Gavin, Gavin S John, 2025-06-13 Many studies of spiritual development exist under the heading of Christian Perfection However John Gavin revisits such topics as asceticism prayer sacraments virtues and spiritual combat through scriptural and patristic texts that present the Christian life as one of growth from spiritual infancy to a particular fulfillment or end telos divinized humanity as formed and revealed in Jesus Christ Thus though Christian maturity does incorporate such things as physical and cognitive development its true distinction lies in its gifted supernatural end that does not exclude human freedom Part One establishes the pillars of Christian maturity form and finality virtue and character vocation and mission and explores the opposition to maturation in the form of demonic infantilism Part Two examines the means of maturity given to us in the life of the Church the Scriptures the Mysteries Sacraments and asceticism Finally Part Three reviews four figures of Christian adulthood the Witness the Teacher the Servant and the Fool A concluding chapter applies the insights from the previous chapters to our modern world to see in what ways our times need to grow up Growing into God includes a variety of early Christian voices Irenaeus of Lyons Origen of Alexandria Gregory of Nazianzus Gregory of Nyssa Basil of Caesarea Augustine of Hippo Ambrose of Milan John Cassian Dionysius the Areopagite Mark the Monk John Moschos Maximus the Confessor Symeon the Holy Fool and others Their collective insights all the fruits of great learning and the contemplation of God's Word describe a wondrous figure the mature saint transformed by union with the Father Son and Spirit Science, Reason, and Faith Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In Science Reason and Faith Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God
