture leaves them feeling that this doctrine is inescapable The End of the Unrepentant is written for them It mounts a unique positive exegetical argument for annihilationism an argument so thoroughly founded on the prophetic words of Jesus Isaiah and John that it shifts the exegetical burden of proof to those who would wish for theological reasons to affirm everlasting torment

The World, Genesis, and Theology of the Pentateuch John M. Powell, 2022-03-11 The World Genesis and Theology of the Pentateuch sets its focus on God's redemption of the entire human race following the entrance of sin into the physical time space i.e. the physical universe physical realm of creation Redemption didn't begin in the New Testament but in the first book of the Bible called Genesis As such God has been reaching out to people through various means methods and ways to rebuild the divine and human relationship that became broken by Adam and Eve in the Garden of Eden Satan understood God's plan to save humanity and never set idly by to watch his purposes unfold in the lives of people He countered by introducing a false narrative of the origin of people and the universe to all of those willing to believe him and surrender faith in place of what can be explained away or sounds good The counter narrative to God's inspired message of creation is evolution It purports teachings by people who reject the creation account in Genesis chapter one Evolution is therefore populism It floods the education systems and many other worldly institutions under the disguise of being scientific which is not scientific at all Other counter narratives extending out of evolution includes the evolution of the species and the big bang theory which two systems that stand in opposition to the Bible Additional points of emphasis include Redemption began with the fall of humanity in Genesis and was completed in Jesus Christ in the New Testament It uncovers how redemption began and took shape in beginning stages of human history and how God's plan of redemption became clearer with the personal calling of Abraham through Israel and Moses The 5 books of Moses called the Pentateuch embodies one third of the Hebrew Bible Old Testament prior to Jesus Christ in the New Testament Genesis leads the way in God's message to the human race The ancient Gentile nations that vowed allegiance to other exalted deities apart from God manufactured their own religions beliefs literature and teachings they tied to the deities they revered as divine Such writings became the nucleus through which the nations viewed the world from the concept of religion their gods and the afterlife and thereby competed with the knowledge of Israel's concepts in the way they viewed the God of Abraham Isaac and Jacob Redemption is not and cannot be found in other forms of worldly wisdom knowledge and teaching But God's concept of people accepting him on the basis of faith in his word mirrors the example of Abraham's faith in the one true God that created all things that exist John M Powell PhD ABD
