

The Resurrection Of Christ - Easter Sunday Poem

**Condemned,
convicted falsely,
asked to carry a cross,
struggling, falling
reaches the top,
crucified on the mountain;
nails, thorns, spear
on his head and body,**

**dies, his mother cries,
placed in a tomb
silently vanishes
appears before his apostles
ascends into Heaven,
victory of Resurrection.**

Resurrection Poems:

Resurrection, 1911 **Life, Death, And Resurrection:** Dewey John Jones, 2014-07-11 It has been said that poetry is the art of naming things properly Life Death And Resurrection is a book of poetry that is the fruition of the author's journey into monasticism a journey which seemingly leads away from the world but which is actually a rushing into reality it is a journey to find the ultimate meaning of one's own existence the ultimate meaning of life and the name that God Himself gives to each one of us This is a book about one soul's search for God and what that soul finds in this pursuit life death and resurrection God's own poem He hides within every aspect of our lives In these poems we find that ultimately it is the journey that will define who we are in the end and it is the Cross that will show us how to live this journey we will find our truest self our true name only in our love for God and neighbor As one poem reads God comes to us in many ways In vision and mystery In the hand to be held The burden to be born The scars to be felt Which are our prisons to be shorn **Now is Christ Risen: Poems for Easter Tide. Compiled by S. L. W. S. L. W.**, 1876 *Christian Poems, Speeches & Skits for Easter and Christmas Programs* Pearl Robinson, 2023-08-28 God inspired me to write this collection of poems speeches plays and skits for children's Christmas and Easter programs in 2005 The objective was to help people discover the reason for our Savior's Birth Death and Resurrection This book is an inspiration when read to your children and grandchildren even if you're not involved with planning and implementing a program However if you're the Children's Ministry leader this book has it all poems speeches and skits for children's Christmas and Easter programs It will touch the hearts of God's people and those who haven't accepted Christ's gift of Salvation My deepest desire and prayer is that when the unsaved hear or read my poems speeches and skits they will want to be saved 40 Poems of Praise and Inspiration Marcus Descant, 2023-06-26 40 Poems of Praise and Inspiration Who Do You Say That I Am is an easy to read book of Christian poetry Writing this book fulfilled a personal goal of mine and has covered a span of forty years to completion As you know forty is a significant number in the Bible There are over 150 times where the number forty is mentioned in the Bible giving the number forty a great significance For example Moses and the Israelites wandered forty years in the desert God destroyed the world in the great flood lasting forty days and forty nights Jesus wandered in the desert for forty days of prayer and fasting and many more examples can be found The format of the book is arranged in order to tell the story of Jesus's life on earth through poetry It begins with His birth and progresses on to the resurrection and descent of the Holy Spirit After each chapter study guides have been developed for individual or group study depending on the needs of the reader This book can be read for enjoyment and also used to extend knowledge and reinforcement of Christian beliefs Additionally Christian schools organizations and prayer groups can use this book to help anyone wanting to deepen their relationship with God It has been a joy to write this book and I hope it is helpful for anyone wanting to develop a relationship with the Lord or strengthening the relationship they already have **Easter Remembered** Maria Alvarez, 2005 Exciting book for Easter This is a Christian inspiration book

at its finest Maria Alvarez reflects on the meaning of Easter via poetry and prose Miss Alvarez is different from many other Christian writers who write on Easter in that she focuses on the importance of the suffering and death of Christ rather than dwell primarily on the Resurrection While arguing that the Resurrection of Jesus Christ from death is a fact and important for Christians to celebrate Miss Alvarez emphasizes that celebrating the Resurrection exclusively would miss the important point of Easter Writing from a historic Christian position Miss Alvarez affirms the substitutionary sacrifice work of Jesus Christ on the cross Furthermore Miss Alvarez is emphatic in stressing the divinity of Jesus Christ Being doctrinally sound Miss Alvarez proves herself to be literary master Her poems inspire and her prose is deeply moving This book by Mariz Alvarez is a great celebration of Easter in the tradition of historic Christian faith This book on Easter would be great for reading during Lent as well as throughout the year Great for personal devotion as well as for group prayer meetings for church and college Christian groups

Resurrection Nicole Cooley, 1996 **Poetry of Contemplation** Arthur L. Clements, 1990-01-01 This is the first systematic and thorough study of mysticism or contemplation in these three seventeenth century poets and in three modern writers It not only clarifies the very confused issue of mysticism in seventeenth century poetry but also connects seventeenth century poets with modern literature and science through the contemplative tradition from the Bible and Plato and Church fathers and important mystics of the Middle Ages through Renaissance and modern contemplatives The transformative and redemptive power of contemplative poetry or holy writing regardless of genre or discipline is prominent throughout the book and the relevance indeed the vital necessity of such poetry and of the living contemplative tradition to our apocalyptic modern world is discussed in the last chapter In this chapter attention is given to modern science especially to the new physics and to philosophical and mystical writings of eminent scientists

Greenfield,2023-08-10 The Interpretation of Old English Poems 1972 is a challenging approach in the critical appreciation of Old English poems Professor Greenfield argues in particular against two inhibiting orientations in criticism of Anglo Saxon poetry an insensitive and too narrowly defined historicism and a blinkered philological tradition He suggests ways in which the practical criticism of Old English poetry and poems can be conducted and provides the means for a student to form his own critical approach The book is particularly challenging in that it brings literary criticism into a field which has hitherto belonged largely to historians and linguists
