Resurrection Promises:

All the Promises of the Bible Herbert Lockyer, 2017-06-06 Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises definite explicit declarations God has made that you can count on In All the Promises of the Bible Dr Herbert Lockyer discusses the nature of God's promises their substance simplicity surety source security scope Lockyer's in depth look at the scope of God's promises arranges them in categories that cover the full array of human concerns from the spiritual to the material and the corporate to the personal As you come to understand God's promises and how they apply to every aspect of your life you'll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best X Heirs of Promise P. Chase Sears, 2015-11-20 How did the Apostle Paul view the Church And where does Israel fit in How are the promises to Israel fulfilled In Heirs of Promise P Chase Sears discusses this relationship between the Church and Israel and he explains how that affects our understanding of the Old Testament Using a biblical theological approach to the book of Romans Sears argues that Paul understood the church not as a replacement of Israel but as the new Israel the continuation of Israel reconstituted in Christ And Jesus as the Son of God is the true Israel who fulfills all of God's purposes for Israel and creation Sears shows how the Old Testament promises to Israel are being fulfilled in the Church *The Promises of God* Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of epangelia for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the epangelia word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the horkos and omnymi lexemes are by far the terms most commonly associated with God's promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul's exclusive choice of epangelia for the divine promise is driven by its conceptual and linguistic correspondence with the euangelion one of the terms Paul adopted from the early church that forms the core of his ministry This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul's use of the OT as well as his association of the euangelion and epangelia word groups *Resurrection Promises* Leonard H. Budd, Roger G. Talbott, 1987 Jesus resurrection is a time for setting earthquakes shaking in the soul The seven excellent Easter messages in this book will help to make that happen in your congregation Leonard Budd and Roger Talbott have combined well crafted stories most of them imaginative fiction pieces with solid exposition of texts from Old and New Testaments These messages will provide preaching resources for the entire Easter season Two additional resources expand the usefulness of this volume Prayers and readings for each Sunday follow each message There are study discussion questions for an adult forum group which can assemble following

worship or in the week following to discuss the message Each set of questions is preceded by group builder get acquainted and growth exercises Leonard H Budd is pastor of Lakewood United Methodist church in a suburb of Cleveland Ohio Roger G Talbott is a United Methodist pastor in North Madison Ohio

Pilgrimage of Love Joy Ann McDougall, 2005-10-13 In *Pilgrimage of Love* Joy Ann McDougall offers an original reading and critical analysis of German Protestant theologian Jürgen Moltmann's social trinitarian theology She identifies the driving theological impulses methodological convictions and practical concerns that shape the author's evolving trinitarian vision She uncovers the narrative of divine love in Moltmann's early trilogy and shows how its conceptual trajectory shifts and deepens in his six volume *Systematic Contributions to Theology* Building on her analysis McDougall advances a compelling case for the concept of trinitarian fellowship as the structuring theological principle in Moltmann's later work She demonstrates how this concept of divine love unifies the author's theological anthropology theology of grace and the practices of the life of faith Finally she shows how this social trinitarian analogy of fellowship serves as an elastic rule of faith in the personal political and ecclesial realms of human existence While McDougall highlights the prophetic potential of Moltmann's trinitarian theology for Christian praxis she also challenges the author's underdeveloped doctrine of sin and theory of theological language *Pilgrimage of Love* offers one of the first comprehensive interpretations of Moltmann's mature trinitarian theology It introduces systematizes and clarifies the thought of one of the most significant Protestant theologians at the turn of the twenty first century This study will be an invaluable resource on Moltmann's thought for scholars of modern Protestant theology and for all those interested in the current renaissance of trinitarian theology

Straight to the Heart of 1 and 2 Kings Phil Moore, 2019-03-22 These books were written at a moment of great crisis and confusion for the Jewish nation They were written to reveal to them the story behind the story The great disaster that has befallen God's people has come from God's own hand So will restoration both for them and for the Church today if God's people respond to the message of 1 & 2 Kings God inspired the Bible for a reason He wants you read it and let it change your life If you are willing to take this challenge seriously then you will love Phil Moore's devotional

commentaries Their bite sized chapters are punchy and relevant yet crammed with fascinating scholarship Welcome to a new way of reading the Bible Welcome to the Straight to the Heart series Paul Among Jews Wenxi Zhang, 2011-10-17 This book challenges a popular and influential thesis in Lukan scholarship presented by the Tbingen School Paul is a rival of Peter and Paul is an anti Jewish apostle Consequently he is solely an apostle to Gentiles in Acts Through a narrative critical method Wenxi Zhang studies Paul s inaugural speech in Antioch of Pisidia and its literary function in relation to Paul s missionary activity among Jews in Acts He concludes 1 that this inaugural sermon functions as an interpretative key to understand the narrative of Paul s missionary activity among his fellow Jews and 2 that Paul is not anti Jewish He remains a faithful Jew who proclaims to his fellow Jews the fulfillment of God s promise to David in Jesus resurrection Consequently Acts is not anti Jewish document
